The Chiron Effect Lisa Tahir, 2020-10-20 A guide to using astrology to identify your core wounds and heal them using psychological techniques affirmations and self compassion Explains how the placement of Chiron in your birth chart identifies the core wounds and unconscious patterns that block empathy and self forgiveness Offers a descriptive chapter for each of the 12 zodiac sign placements for Chiron revealing how Chiron affects you psychologically emotionally sexually spiritually socially financially and intellectually Provides specific steps for each sign to shift self destructive patterns as well as powerful affirmations infused with Reiki healing energy We all have experienced disappointment sadness rejection or the loss of something meaningful in our lives When you are wounded innate animalistic instincts for self protection kick in as a means for survival These behavior patterns are a natural and necessary coping strategy at first But many dwell far too long in these patterns and separate themselves from their source of inner wisdom and intuition Using astrology as a diagnostic tool Lisa Tahir reveals how to use the astrological placement of the minor planet Chiron in your birth chart to identify the core wounds and unconscious patterns that block your capacity to have self empathy and to forgive Coining the phrase Chiron Effect to describe the magnetic pull that individuals have around

specific areas of vulnerability she explains how like a raw nerve the placement of Chiron describes what parts of our lives we might edit or hide for fear of being rejected as well as the areas of sensitivity where we are triggered Offering a chart and online links to allow you to determine Chiron s placement in your chart the author explains how Chiron affects you psychologically emotionally sexually spiritually socially financially and intellectually depending on the sign and house it falls within She outlines how to begin healing your core wounds through empathy and self forgiveness providing several steps for each sign placement to shift self destructive patterns and learn to protect yourself as well as powerful affirmations infused with Reiki healing energy to help you anchor a new belief system As Lisa Tahir reveals once identified your personal Chiron placement can become the source of your greatest healing and empowerment By recognizing your core wounding and learning to offer yourself empathy and forgiveness you can finally break free from suffering end self sabotage and allow your life to unfold in a new way

The Nature of Astrology Bruce Scofield,2023-01-03 An in depth examination of how astrology is a form of systems science Shares modern biological studies offering evidence that our solar system neighbors profoundly affect and shape life on our planet Explores the early practice of astrometeorology revealing the links between the solar system weather and climate over large spans of time Looks at the history philosophy and methodologies of astrology as well as its potential future applications in medicine and the social sciences Our ancient ancestors recorded the rhythms of the Sun Moon planets and stars correlating these rhythms with weather plant growth and animal and human behaviors From these early geocosmic recordings were born calendars astronomy and astrology While astrology is now mostly viewed as subjective fortune telling Bruce Scofield argues that astrology is not only a practice but also a science specifically a form of systems science a set of techniques for mapping and analyzing self organizing systems Providing clear evidence that our solar system neighbors profoundly affect and shape life on our planet Scofield shares modern biological and climatological studies on the effects of Earth s rotation the Sun the Moon and the rhythms of light gravity magnetism and solar radiation on terrestrial processes He explores the early practice of astrometeorology a method of weather forecasting used from ancient times into the Renaissance revealing the links between the solar system weather and climate over large spans of time He shares his own studies on the correlations between Saturn s position and terrestrial weather as well as presenting a wealth of evidence on astrological effects and the theories and mechanics behind them Examining the history of astrology he looks at its earliest foundations in Mesopotamia and its development by the classical Greeks into a mathematically informed body of knowledge He explores the decline and marginalization of astrology during the Scientific Revolution of the Renaissance and the Enlightenment when astrology was transformed from a credible science to a controversial practice after being attacked by the Church and then abandoned by experimental scientists Presenting a broad look at how the cosmic environment shapes nature the author shows how the practice and natural science of astrology can expand its applications in modern society in such varied fields as medicine history and sociology

How to Practice Mayan Astrology Bruce Scofield,Barry C.

Orr,2006-11-27 A contemporary and practical guide to Mayan astrological techniques Discusses the logic and meaning of the 20 day signs of the Mayan calendar Explains the many cycles of Mayan astrology such as the 9 day cycle of the Night Lords and the 13 day trecena Contains extensive tables of Mayan astrological data allowing readers to cast their own Mayan horoscopes How to Practice Mayan Astrology presents a contemporary guide to one of the most sophisticated astrological systems ever developed Like other ancient peoples the Maya looked to the cycles of the planets as markers of time and designators of order The predictable cycles they observed became codified in the Mayan calendar and astrological system as a way of organizing the seeming chaos of human life Mayan astrology is based on 20 named days that are cycled 13 times to create a 260 day calendar the Tzolkin The authors explain the symbolism logic and meaning of the 20 day signs how these signs reflect 260 possible personality types and how they can be used for divination They also explain the important role of the Four Directions and the planet Venus in one s personality matrix and life issues Included are extensive easy to use tables of Mayan astrological data allowing readers to determine their day signs to see how these signs are also influenced by the cycle of the Night Lords and the 13 day trecena and to cast their own horoscopes The Return of Planet Sedna Jennifer T. Gehl,2019-05-21 Reveals how the return of the planet Sedna after 11 000 years offers an opportunity for healing ourselves and our planet Explores how the Inuit legend of the sea woman Sedna offers clues about the message of Sedna s return including a warning about the sustainability of our planet Explains how Kundalini energy courses through planets and people alike and how planetary transits activate a form of cosmic Kundalini energy with Sedna s planetary return marking a major stage in this awakening process Details how Sedna s energies can be harnessed for healing ourselves and our planet including how Earth s ley lines are mirrored within the body s meridians Named after a mythological Inuit sea woman the planet Sedna was first discovered in 2003 Its return to our solar system after 11 000 years of orbit has been tied to the huge tsunami that struck Indonesia Thailand and India in 2004 as well as to the increased occurrence of other marine and weather events over the last decade And just as it is affecting the waters of our planet Sedna s energies are also affecting each of us as individuals Exploring the impact that planetary bodies have on Earth and on humans Jennifer Gehl reveals how Sedna s energies can be worked with for healing ourselves others and the planet She explains how the naming of this planet after the archetypal figure of Sedna and her myths provides major clues to the message that Sedna s return is sending a clear warning about the sustainability of the planet and the oceans the source of all life and an invitation to awaken to the parts of ourselves that have been ignored abandoned and cast out into the cold just as Sedna was when she was drown in the Arctic Ocean The author examines the astrological chart for Sedna s discovery providing an in depth look at how certain aspects particularly the quincunx support the legend of Sedna and its impact on human health She looks at how Kundalini energy courses through planets and people alike and how planetary transits activate a form of cosmic Kundalini energy with Sedna s return marking a major stage in this awakening process She reveals how Earth s ley lines are mirrored within the body s

meridians and offer a way to tune ourselves to the cosmic frequencies that Sedna brings Examining the story of Sedna mythologically and astrologically Gehl explains how Sedna s last appearance 11 000 years ago occurred at the end of the Ice Age when waters disrupted and divided our world Her return rather than being a harbinger of disaster is one of the way shower and shaman Symbolically she lights the path for us to ignite our own immortality by surrendering to the inner path revealing patterns and pathways for infinite healing potential a new model of sustainability for the health of our planet and a way to actively participate in our soul s evolution Sacred Retreat Pia Orleane,2017-09-12 Restoring our biological cycles to heal ourselves our culture and our planet 2017 Nautilus Gold Award Shows how just like the tides and the moon phases both women and men have biological cycles of growth and renewal necessary for healthy bodies and minds Explains how the seclusion of women during menstruation and of men during vision quests offers a cleansing process for body and mind to awaken innate creativity and sensitivity re attune us with the deeper rhythms of the body and nature and restore harmony between the divine feminine and divine masculine Reveals how the need for sacred retreat was forgotten when the divine feminine was suppressed by patriarchal culture All of life is interwoven into a living system of cycles from Earth s seasons to the enzymatic pathways that provide energy to a cell Waxing and waning from times of growth to times of rest renewal and healing cycles map the most auspicious time for everything in life Both women and men have biological cycles of active growth and quiet renewal led by our hormones By understanding how everything in life moves in cycles you can become more aware of and comfortable with your own cyclic nature something that has been forgotten by the modern world s linear views of time Drawing on the wisdom of ancient cultures the natural cycles of life and her own groundbreaking research Pia Orleane Ph D offers a template for how we can restore balance to our emotions and health ease tensions between the sexes and heal our fractured culture by honoring divine feminine consciousness and re embracing natural cycles including our innate need for rest and retreat She explains the biology of how our bodies operate by hormones released in cycles and shows how balanced hormones help eliminate anger depression insomnia anxiety and fatigue Exploring ancient traditions and rituals surrounding blood and sacred retreat she explains how the seclusion of women during menstruation and of men during vision quests offered a cleansing process for body and mind alone time to clear suppressed emotions awaken our innate creativity and sensitivity re attune us with the deeper rhythms of the body and nature and restore harmony between the genders and balance between the divine feminine and masculine Outlining the sacred retreat process the author explores dream cycles divine sexuality and practices for reconnecting to nature increasing creativity and intuition and clearing suppressed emotions She also looks at the benefits for women and men of separate sleeping during menstruation Through this wisdom we can restore our natural cycles allow the divine feminine to once again blossom alongside the divine masculine and with the return of balance heal our world and our hearts **I Am a Soul Champion** Rachael White,2016-09-13 It is not unusual for families to face health issues Most will turn to conventional medicine to at least treat if not cure them But what

happens when those methods don't work. In fact, instead of getting better, they get worse. This is what happened to author Rachael White and her family. In her book *I AM a Soul Champion: How to live a spiritually guided life through Manifestation, Intuition, Positivity, and Archangel Aromatherapy*, she provides an account of her extraordinary life-changing journey to heal her family's so-called incurable illnesses. She shares the knowledge and wisdom she gained after she opened up to living a spiritually guided life. *I AM a Soul Champion* is a practical guide for using intuition, healing, and manifesting along with archangel aromatherapy. The author has distilled the information into a combination of healing guides, teachings, and easy-to-use daily practices and rituals. A soul champion is someone who understands that he or she is more than just mind and body. Rachael believes that everyone has the ability to access healing and guidance from angels and spiritual guides in order to heal, co-create, and manifest in every aspect of life. Are you ready to let go of ego-driven fear, negativity, mental and physical illness, out of the driver's seat, and let the soul be the champion driver of your life?

Return of the Divine Sophia Tricia McCannon, 2015-03-06. An initiatic journey into the Mysteries of the Goddess and humanity's return to an age of peace and celestial light. Details the ceremonies and rituals of initiation into the Fellowship of Isis. Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ. Explores the many archetypes of the Goddess, including Isis, Brigit, and the Black Madonna, and how we can transform into Homo luminous spiritual beings of light. Called through her dreams by the Priestesses of Isis, Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess. After a fateful encounter with a high initiate of the ancient Fellowship of Isis, she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost. She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war. She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance. Sharing her journey into the heart of the Divine Mother, McCannon details her initiation into the Fellowship of Isis, a process rich with ceremony, ritual, and myths of the Goddess from ancient Egyptian, Celtic, Greek, Hebrew, and Native American traditions. She reveals how the many archetypes of the Goddess, including Isis, Ishtar, Brigit, and the Black Madonna, can become our allies for self-transformation. She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2,000 years and how the Gnostic goddess Sophia is tied to the Second Coming, Mary Magdalene, and the Female Christ. She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son. Through her story and her in-depth research, McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us. Equipped with the teachings of the Goddess, we gain the mastery to overcome the deeply rooted masculine/feminine imbalance of the patriarchy and to embark into the future as Homo luminous beings of light.

Chiron in Love: The Astrology of Envy, Rage, Compassion and Wisdom Liz Greene,2023-09-20 This book is based on a seminar originally given by Liz Greene in 2005 entitled Chiron in Love because Chiron s story is most clearly and poignantly enacted in our most personal exchanges with the people closest to us It includes a background of mythic material about Chiron that can help to shed light on the interaction between Chiron in one horoscope and the planets and angles in another In 2020 during the height of the Covid pandemic Liz gave three further online seminars to explore the relationship between Chiron and the global outpouring of helplessness fear rage polarisation and apparently obsessive

determination to find scapegoats that has emerged as a result of the pandemic and its psychological consequences Sections of these more recent seminars have been amalgamated with the original seminar resulting in a broad spectrum of themes all related to the central core of Chiron's myth and meaning Ways of permanently healing Chiron's wound and saving the world are not included Instead the emphasis is on the individual and the necessity of working as honestly and insightfully as possible with the feelings of envy rage bitterness and potential wisdom and compassion reflected by Chiron's complex story Astrology students of all levels will find Liz Greene's insights invaluable in working with this paradoxical and challenging astrological symbol
