Basic English Grammar For Dummies - US Geraldine Woods, 2015-09-15. The easy way to brush up on your English skills. Is it good or well? There, their, or they? Some people don't have to think twice about using proper English, but for the rest of us, it can get tricky and confusing. Whether you're writing or speaking, it's all too easy to fall prey to simple mistakes that will represent you in a less than desirable light, which can potentially cost you a job or put you in an embarrassing social situation. Avoiding complicated grammar rules: *Basic English For Dummies* sticks to the basics and makes it easy to get up and running on what you need to know to partake in successful everyday communication, no matter your audience or medium. Inside, you'll find plenty of examples and exercises, guidance on how to structure sentences to make yourself easily understood, and so much more. In no time, you'll leave the me or I debate at the door and speak and write confidently and correctly. Plus, you'll expand your vocabulary, find the right tone and style you want to convey in your communication, and avoid common English language pitfalls. Includes quizzes and self-tests. Provides guidance on composing letters, emails, texts, and phone calls. Explains in plain English how to improve your English skills. Gives you instruction and exercises on putting your skills to practice right away. If English is your first language, but you missed or have forgotten the nuances that were taught in school, *Basic English For Dummies* is your go-to guide. It is also ideal for those learning English as a second language.

Global Practices of Language Teaching: Proceedings of the 2008 International Online Language Conference (IOLC 2008) Azadeh Shafaei, 2008-12-30. The first International Online Language Conference was successfully held in September 2008. This event invited professors, Masters, and Ph.D. students and academicians from around the world to submit papers in areas related to the conference theme. The event was organized by International Online Knowledge Service Provider IOKSP. The main conference objectives were as follows: to provide a platform for language educators, academicians, and researchers from diverse cultural backgrounds to exchange ideas and the best practices for effective language teaching and learning; to promote better understanding of cultural diversity in language learning; to encourage language educators to be involved in the research process in order to achieve comprehensive excellence; and to produce a collection of scholarly papers.
