

01 Introduction

The practice of branding - in the original literal sense of marking by burning - is thought to have begun with the ancient Egyptians, who are known to have engaged in livestock branding as early as 2700 BCE.

Branding was used to differentiate one person's cattle from another's by means of a distinctive symbol burned into the animal's skin with a hot branding iron.

Brand equity is the measurable benefit of a brand's worth and is calculated by observing the effect that each of these branding components has on the consumer. Branding is used to increase customer satisfaction and customer loyalty with the effect of reduced price sensitivity.

When a customer is familiar with a brand or service, it incorporates its components. A corporation that received a high level of brand equity. Brand equity is the value that a brand has over an unbranded product.

02 Strategy

Brand equity is the measurable benefit of a brand's worth and is calculated by observing the effect that each of these branding components has on the consumer.

Branding

Branding is a name, look, design, symbol or any other feature that distinguishes one entity's goods or services from those of other entities.
