Business Software Directory, 1986 **The Practical Guide to People-Friendly Documentation** Adrienne Escoe, 2001-06-30 This innovative guide brings together practical solutions to the documentation challenges faced by today's organizations. From company policies and desk instructions to Baldrige and the ISO 9000 requirements, it applies a customer and quality based systems approach to streamlining and managing your documentation system. This second edition is an organized toolbox of powerful methodology and metrics that shows companies how to steer clear of cumbersome and obsolete documentation and gives numerous examples of the tremendous opportunities and pitfalls presented by technology such as the Internet and web based documentation management software. The Society for Technical Communication (STC) awarded this book the Touchstone 2001 award.

Healthcare Information Management Systems Marion J. Ball, Charlotte Weaver, Joan Kiel, 2013-03-14 Healthcare Information Management Systems Third edition will be a comprehensive volume addressing the technical, organizational and management issues confronted by healthcare professionals in the selection, implementation and management of healthcare information systems. With contributions from experts in the field, this book focuses on topics such as strategic planning, turning a plan into reality, implementation, patient centered technologies, privacy, the new culture of patient safety and the future of technologies in progress. With the addition of 28 new chapters, the Third Edition is also richly peppered with case studies of implementation both in the United States and abroad. The case studies are evidence that information technology can be implemented efficiently to yield results yet they do not overlook pitfalls, hurdles and other challenges that are encountered. Designed for use by physicians, nurses, nursing and medical directors, department heads, CEOs, CFOs, CIOs, COOs and healthcare informaticians, the book aims to be an indispensable reference.
