Behaviour Stephen Robbins,Timothy A. Judge,Bruce Millett,Maree Boyle,2013-08-20 Robbins Leading the way in OB Organisational Behaviour shows managers how to apply the concepts and practices of modern organisational behaviour in a competitive dynamic business world Written and researched by industry respected authors this continues to be Australia s most popular text for introductory courses in organisational behaviour A new suite of learning and teaching resources that will excite future managers and inspire critical thinking accompanies the text Principles and Practices of Management and Organizational Behavior Chandrani Singh,Aditi Khatri,2024-02-13 This book offers perspectives insights techniques and approaches for efficient and contemporary management practices in an organization It provides a comprehensive insight into the traditional and contemporary approaches of organizational behavior and their impact on organizational performance in the global era Ranging from planning to staffing and controlling to strategic decision making the case studies in the book incorporate relevant modern management models and correlate practices of management from organizational perspectives

to allow any organization's direction and environment to be evaluated with suggested recommendations. This textbook consists of two broad parts. The first deals with management trends and functions ranging from the traditional era to the contemporary world. The second part explores the behavioral trends of organizations across domains to analyze the measures taken for improved productivity and sustainability. Drawing theories from psychology, sociology, and economics, this book probes into the interrelation between behavior and holistic management by examining the impact of teamwork, motivation, organizational power, and polity, instituting relevant organizational ethics and strategies to create a healthy organizational culture. This book will be useful to students, academicians, management researchers, and industry professionals from the field of general management and organizational behavior. It will also be useful for scholars interested in management studies, behavioural studies, business and development, developmental studies, sociopsychology, management, and business strategies.

Myles Professional Studies for Midwifery Education and Practice Jayne E. Marshall, 2019-04-15. Myles Professional Studies for Midwifery Education and Practice: Concepts and Challenges explores the non-clinical areas of the midwifery curriculum, e.g., law, ethics, leadership, employer-led supervision, and professional development in a helpful, user-friendly format brought to readers by a team of experts under the guidance of Jayne Marshall, editor of Myles Textbook for Midwives. The volume will be suitable for all student midwives, whether undertaking pre-registration education programmes or post-graduate studies, as well as practising midwives preparing for revalidation and/or undertaking CPD. Whilst prepared predominantly by contributors from the UK, Myles Professional Studies for Midwifery Education and Practice: Concepts and Challenges will be suitable for an international readership. Specialist contributors ensure accuracy and currency of key information. Underlying theory supported by a rich array of helpful learning features, such as real-life case studies and reflective activities. Includes the latest initiatives, such as employer-led supervision and the principles of coaching. Includes a section on the ICM and EU standards of education and international regulation covering the USA, Australia, New Zealand, Africa, Denmark, and Norway. Explores the global context of the midwife's scope of practice with specific examples from the UK, Canada, and the USA. Includes discussion of CPD and overseas careers opportunities. Annotated reading lists and significant websites provide additional sources of information.
