The Department of Foreign Affairs and Trade (DFAT) provides the following legalisation services in Australia:

- **Authentications**
- **Apostilles**
- **Certificates of No Impediment to Marriage (CNIs).**

Authentication and Apostilles

Foreign governments sometimes need proof that the signatures of Australian officials on public documents are genuine before they can be accepted. DFAT will certify that a signature, stamp or seal on an official Australian public document is genuine by checking it against a specimen held on file, and provide a certificate (stamp) in the form of an 'Authentication' or an 'Apostille' stating certain facts. The Authentication or Apostille is then signed by DFAT staff and sealed with a wet and a dry seal. Private documents and copies that have been certified by an Australian Notary Public can also be presented to us for an Authentication or an Apostille.

- **You should check first with the Embassy or Consulate of the country in which you will present your document (s) whether you require EITHER an Authentication OR an Apostille.** The DFAT website provides a list of foreign Embassies and Consulates in Australia to assist you to confirm these requirements.
- Our staff can only verify the signatures, seals and stamps of Australian government officials, or Australian Notaries Public (not Justices of the Peace or Commissioners for Declarations).
- Where a private document or photocopies of government documents are to be used overseas, they must first be certified by an Australian Notary Public (a specially qualified lawyer) but you should make sure the foreign government will accept a copy. Locations and contact details for Australian Notaries Public are available from the Yellow Pages or Society of Notaries Public (links are available at [Smartraveller smartraveller.gov.au](http://smartraveller.gov.au)).

Certificates of No Impediment (CNI)

If you intend to marry overseas you should check first with the relevant foreign Embassy or Consulate to confirm whether a CNI is required, if it can be issued from within Australia and if it needs any additional legalisation (Authentication or Apostille). Many foreign authorities will only accept CNIs issued by the Australian Embassy, High Commission or Consulate within their country.

Further information, including the CNI application form and the list of supporting documents required, is available on the Smartraveller website. You should ensure you submit all relevant supporting documentation for your application. We will not accept incomplete applications.

Federal Civil Judicial Procedure and Rules, 2007 Understanding and Using Dbase Iii (including Dbase Ii). Steven C. Ross, 1986 *Decolonising Intellectual Property Law* Jade Kouletakis, Nkem Itanyi, 2025-09-30 This book advocates for an Afrocentric approach to intellectual property (IP) law using lessons from Nigeria's past to encourage reform for the future of Africa's legal IP landscape. Highlighting the Eurocentric influence on the history of intellectual property law in Africa, the book demonstrates how this contradicts traditional African community culture. This book makes the case for legitimising cultural expressions of traditional communities despite the western legal framework within which they exist, reimagining a decolonised IP framework whereby African histories are centred. Questioning the fundamentals of the current IP landscape such as the concept of eligibility in copyright which developed alongside European technological advances, the book also details the role of the courts in resolving IP disputes. It highlights Africa as a powerhouse of original autonomous innovation, values and traditions which predate the West's concept of intellectual property. It illustrates the African experience of intellectual property from a pro-African perspective as shared by African authors. This book will be of interest to researchers in the field of intellectual property, copyright and patent law, as well as African law.
