Incidental Exposure to Online News Borchuluun Yadamsuren, Sanda Erdelez, 2016-12-07 Rapid technological changes and availability of news anywhere and at any moment have changed how people seek out news Increasingly consumers no longer take deliberate actions to read the news instead stumbling upon news online While the emergence of serendipitous news discovery online has been recognized in the literature there is a limited understanding about how people experience this

behavior Based on the mixed method study that investigated online news reading behavior of residents in a Midwestern U S town we explore how people accidentally discover news when engaged in various online activities Employing the grounded theory approach we define Incidental Exposure to Online News IEON as individual s memorable experiences of chance encounters with interesting useful or surprising news while using the Internet for news browsing or for non news related online activities such as checking email or visiting social networking sites The book presents a conceptual framework of IEON that advances research and an understanding of serendipitous news discovery from people s holistic experiences of news consumption in their everyday lives The proposed IEON Process Model identifies key steps in an IEON experience that could help news reporters and developers of online news platforms create innovative storytelling and design strategies to catch consumers attention during their online activities Finally this book raises important methodological questions for further investigation how should serendipitous news discovery be studied measured and observed and what are the essential elements that differentiate this behavior from other types of online news consumption and information behaviors

Photojournalism and Citizen Journalism Stuart Allan,2017-06-26 If everyone with a smartphone can be a citizen photojournalist who needs professional photojournalism This rather flippant question cuts to the heart of a set of pressing issues where an array of impassioned voices may be heard in vigorous debate While some of these voices are confidently predicting photojournalism s impending demise as the latest casualty of internet driven convergence others are heralding its dramatic rebirth pointing to the democratisation of what was once the exclusive domain of the professional Regardless of where one is situated in relation to these stark polarities however it is readily apparent that photojournalism is being decisively transformed across shifting uneven conditions for civic participation in ways that raise important questions for journalism s forms and practices in a digital era This book s contributors identify and critique a range of factors currently recasting photojournalism s professional ethos devoting particular attention to the challenges posed by the rise of citizen journalism This book was originally published as two special issues in *Digital Journalism and Journalism Practice* **Visual Ethics** Paul Martin Lester,2018-01-19 Visual Ethics addresses the need for critical thinking and ethical behavior among professionals responsible for visual messages in photography and photojournalism film and digital media From the author of *Photojournalism An Ethical Approach* published more than 20 years ago this book goes beyond photojournalism ethics It discusses crucial contemporary concerns including persuasion stereotyping global perspectives graphic design decisions multimedia production social media and more Written for an ever growing discipline author Paul Martin Lester gives serious ethical consideration to the complex field of visual communication **Digital Innovations, Business and Society in Africa** Richard Boateng,Sheena Lovia Boateng,Thomas Anning-Dorson,Longe Olumide Babatope,2022-01-01 For African enterprises entrepreneurs and governments to take full advantage of new digital opportunities they need a shared strategic understanding of where they are what they have and what they may need to have for the future This book presents this

Digital Innovations For Mass Communications Engaging The User: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Digital Innovations For Mass Communications Engaging The User : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Digital Innovations For Mass Communications Engaging The User : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
