Interactivity and Playful Language on Twitter Isabel Bieber,2014-05-12 Seminar paper from the year 2013 in the subject English Language and Literature Studies Linguistics grade 1.0 University of Würzburg Englische Sprachwissenschaft course Computer Mediated Communications language English abstract Language and punctuation can be used interactively on Twitter as can be seen not only in the creative use of punctuation marks to address others and to tag common topics but also in the use of netspeak In a first section the notion of interactivity is clarified before examining the three interactive elements and RT Next to their functions on Twitter more

insights into the history and in the meaning of these elements are given Especially by describing the interactive functions of the hashtag on Twitter it is shown how electronic discourse can increase our awareness of others Therefore the concept of ambient affiliation coined by Michele Zappavigna will be examined *Researching Language and Social Media* Ruth Page,David Barton,Carmen Lee,Johann Wolfgang Unger,Michele Zappavigna,2022-01-14 This highly accessible guidebook outlines the practical steps and ethical guidelines entailed when gathering linguistic data from social media sites and platforms This timely book is an essential guide for students of English language and linguistics media and communication studies , Pragmatics of Social Media Christian Hoffmann,Wolfram Bublitz,2017-09-11 This handbook provides a comprehensive overview of the pragmatics of social media i e of digitally mediated and Internet based platforms which are interactively used to share and edit self and other generated textual and audio visual messages Its five parts offer state of the art reviews and critical evaluations in the light of on going developments Part I The Nature of Social Media sets up the conceptual groundwork as it explores key concept such as social media participation privacy publicness Part II Social Media Platforms focuses on the pragmatics of single platforms such as YouTube Facebook Part III Social Media and Discourse covers the micro and macro level organization of social media discourse while Part IV Social Media and Identity reveals the multifarious ways in which users collectively re construct aspects of their identities Part V Social Media and Functions Speech Acts surveys pragmatic studies on speech act functions such as disagreeing complimenting requesting Each contribution provides a state of the art review together with a critical evaluation of the existing research *Innovations and Challenges in Social Media Discourse Analysis* Michele Zappavigna,2024-10 Innovations and Challenges in Social Media Discourse Analysis provides a key introduction to the analysis of everyday discourse on social media platforms The Evolution of The Language Used In Social Media Nathan Heid,2017-03-16 Essay from the year 2015 in the subject Communications Public Relations Advertising Marketing Social Media grade 96 The University of Akron language English abstract What is social media Social media is any media of communication that allows users to create or share content with other people in their network Over the past decade and a half social media has grown in size and popularity All over the world people are messaging each other through instant messaging applications like Kik and Facebook Messenger sending each other silly photos with dog ears and a dog nose with applications like Snapchat and tagging each other in various memes on Facebook and Instagram With the recent introduction of social media communicating with people has become easier than ever With the push of a button people can communicate with others across the globe in an instant With the invention of social media a new pseudo language has been created using words like LOL ROFL and LMAO and sayings like Hit me up what s the move and Sliding into the DM s and sending Emojis All these words have different meaning now than they did 10 years Ultimately social media has changed how we as a society communicate in the modern age but with the strengthened communication over the internet over the recent years our face to face conversation skills have fallen short

Twitter, the Public Sphere, and the Chaos of Online Deliberation Gwen Bouvier, Judith E. Rosenbaum, 2020-07-29

This volume provides a critical view of the nature and quality of political and civic communication on Twitter. The introduction lays out the current state of research showing the continuum of views from the more optimistic to more pessimistic regarding the platform's potential to facilitate civic conversations. The eleven empirical case studies in the book provide new insights addressing a variety of topics through a diverse array of methodological approaches. Together the chapters provide a counter position to recent studies that offer more celebratory assessments of Twitter's potential. The book draws attention to the chaotic insular uncivil and emotionally charged nature of debate and communication on Twitter.

Discourse and Identity on Facebook Mariza Georgalou, 2017-06-15 Social network sites are dynamic online socio cultural arenas which give users ample and unprecedented opportunities for self presentation through the meshing of language with other semiotic modes. With a focus on Facebook one of the most widely used online social network sites this book brings together ideas and concepts related to language online multimodality and identity through five topical issues. These include place time profession and education stance taking and privacy. The book features a discourse centred online ethnography that provides authentic verbal and multimodal Facebook posts in both Greek and English. These are complemented with insights from interviews with Facebook participants. The examples bring to life various engaging instances of self and other presentation on Facebook identifying the ways in which users can locate themselves in terms of place and time announce activities share and broaden their expertise and buttress solidarity among colleagues and fellow students communicate emotions tastes thoughts opinions and assessments control the flow of textual information on their Facebook profiles to secure their privacy.
