

A STORY

DISQUIET

JULIA LEIGH

author of THE HUNTER

"Julia Leigh is a sorceress. Her deft prose casts a spell of serene control while the earth quakes underfoot." —TONI MORRISON

Disquiet English Edition

Karin Nielsen-Saines

Disquiet English Edition:

The Book of Disquiet Fernando Pessoa, 2002-05-30 With its astounding hardcover reviews Richard Zenith's new complete translation of THE BOOK OF DISQUIET has now taken on a similar iconic status to ULYSSES THE TRIAL or IN SEARCH OF LOST TIME as one of the greatest but also strangest modernist texts An assembly of sometimes linked fragments it is a mesmerising haunting novel without parallel in any other culture

The Book of Disquiet Fernando Pessoa, 2018-08-02 The Book of Disquiet is one of the great literary works of the twentieth century Written over the course of Fernando Pessoa's life it was first published in 1982 pieced together from the thousands of individual manuscript pages left behind by Pessoa after his death in 1935 Now this fragmentary modernist masterpiece appears in a major new edition that unites Margaret Jull Costa's celebrated translation with the most complete version of the text ever produced It is presented here for the first time in English by order of original composition and accompanied by facsimiles of the original manuscript Narrated principally by an assistant bookkeeper named Bernardo Soares an alias of sorts for Pessoa himself The Book of Disquiet is the autobiography of someone who never existed a mosaic of dreams of hope and despair a hymn to the streets and cafés of 1930s Lisbon and an extraordinary record of the inner life of one of the century's most important writers This new edition represents the most complete vision of Pessoa's genius

Lusosex Susan Canty Quinlan, Fernando Arenas, Some of the most compelling theoretical debates in the humanities today center on representations of sexuality This volume is the first to focus on the topic in particular the connections between nationhood sex and gender in the Lusophone or Portuguese speaking world Written by prominent scholars in Brazilian Portuguese and Lusophone African literary and cultural studies the essays range across multiple discourses and cultural expressions historical periods and theoretical approaches to offer a uniquely comprehensive perspective on the issues of sex and sexuality in the literature and culture of the Portuguese speaking world that extends from Portugal to Brazil to Angola Cape Verde and Mozambique Through the critical lenses of gay and lesbian studies queer theory postcolonial studies feminist theory and postmodern theory the authors consider the work of such influential literary figures as Clarice Lispector and Silviano Santiago An important aspect of the volume is the publication of a newly discovered and explicitly homoerotic poem by Fernando Pessoa published here for the first time in the original Portuguese and in English translation Chapters take up questions of queer performativity and activism female subjectivity and erotic desire the sexual customs of indigenous versus European Brazilians and the impact of popular music as represented by Caetano Veloso and others on interpretations of gender and sexuality Challenging static notions of sexualities within the Portuguese speaking world these essays expand our understanding of the multiplicity of differences and marginalized subjectivities that fall under the intersections of sexuality gender and race

The absurd in literature Neil Cornwell, 2013-07-19 Neil Cornwell's study while endeavouring to present an historical survey of absurdist literature and its forbears does not aspire to being an exhaustive history of absurdism Rather it pauses on certain historical moments

artistic movements literary figures and selected works before moving on to discuss four key writers Daniil Kharms Franz Kafka Samuel Beckett and Flann O'Brien The absurd in literature will be of compelling interest to a considerable range of students of comparative European including Russian and Central European and English literatures British Isles and American as well as those more concerned with theatre studies the avant garde and the history of ideas including humour theory It should also have a wide appeal to the enthusiastic general reader The Poetics of Translation Geneviève

Robichaud, 2024-07-15 Translation is a vital method of not just reading but writing and forms the basis of an exciting range of critical artistic and literary opportunities Combining close readings of literary texts alongside astute critical observations from works by Avital Ronell and Walter Benjamin amongst others The Poetics of Translation re-examines key translation studies concepts challenging our sometimes pragmatic understanding of translation and asking what it is that the discipline can make visible By highlighting the possibilities of translation as an art form in contemporary innovative writing practices Geneviève Robichaud reveals translation's creative and critical potential arguing that even those literary works that are not exactly translations gain in being apprehended as such The Poetics of Translation values oblique even unfinished sources of meaning dwelling in the speculative spaces of texts and drawing attention to translation as poesis as creating that which is tangible and valuable Situated at the juncture of translation poetics and literary studies the book celebrates the uncertainty of translation the plasticity of language and ideas and the desire to interpret rather than reiterate **Students' edition of**
