

Chapter 16 Self-Study Problems (SSPs)

Solutions are available in the Study Guide.

SSP 16-1

Determining Elected Amounts

Ms. Audrey Flack has operated a gift shop for 15 years as a sole proprietor. After considerable analysis, she has decided that it is time to incorporate her business. On December 31, 2022, she will create a new corporation of which she will be the sole shareholder and sell the following to the new corporation:

	Tax Cost	FMV
Cash	\$ 27,000	\$ 27,000
Accounts Receivable	51,000	45,000
Inventories	73,000	88,000
Furniture and Fixtures (UCC)	38,000	45,000
Goodwill (UCC)	Nil	150,000
Totals	\$189,000	\$355,000

The capital cost of the Furniture and Fixtures is \$62,000.

Ms. Flack did not claim a doubtful debt reserve in 2021.

Ms. Flack will only receive share consideration from the corporation.

The goodwill reflects the increase in the value of the business since the business began. No amount was paid for the goodwill as it is internally generated.

Required:

- Determine the income tax consequences to Ms. Flack if the business properties are sold at the FMV listed above on December 31, 2022.
- Indicate the elections that could be used by Ms. Flack to reduce the amount of any income that would occur as a result of a sale of the properties at FMV to the corporation.

SSP 16-2

Determining Elected Amounts

For nearly 20 years, Ms. Monica Speaks has carried on a very successful manufacturing business as a sole proprietor. During much of this period you have constantly reminded her that there would be many advantages associated with incorporation, including the availability of the small business deduction. In the past, she has indicated that she has all of the money she requires and simply cannot be bothered with the complications associated with incorporating her business. However, in late 2022, you have finally convinced her that incorporation may be the best course of action.

She indicates that she is still concerned with respect to income tax that might arise on the incorporation of her business. In response, you have indicated that ITA 85(1) provides a method that will result in little or no income tax. As a consequence, she agrees to proceed with incorporation. She will be the only shareholder of the newly incorporated CCPC Speaks Inc.

The incorporation of the business will take place on October 1, 2022. You have prepared
