Desert of the Heart Jane Rule, 1977 Two women meet and fall in love in Reno Nevada Evelyn Hall has gone there to get a divorce from her husband Ann Childs works there as a change girl in a gambling casino Desert of the Heart Jane Rule, 1983 Classic lesbian novel The basis for the movie Desert Hearts Desert of the Heart Jane Rule, 1985 Set in the late fifties in Reno Nevada this classic of lesbian eroticism is Jane Rule's first novel Two women meet and fall in love in Reno Nevada Evelyn Hall has gone there to get a divorce from her husband Ann Childs works there as a change girl in a gambling casino The movie Desert Hearts is based on this novel by Jane Rule **The Collected Novels Volume One** Jane Rule, 2018-10-09 Three beautiful novels from the groundbreaking award winning author including a landmark work of lesbian fiction and basis for the film Desert Hearts The New York Times First published in 1964 Desert of the Heart broke ground with its realistic and complex portrayal of love between two women and immediately established Jane Rule's reputation as an extraordinary writer perhaps the most significant lesbian fiction writer of the twentieth century Katherine V Forrest Desert of the Heart Rule's debut novel is set in 1950s Reno Nevada where English professor Evelyn Hall has come for a quick divorce from her husband There she meets Ann Childs fifteen years her junior who works as a change apron in a casino As their friendship deepens into a romantic relationship Evelyn's preconceptions about love morality and identity are challenged An intelligent and utterly believable novel Joyce Carol Oates The Young in One Another's Arms In Ruth Wheeler's Vancouver rooming house during the Vietnam War an eclectic assortment of misfits dropouts deserters and radicals become each other's chosen family When developers threaten the property the community is challenged to find a new home on Galiano Island A mature and satisfying work Bay Area Reporter This Is Not for You Through a decades long correspondence between Katherine and Esther the woman with whom she falls passionately in love Rule's second novel follows a group of friends living in New York and abroad as they explore the freedoms and limitations of their sexuality as the repressed fifties gives way to the liberated sixties A beautiful ironic civilized novel Margaret Lawrence Her Neighbor's Wife Lauren Jae Gutterman, 2019-10-04 At first glance Barbara Kalish fits the stereotype of a 1950s wife and mother Married at eighteen Barbara lived with her husband and two daughters in a California suburb where she was president of the Parent Teacher Association At a PTA training conference in San Francisco Barbara met Pearl another PTA president who also had two children and happened to live only a few blocks away from her To Barbara Pearl was the most gorgeous woman in the world and the two began an affair that lasted over a decade Through interviews diaries memoirs and letters Her Neighbor's Wife traces the stories of hundreds of women like Barbara Kalish who struggled to balance marriage and same sex desire in the postwar United States In doing so Lauren Jae Gutterman draws our attention away from the postwar landscape of urban gay bars and into the homes of married women who tended to engage in affairs with wives and mothers they met in the context of their daily lives through work at church or in their neighborhoods In the late 1960s and 1970s the lesbian feminist movement

and the no fault divorce revolution transformed the lives of wives who desired women Women could now choose to divorce their husbands in order to lead openly lesbian or bisexual lives increasingly however these women were confronted by hostile state discrimination typically in legal battles over child custody Well into the 1980s many women remained ambivalent about divorce and resistant to labeling themselves as lesbian therefore complicating a simple interpretation of their lives and relationship choices By revealing the extent to which marriage has historically permitted space for wives relationships with other women Her Neighbor's Wife calls into question the presumed straightness of traditional American marriage
