Playwriting Across The Curriculum Claire Stoneman, Caroline Jester, 2013-03-01 First Published in 2012 This book is a guide to introducing the craft of playwriting into the secondary English curriculum at key stage 3 using the TEEP Teacher Effectiveness Enhancement Programme framework The authors also provide a particular focus on applying this versatile scheme of work to other areas of the curriculum including Citizenship and PSHE Playwriting Across the Curriculum also contains schemes of work for pupils with special educational needs SEN pupils with English as an additional language EAL adaptation to Adult Literacy Core Curriculum Its coverage of specific plays as part of the scheme ensures that students will engage with contemporary writing in their learning This is an essential resource for anyone wanting to teach playwriting at secondary school level

GCSE English Joanna Crewe, 2003 **Defining Literary Criticism** Carol Atherton, 2005-09-27 Outlining the controversies that have surrounded the academic discipline of English Literature since its institutionalization in the late nineteenth century this important book draws on a range of archival sources It addresses issues that are central to the identity of academic English how the subject came into existence and what makes it a specialist discipline of knowledge in a manner that illuminates many of the crises that have affected the development of modern English studies Atherton also addresses contemporary arguments about the teaching of literary criticism including an examination of the reforms to A Level literature

How to Read Texts Neil McCaw, 2013-09-26 Now in its second edition How to Read Texts introduces students to key critical approaches to literary texts and offers a practical introduction for students developing their own critical and close reading skills Written in a lively jargon free style it explains critical concepts approaches and ideas including Debates around critical theory The role of history and context The links between creativity and criticism The relationship between author reader and text The new edition now includes guidance on analysing a range of multi media texts including film and online media as well as the purely literary In addition to new practical examples readings exercises and checkpoints that help students to build confidence in their own critical readings of both primary and secondary texts the book now also offers guidance on writing fully formed critical essays and tips for independent research Comprehensively updated and revised throughout How to Read Texts is an indispensable guide for students making the transition to university study

Drafting and Assessing Poetry Sue Dymoke, 2003-04-14 Based on theory but with a practical dimension the book engages readers in current critical debates about poetry teaching and its place in an assessment driven curriculum

The Complete Guide to Becoming an English Teacher Stephen Clarke, Paul Dickinson, Jo Westbrook, 2004-03-22 I could not help but admire the breadth and scope of this text This is a book I would recommend to all no matter what route they take to train as a teacher of English It is aimed at secondary teachers but would be equally useful for those preparing to teach in further education Not only does it provide concise and balanced accounts of key pedagogic issues it also includes a range of interesting and engaging lesson suggestions This book does cover a lot of ground with excellent chapters on planning

assessment teaching reading and teaching poetry This is a text that should accompany every student teacher of English and find its way on to the shelf of all practising teachers This book excited me It is written in a style that makes you want to try out activities and take up challenges This book will encourage the student teacher to embrace the subject of English along with its associated values and debates ESCalate Read the full review as posted on the ESCalate website the Education Subject Centre for the Higher Education Academy If I was training to teach English today this is the book I would want an extraordinarily professional handbook of good practice Compiled by a team of university lecturers it admirably demonstrates the way theory and practice can combine to illuminate the carried demands of being and English Teacher today Geoff Barton Times Educational Supplement Teacher Magazine I was most impressed Anyone following the modules as they are would learn a huge amount and benefit so much from them Donna Bryant Deputy Head Camborne School and Community College Cornwall The activities were both challenging and rewarding These would be useful and would promote self reflection and the notions of personal progression and goal setting for the student Alan Jones Assistant Headteacher Simon Langton Boys School Canterbury This is a complete guide to how to become a successful teacher of English in secondary school The book enables readers to design a tailor made programme to suit their individual needs as a student teacher Either the learner or the tutor can select or combine units and activities and there is no assumption of prior knowledge This book is based on innovative teaching material developed by four institutions of higher education which has been used to develop student teachers Based on proven teaching success and the authors own experiences of teaching English in secondary schools the book s key features include full coverage of the Revised Standards for Qualified Teacher Status including creative approaches to delivering the framework for teaching English years 7 8 and 9 the cultural historical social and political models which support the English teaching curriculum English teaching for the development of an on going working pedagogy recognizing the need for dialogue and interaction with both theory and practice Inclusion Equal Opportunities Assessment and ICT included throughout with recognition of the importance of digital literacies This is an essential book for English student teachers on flexible graduate registered training schemes and traditional PGCE programmes It is an essential resource guide for their tutors for practising English teachers who want to update their skills and for those doing Continuing Professional Development Diplomas Masters Level work or PhDs *AQA GCSE English/English Literature Coursework File* Jackie Bivens,David Stone,John Law,2002 Oxford University Press is delighted to be publishing the Best Words anthology for AQA Specification B GCSE English Literature After extensive research to discover exactly what kind of resorces teachers want to accompany the Specifications we are proud to present our resources to you BLRingbinder with photocopyable masters and notes easy to useBLCovers all coursework requirements and can be usd for crossover piecesBLIncludes examples and explanations to guide you through the whole processBLContains flexible resources adapt them to your own assignmentsBLSupports students each step of the way ideal for independent workBLCorrelates tasks to
