Drug Abuse Among Students:

Drug Abuse Among Students Anu Singh Lather,1993 *The Effect of Drug Abuse and Addiction Among Secondary School Students* Zahraddeen Adam,2020-02-26 Bachelor Thesis from the year 2019 in the subject Didactics Social Studies Civics grade 5 language English abstract Problem of drug abuse among secondary schools is one of the major social problems It affects significant number of students and therefore intervention is required It is within this context that the researchers embarked purposefully on the study of present study effect of drug abuse and addiction among secondary school students in Nassarawa local government area Kano state Methods used in collecting data were distribution of questionnaires to respondents Additionally documentary materials such as books newspaper internet leaflet journals related to drug abuse among students were reviewed Data obtained were analysed by using simple percentage This package was used because the study was explorative and it draws conclusions opinions and confirmations from nature According to empirical findings the causes of drug abuse among students are evident among Boredom with academic work or domestic activities students that are not doing very well in school are not friends of lecturers easily get disinterested and tired with academic work So to get occupied with pleasant thoughts and activities they indulge in the use of hard drugs peer group influence is also one of the strongest motives which drive students into drug abuse **College Drinking and Drug Use** Helene Raskin White,David L. Rabiner,2011-12-07 Substance use among college students can result in serious academic and safety problems and have long term negative repercussions This state of the art volume draws on the latest research on students alcohol and drug use to provide useful suggestions for how to address this critical issue on college campuses Leading researchers from multiple disciplines examine the prevalence and nature of substance use by students biological and neuropsychological considerations psychological and social aspects prevention and policy Exemplary programs are presented including brief interventions comprehensive prevention programs and recovery support programs enhancing the utility of the book for campus based clinicians and administrators *A Survey of the Rate of Drug Abuse* Ricky Dale Head,1984 *Student Drug and Alcohol Abuse* Richard L. Towers,1987 This book was written to help school personnel combat drug and alcohol abuse among students It gives readers a basic understanding of drugs and their effects on the mind and body The stages of chemical dependency and the vocabulary of the drug scene are reviewed and reasons that children and adolescents take drugs are discussed Signs of student drug use are presented The interrelationships of drug use behavior problems eating disorders chronic truancy teenage pregnancy running away and delinquency are noted The book emphasizes the importance of schools working with parents students government and business to combat student alcohol and drug abuse The major part of the book focuses on methods of preventing student drug and alcohol abuse and what to do when abuse occurs It includes descriptions of activities materials and programs that schools nationwide have found useful The book also presents an overview of treatment programs and reviews the school s role in aftercare and reentry to school for recovering drug abusers

Relevant information is appended including lists of State Drug Abuse Prevention Agencies and other organizations to contact for help References are given and a bibliography of both professional and student resources is included NB *Drug Use Among American High School Students, College Students, and Other Young Adults*, 1975 *Student Drug Testing* Patty Jo Sawvel, 2009-06-26 President Bush's 2006 budget earmarked 25.4 million dollars for increased drug testing of public school students Proponents claim that drug testing reduces illegal drug use among students and gives students an alibi for not using Opponents claim that drug testing is ineffective at best and possibly even harmful Testing can foster distrust push students toward drugs that aren't screened for and inhibit student participation in extracurricular activities This volume provides a compilation of articles and essays that take opposing viewpoints on the issues of teen drug testing Essay sources include the White House Office of National Drug Control Policy Drug Detection Report Amitava Dasgupta and Robert L DuPont

Prevalence of Drug Abuse Among Students in Pinellas County Pinellas County (Fla.). School Board, Juvenile Welfare Board of Pinellas County, Operation PAR, Inc, 1996 **Drugs and Society** Glen Hanson, Peter Venturelli, Annette Fleckenstein, 2009 The Tenth Edition of *Drugs and Society* clearly illustrates the impact of drug use and abuse on the lives of ordinary people and provides students with a realistic perspective of drug related problems in our society Written in an objective and user friendly manner this best selling text continues to captivate students by incorporating personal drug use and abuse experiences and perspectives throughout Statistics and chapter content have been revised to include the latest information on current topics Alcohol and Other Drug Abuse Among First-Year College Students. Infofacts Virginia Ross, William DeJong, 2008 Although any new undertaking is exciting because of the opportunities it may bring the transition to college life also brings new pressures and uncertainties From the shelter of home young people emerge into a new culture with a new environment for success Here they are their own masters often far from the vigilance of parents and the strictures of tightly scheduled school days As they take this step toward independence they face the temptation to celebrate their newfound freedom test limits and perhaps escape from new pressures through alcohol and other drugs This guide addresses three questions 1 How serious is the problem of alcohol and other drug use among first year students 2 What developmental and environmental factors make the first year of college a time of greater vulnerability and 3 How can prevention professionals help students successfully negotiate the sometimes perilous transition from high school to college life Contains 1 figure and 4 online resources Drug Abuse in the New York City Schools United States.
