Developing speaking p52

Negotiating and responding to and giving opinions

>>> FAST TRACK

Ask students to prepare for exercise 1 at home and make a list of places they like to eat at to discuss in class.

BURNER

With books closed, ask students to write down in English as many types of places where they can eat. Elicit the phrase 'eating out' for when you eat somewhere that isn't your own house.

Suggested answers

canteen, restaurant, café, snack bar, your own house, outdoor picnic, fast food restaurant

- 1 SPEAKING** Students work with a partner and look at the photos. Students discuss which places they eat at and what they think of them.
- 2 LISTENING**  24 Play the track for students to listen to two students doing a collaborative task in a speaking exam. Tell students to answer the two questions. See p149 for the audioscript for this exercise.

Answers

Which of these five places do you think is the best place for your end-of-term meal?
the outdoor picnic area

- 3a**  24 Play the track again for students to make notes about what the students say for each place in exercise 1. Draw their attention to the example and remind them not to write full sentences.

Answers

- 2** School canteen: we eat there every day, we should choose somewhere we don't usually go
- 3** Outdoor picnic area: good idea – could go to park or somewhere special; picnics aren't expensive, easy for a larger group
- 4** Exclusive restaurant: food and service are good, but they're expensive, most people won't want to spend a lot of money on the meal
- 5** Classmate's house: cheap, comfortable, can have music and move about, but a house is small and it isn't very special

- 3b SPEAKING** In pairs, students compare their notes and say whether they agree or disagree with the final decision.
- 4** Ask students to match the headings with the expressions from the Speaking bank.

Answers

1 C 2 B 3 A

✓ EXAM SUCCESS Students read the information and discuss if they should speak more than their partner in this type of activity, then turn to page 144 to compare their answers.

TEACHER DEVELOPMENT: STUDENT TRAINING**Negotiating in an oral activity**

In this type of activity, students have to show an ability to negotiate and collaborate with their partner. Remind students to ask their partner for his/her opinion rather than simply stating their own. Tell them to focus on asking some 'What do you think ...?' type questions rather than simply making 'I think ...' type statements. Encourage students to listen carefully when their partner is speaking and show interest in his/her comments by responding to what he/she says. This is called active listening. 'That's an interesting point.' 'I see what you mean, but ...' 'But don't you think ...'

Students should also help their partner speak if they feel he/she is not speaking enough, rather than dominating the conversation.

PRACTICE MAKES PERFECT

- 5 SPEAKING** In pairs, students look at the instructions and diagram on page 148. Remind students to justify their opinions and come to a joint decision using phrases from the Speaking bank. Draw their attention to the examples. Photocopy the model dialogue below for less confident students and allow them to read it first.

Model dialogue

- A:** Hi, Tom. I've started thinking about planning the end-of-year school event. What do you think about a sports day? That could be fun.
- B:** I agree, but what about people who don't like sport?
- A:** Yes, you're right.
- B:** Personally, I think we should do something that everyone can take part in. What about a meal in a restaurant?
- A:** That could be expensive. In my opinion, we need to do something that everyone can afford.
- B:** OK. How about a concert at school? We could make the tickets for entrance really cheap and ask local bands to volunteer.
- A:** That's a great idea!
