Gang War:

Gang War Peter Walsh, 2016-04-07 **The Truce** Karen Umemoto, 2018-07-05 This ethnography of a gang war in the Los Angeles neighborhood of Oakwood just blocks from the famed Venice Beach boardwalk provides a rare eyewitness account of the urban violence pervasive in the recent history of the United States With seventeen people killed and more than fifty injured the hostilities over ten months in 1993 and 1994 marked the peak of gang violence in the history of Los Angeles a city once labeled the gang capital of the nation The conflict began as a quarrel among individuals some of whom had gang affiliations Over time the feud engulfed families and soon grew into a sustained clash between African American and Latino gangs Eventually victims fell who were not members of opposing gangs but who fit certain racial and gender profiles The conflict began to take on the attributes of what one local newspaper sensationalized as a race war Karen Umemoto lived nearby during this conflict and undertook two years of ethnographic research during and immediately following the spate of killings She now offers a nuanced analysis of the trajectory and eventual end of this acute crisis Her interviews with gang members neighborhood residents business leaders police officers and gang intervention workers reveal the complexity of contemporary American urban conflict The Truce highlights the differences in interpretations among combatants witnesses and law enforcement agents and others whose actions often had unintended consequences Drawing on her experience living in multicultural Los Angeles and on the latest scholarship in a wide variety of disciplines Umemoto provides much needed guidance for policymakers and concerned members of the public faced with violence in an ever changing urban landscape

The Hidden War Susan J. Popkin, 2000 Describes what it is like to live in some of the worst neighborhoods in the United States and discusses what government officials can do to improve the safety and quality of public housing developments

No Gang War in '74 Samuel C. Say, 2013-02-28 Representative Chaka Fattah and Councilman Curtis Jones Jr went through the House of Umoja and were witnesses to the transformational process of young people who identified with individual gangs Many of these gangs were started in the fifties and expanded throughout the sixties However in 1968 gang warfare became much more deadly Once the body counts went up gangs wanted to even the score It took two dedicated parents who were not only concerned about their own children but their community as well to set in motion a transformational process which started with their own house and in five years ripped across the city Through these well organized gangs young people had seen the mean things they could do to each other David and Falaka Fattah showed them the beautiful things they could do the importance of community and civic duty They connected them with both family and African tradition This is a story that must be told and cannot be forgotten Gangs Jacqueline Schneider, 2017-11-30 The task of researching gangs is fraught with difficulties central to which are issues of definition and reliance on certain forms of data for analyses These methodological issues have been acknowledged as limitations in most of the existing research but they have not been explored as being potentially serious flaws contributing to the proliferation of myth or as aggravating

factors that exacerbate what is essentially a relatively uncomplicated social process Also unclear from existing studies is the extent to which suppositions about gangs feed moral panics or contribute to the misidentification or over specification of a problem This captivating volume focuses on gangs their formation identity and behaviour with a view to developing a preventive strategy

The Ranger: The Fight Back Begins Lee Smith, 2014-01-13 Arlingston a town in chaos the streets are overrun by the gangs and the schools are controlled by the thugs The law fails as the crime rate rockets and the drug abuse escalates In a town torn apart by gang wars where hope is just a word and danger is all around this story follows a troubled outcast a delinquent stubborn womanising teenager called Luke Sanders who vows to turn his life around and help his friends stand up against the ruthless bullies and thugs that unleash terror and prey on the weak and the vulnerable When Luke sees his friends suffer at the hands of the gangs he sets out to fight back not only as himself but as a vigilante known as the Ranger taking on the underworld that delve in drugs blackmail and murder As the battle ignites a mysterious crime lord emerges thrusting Luke and his friends into a world of anarchy Yet the town of Arlingston finds that bit of hope in Luke Sanders the Ranger for the fight back against the armies of the night is set to begin

Street Wars Walter Bailey, 2014-05-19 I was born and raised in the City of Philadelphia PA the City known famously throughout the world as the City of Brotherly Love But for me growing up as a young boy and countless others it was a City more infamously known as the City of Brotherly Hate It was during the late 60s a time that will live with me for the rest of my life A time of great music the Temptations the Supremes Smokey Robinson and the Miracles just to name a few A time world history was being made by men like Buzz Aldrin of Apollo 11 landing upon the Moon A time the world would suffer the tragic loss of three great men the assassination of Dr Martin Luther King President John F Kennedy and his brother Robert F Kennedy And also a time when street gangs of Philadelphia plagued the city with death and violence I was a part of that gang culture I was a member of one of the largest gangs in West Philadelphia the 56th Cedar Avenue gang A violent gang of sociopathic drug addicts alcoholics and killers They were my family my friends my peers my gang members and some my heros I make no excuses for my being a part of this violent gang culture There were no Doctors lawyers or wealthy business men who lived in my neighborhood The people who had the wealth the money the finer things in life were the Pimps the Hustlers the Drug dealers They were the people I admired the most and I wanted to be just like them And so I would spend the most part of my youth in a world of street hustling drug dealing and most of all in a gang of violence and death This is not just my story it is the story of countless others who are no longer here to tell it I by the grace of God did survive and I am compelled to tell this true story Not just for myself but for the countless others who did not survive the violence of street gangs And for anyone else my story may save from a world of violence and death

Gang Nation Monica Brown, 2002 Explores how Latino gang culture mirrors the most destructive aspects of the American Dream through a look at novels and memoirs There s a place for us Somewhere a place for us With the emergence of a rich body of literature chronicling the experiences of Latino and Latina

gang members popular understanding of this outlaw culture has advanced far beyond West Side Story. However, the diverse works discussed in this important book ranging from the breakthrough 1967 memoir *Down These Mean Streets* and the crime novel *Carlito's Way* to the play *Zoot Suit* and the World War II era historical novel *Don't Spit on My Corner* to more recent works such as *Always Running*, *La Vida Loca*, *Gang Days in L.A.* and Chicana gang narratives like *Locas* and *Two Badges* all share with the award-winning musical a crucial discourse on nationality, citizenship and belonging. In *Gang Nation*, Monica Brown offers a sophisticated analysis of these narratives produced by former gang members and by outside observers writing within the Latino community. She examines the ubiquity of language and behavior within this literature that reveal the frustrated longings within gangs for greater participation in America's national culture and the desire of members to craft an alternative environment in which they are welcome. Through literature and memoirs written from within the culture, Brown illustrates how these youth mimic the rhetoric and rituals of American nationalism's most destructive aspects: intense territoriality, justification of violence and cultural chauvinism to assert their citizenship in an alternative nation. Before now, studies of gang culture have centered on either the choices of individual members or the social forces that inspire their unfocused rage. But through Latino and Chicano gang literature, Brown provides a more nuanced portrait of that culture, one that raises broader concerns about dominant nationalism, civil rights, the criminalization of urban youth of color and the often unfulfilled sense of communal identity and acceptance among American youth.

Punishment in Latin America Luiz Dal Santo, Máximo Sozzo, 2024-11-21 Challenging the Northern-centric approach that has dominated the literature on punishment and society, this collection draws on innovative theoretical perspectives to make sense of punishment, penal trends, institutions and practices in peripheral settings, taking Latin American countries as its case studies.

The Casino, Card and Betting Game Reader Mark R. Johnson, 2021-12-30 Casino games and traditional card games have rich and idiosyncratic histories, complex subcultures and player practices and facilitate the flow of billions of dollars each year through casinos and card rooms and between professional players and amateurs. They have nevertheless been overlooked by game scholars due to the negative ethical weight of gambling, with such games pathologized and labelled as deviance or mental illness. Few look beyond to unpick the games, their players and their communities. *The Casino, Card and Betting Game Reader* offers 25 chapters studying the communities playing these games, the distinctive cultures and practices that have emerged around them, their activities and beliefs and interpersonal relationships and how these games influence both positively and negatively the lives and careers of
