It's important to be completely up-to-date on all of your income taxes as a first-time homebuyer. You may be able to take a number of deductions that will reduce your tax liability. For example, you may be able to deduct the interest on your new mortgage, the property taxes you pay, and the costs of certain home improvements. You may also be able to deduct the costs of certain energy-efficient home improvements. To make sure you're taking advantage of all the deductions you're eligible for, it's a good idea to consult with a tax professional.
