Attacking Chess For Club Players:

Attacking Chess for Club Players Herman Grooten, 2016-07-31 Every chess player loves to attack the enemy King Your goal is clear your thinking is concrete your creativity is in gear and direct victory is just around the corner Few things in life are better than a conducting a blistering King s attack But how good are you actually at attacking Have you ever analysed your efforts Looked at calculation errors missed chances and derailed efforts Highly experienced chess trainer Herman Grooten finds that many of his pupils overestimate their attacking skills Their fond memories of successful assaults often obscure the fact that there was a lot of room for improvement in their play After the immense success of his award winning classic *Chess Strategy for Club Players* Herman Grooten has now written an equally accessible primer on attacking chess He teaches you how to spot opportunities exploit weaknesses bring your forces to the frontline and strike at the right moment Grooten concentrates on training the most valuable skills visualizing structuring anticipating calculating memorizing and other mental aspects This is not just another collection of useful thematic moves but a complete and highly structured course of attacking techniques With great and fresh examples clear explanations and many instructive exercises **Chess**

Strategy for Club Players Herman Grooten, 2017-03-28 Every club player knows the problem the opening has ended and now what With this new edition of his award winning book *International Master* Herman Grooten presents to amateur players a complete and structured course on how to recognize key characteristics in all types of positions and how to make use of those characteristics to choose the right plan His teachings are based on the famous *Elements of Wilhelm Steinitz* but Grooten has significantly expanded and updated the work of the first World Champion He supplies many modern examples tested in his own practice as a coach of talented youngsters In *Chess Strategy for Club Players* you will learn the basic elements of positional understanding pawn structure piece placement lead in development open files weaknesses space advantage and king safety You will master the art of converting a temporary plus into other more permanent advantages The author also explains what to do when in a given position the basic principles seem to point in different directions Each chapter of this fundamental primer ends with a set of highly instructive exercises This new 3rd edition has besides various corrections and improvements a new introduction and a brand new chapter called *Total Control* with new exercises

Attacking Strategies for Club Players Michael Prusikin, 2021-11-26 Attacking your opponent s King is not just a short cut to victory it s also one of the most enjoyable and gratifying experiences in chess If you want to win more games you should become a better attacker Studying typical attacking motifs and ideas easily brings dividends while you are having a good time Michael Prusikin presents the prerequisites and the rules for a King attack in a lucid and attractive manner In 15 thematic chapters he teaches you how to assess the nature of the position identify the appropriate offensive patterns find the preliminary moves and conduct your attack in a clear and effective way Battering rams pawn storms deploying your pieces and striking the castled position obstructive sacrifices opening up the g file by sacrificing a Knight on f5 Prusikin

demonstrates the most important patterns of attack with lots of clear and well chosen examples Prusikin next tests your newly acquired insights and your attacking intuition with exercises covering all the themes and motifs You will find that studying *Attacking Strategies for Club Players* is both rewarding and entertaining **Chess Endgames for Club Players** Herman Grooten,2022-10-11 Any good chess coach will tell you to study the endgame Improving your knowledge of the third phase in a chess game will bring you many extra half or even full points After the success of his award winning classics *Chess Strategy for Club Players* and *Attacking Chess for Club Players* Herman Grooten has now written an equally instructive endgame manual He teaches you how to understand the themes of an endgame and find the right moves based on your understanding International Master Herman Grooten learned about endgames the hard way as many good players have Early in his career he realized there was a lot to be gained in this undervalued part of the game Building on his experience as a player and coach Grooten takes an original approach to convey his message the endgames are divided according to theme not chess material This is a novel but very effective way to learn the ins and outs since many themes can occur with different material balances The material is richly illustrated with many examples from practical play as well as endgame studies which present the motifs in their purest and most attractive form The result is a lively and highly instructive guide to the endgame
