Dream Year Ben Arment, 2014 Some people are content to help fulfill the dreams of their employers But my guess is you're not one of them You were born with a dream of your own And this year you're doing something about it Somewhere along your road to adulthood you pushed your dreams to the side You had to pay bills You feared taking a risk on yourself And so you settled into an unfulfilling perhaps even unpleasant career If it's any comfort you're far from alone 66 percent of Americans hate their jobs But what if someone could guide you step by step as you identify plan and launch your dream career in just one year That's what Ben Arment does in his transformative coaching class which has helped hundreds of people reinvent their lives to enjoy greater enthusiasm and fulfillment while also making a living Now he's sharing his best insights advice and

inspiring true stories in Dream Year You ll find out how people just like you are discovering or rediscovering what they were truly born to do then following a proven process to make it real And you ll meet men and women such as Chuck Templeton who created an online reservation system OpenTable that now serves more than thirty thousand restaurants worldwide Katie Strandlund who launched her own event planning business and developed a full and deeply gratifying client list Fabien Riggall who combined his love for film and theater into a unique experience called Secret Cinema which has reached 120 000 people Hilary Barnett who started a social media company that now employs several team members and creates content for national brands There s no dream too big to be beyond the power of the Dream Yearprocess But before you conclude that this all sounds terrifyingly risky consider Arment s wise words Worst case scenarios rarely happen And even when they do they re not as bad as we think In fact what most of us call a worst case scenario is often just a reduction in our standard of living If it becomes as bad as you d feared you can always get another job You can recover your life savings You can get your dignity back But you can never recover what you never tried at all The employee mind set is disappearing like the factories where it was born We ll all expire if we wait for some force outside ourselves business or government to bring us jobs or teach us who we are or how we ought to live Ben Arment s Dream Year is a powerful launching pad for that mental reboot Start here Steven Pressfield author of The War of Art Do the Work and The Legend of Bagger Vance Ideas alone aren t sufficient it s what you do with them that counts If you have a brilliant idea but aren t sure where to begin Dream Year will show you step by step how to make it reality Todd Henry author of Die Empty and The Accidental Creative Ben s concept of frustration s unexpected role in our passions was absolutely brilliant I literally clapped out loud when I read that section Best part That was only chapter one Everything else that followed was just as awesome which is not surprising given that Ben spent years honing these ideas with real people who have real dreams People like you and it turns out people like me too Jon Acuff author of Start Punch Fear in the Face Escape Average and Do Work That Matters
