Digital Vortex Imd:

Digital Vortex Jeff Loucks, James Macaulay, Andy Noronha, Michael Wade, 2016-04-13 WINNER OF THE 2017 AXIOM BEST BUSINESS BOOK AWARD Digital disruption sounds like another business buzzword until it happens to your company. Seemingly out of nowhere, startups and other tech-savvy disruptors attack. Your customers bolt for the door and revenues stall. Senior executives ignore the problem or turn to yesterday's management playbook. In months instead of years, you've gone from market leader to also-ran. This scenario is beginning to play out in every industry. Everything that can be digitized, from products and services to the entire value chain, is being digitized to the advantage of companies that can harness disruption. Unfortunately, few companies are building the organizational capabilities and strategic responses to compete in this stark new reality. In **Digital Vortex**, you will learn how to use the business models and strategies of startups to your own advantage. Instead of waiting to be disrupted, you can maximize the value of your existing businesses and move into profitable new ones. Most importantly, you will learn how to build the agility to anticipate threats, sense opportunities, and seize them before your rivals do. In today's world, there are two paths: navigating to a new digital future or being engulfed by exponential competitive change. With recommendations backed by research with thousands of senior executives from market leaders and startups alike, this book gives you a compass to chart your own course to compete with disruptors and win. **Digital**

Vortex Michael Wade, 2018 **International Management Behavior** Henry W. Lane, Martha L. Maznevski, 2019-01-30 Now in its eighth edition, this is the textbook for current and future global leaders wanting to lead competently and sustainably in their business practices. Fully updated, the authors build on their forty years of teaching, researching, and working with managers worldwide to bring students the latest developments in global business practice. Now including end-of-chapter reflection questions to guide topic comprehension and directed further resources to assist individual research, this edition also sees the return of Ivey Business School and IMD cases in the book. This edition also includes a new conception of mindful global leadership as the integrating framework for execution of global strategy, highlighting the importance of a holistic approach to working across cultures and distance. Combining a wealth of theoretical knowledge with real-world examples from diverse cultures, countries, and industry sectors, the practical guidance and well-chosen examples throughout the book bring key concepts to life. *The Digital Transformation Playbook - SECOND Edition* PMI, 2023-09-01 *The Digital Transformation Playbook* What You Need to Know and Do is an indispensable resource for you and your organization as you embark on the exciting and challenging journey of digital transformation.
