How To Lead A Quest Jason Fox, 2016-05-02 Unlock progress through doubt and uncertainty The biggest threat facing modern business is

the sheer complexity of an uncertain future That and the fact that everyone is busy Too busy for progress Workplace cultures have become cursed with efficiency And so when it comes to developing strategy we default to our defaults We favour quick fixes easy templates and familiar approaches developing robust plans that do little to mitigate strategic risk or generate new value The result The future comes and businesses die But no longer cue trumpets How to Lead a Quest is a book for pioneering leaders folks who know that enterprise strategy is far too important to condemn to smart goals a clear vision for the future and other such rubbish Within this book you ll discover how to liberate enterprise leadership and workplace cultures from the curse of efficiency default thinking and the delusion of progress explore complex and uncertain futures to find profound insights that mitigate strategic risks and ensure your business model remains viable create new value and enduring relevance by pioneering into uncharted and unprecedented territory embed new structures and rituals into your enterprise to build for the future while still delivering operational excellence today Not for the faint of heart or short of wit this uniquely refreshing book bravely tackles the paradox that is pioneering leadership You ll discover how to lead meaningful progress even if you don t know what the goal or destination looks like

The Game of Inches Nigel Collin, 2016-03-31 No spin no fuss no gurus get the real secret to business success Game of Inches dispels the myth that success must come from disruption and provides an actionable blueprint for real world business achievement Entrepreneur Nigel Collin interviewed over 80 successful Australian entrepreneurs and leaders to learn the key factors that make a successful business in this book he distils his findings into a simple process of four actions governed by three behaviours that will guide your path to the top Examples and case studies eschew the limelight in favour of those on the front lines of business doing well illustrating the revolutionary idea that you don t have to make headlines to be a success By shifting your mindset from explosive overnight success to a quieter more consistent more sustainable process you gain the ability to reach the top and stay there You ll discover that innovation is actually in reach doesn t cost too much and is not really all that complex when approached from a growth oriented mindset of making small changes consistently You don t need to be Steve Jobs and you don t need to create the next iPhone to be a success in business What you do need to do is redirect your attention away from who you are and toward what you deliver Learn what really drives sustainable success Discover innovation that s within reach right now Focus on what you do not who you are Work toward a process of constant consistent improvement Business success is not a one off event or a single eureka moment It s a continuous step by step process of becoming better every day Incremental change is the surest route to the top though others may skip the climb in favour of a helicopter those who earn the summit tend to stay longest Game of Inches is your straightforward roadmap to no nonsense long term business success
