Digital Bank Strategies To Launch Or Become A Digital Bank:

Digital Bank: Strategies to launch or become a digital bank Chris Skinner, 2014-05-15 Digital Bank tracks the innovations in banking and how the mobile internet is changing the dynamics of consumer and corporate relationships with their banks. The implication is that banks must become digitised and that is a challenge as becoming a Digital Bank demands new services focused upon 21st century technologies. Digital Bank not only includes extensive guidance and background on the digital revolution in banking but also in depth analysis of the activities of incumbent banks such as Barclays in the UK and mBank in Poland as well as new start ups such as Metro Bank and disruptive new models of banking such as FIDOR Bank in Germany. Add on to these a comprehensive sprinkling of completely new models of finance such as Zopa and Bitcoin and you can see that this book is a must have for anyone involved in the future of business commerce and banking. Chris Skinner is best known as an independent commentator on the financial markets through the Finanser www.thefinanser.com and Chair of the European networking forum The Financial Services Club which he founded in 2004. He is the author of ten books covering everything from European regulations in banking through the credit crisis to the future of banking and is a regular commentator on BBC News Sky News and Bloomberg about banking issues.
