A World of Art Henry M. Sayre, 2014 Henry Sayre s art appreciation text *The World of Art* is an amazing introduction to the world of art Students with little background in the arts routinely reach out to Henry to share how the text has influenced their lives This is so meaningful because Henry s inspiration for *A World of Art* was his own students His students wanted to see themselves reflected in their textbook Henry decided to write an art appreciation textbook that represented all artists not just the Western canon found at that time in the other texts He also created a text that fostered critical thinking through looking at talking about and questioning works of art for his students

A World of Art Henry M. Sayre, 2004

For courses in Art Appreciation, *A World of Art* teaches students how artists create by helping them understand that creativity starts with critical thinking. By guiding students through a rich array of aesthetic elements and artistic media along with an overview of art history, this text encourages students to develop an appreciation for a diverse range of art. Author Henry M. Sayre demystifies the creative process by showing how artists use critical thinking and problem solving to create great works of art. Studying art also requires critical thinking and problem solving, and this text shows students how to use these skills to understand and explore the world of art.
