Doms Guide To Submissive Training Vol 3 By Elizabeth Cramer:

Dom's Guide To Submissive Training Elizabeth Cramer,2015-03-06 A Dom sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to fit one another and create a lasting happy union, there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself. She will need to be trained for the best relationship to emerge. Dom's Guide to Submissive Training was specifically written for doms masters. It is designed to provide you with a step by step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well trained sub will not only serve you in the capacity you deserve but will have built up the two most important elements in any BDSM relationship: trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master who is in control, experienced and able to guide you both to the best possible life. **Dom's Guide To**

Submissive Training Vol. 3 Elizabeth Cramer,2015-03-08 You may think that every Master has a huge house filled with either gothic decor or fluffy white couches and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys and bondage gear. Fortunately, you don't have to pay a hundred dollars for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun. Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime or just an incredible bondage experience can be found right in your own home. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity. Dom's Guide to Submissive Training Vol 3 gives you 31 common objects you already own or can purchase for minimal cost and keep right out in the open that will enhance your BDSM relationship and provide you and your sub hours of pleasure. Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun: discretion. Not every person can be seen walking down the street or through an airport with a leather whip in his hand or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles or vanilla spouses. Common objects make it easier to engage in important rituals without detection. **Dom's Guide**

To Submissive Training Vol. 2 Elizabeth Cramer,2015-03-08 There are two foundational pillars of a BDSM relationship: between a Dom and a sub, consent and trust. Everything else in the relationship—the fun, the love, the discipline, the eroticism, the tears and the journey—are all built on those standards. Both consent and trust require honest communication in order to thrive. The vast majority of that communication begins long before the training begins. In Dom's Guide to Submissive Training Vol 2, I listed 25 things you must know about your new sub if you want to create a satisfying relationship with a devoted submissive. It's not enough to just ask, "What do you like?" or "Would you like to be my sub?" You need to know things about your sub that are deeper, more practical and helpful. Without the knowledge of these 25 things, you may be able to create

momentarily excitement but it will surly turn into a frustrating short term relationship headed for drama disaster and end Following this guide allows your sub to communicate freely and provides a mechanism for her to reveal her true self even if she doesn't have the words to do so There are a million things subs want their Doms to know These questions will help your sub tell you

There are a number of reasons a woman may choose online submission It's a good way to ease into the community by making friends and observing other people at a safe distance Creating an online persona allows women to keep their real names and identifiers private This not only helps maintain physical safety but also gives her the freedom to talk about sexual fantasies and naughty ideas without fearing judgment from other people or consequences on the job Online submission also allows for a sexual experience rooted in the world of fantasy A woman can take on any role or persona she wants and perform acts she

would not be willing or able to do in real life She can express emotion devotion and talk as dirty as she likes without feeling self conscious or uncomfortable While the scenarios sometimes described in online submission can be pure fantasy seemingly endless sexual romps with multiple orgasms and no pain or soreness the feelings of lust love loyalty friendship and arousal are all very real and can be a part of a vibrant sexual life This Submissive Training guide will take you into the world of online submission along with safety protocols and techniques for making the digital fantasy a physical reality You will also learn how to make the transition from online submission to a real life meeting

Care and Nurture for the Submissive Elizabeth Cramer,2015-03-05 Submission can be described by a lot of words but easy isn't one of them Discovering and honoring your desire to submit takes courage strength and passion Learning to follow the lead and rhythm set by another and stretching your limits to accommodate training and service can challenge and exhaust you The discipline to hold your tongue retrieve your paddle or wait around endlessly while knot after knot is being tied as part of a bondage ritual drains your energy Submission stretches taxes pushes and exposes your body and soul to the whim and desire of another Submissive women need support care and nurture to continue on this journey in a healthy fashion Care and Nurture for the Submissive offers tips understandings and pathways to tend the fragile and beautiful souls of submissive women Self care is not selfish it is essential Only when you are taking care of yourself as a healthy whole being can you give that self to another with a full heart and free joy

Submissive Training Vol. 2 Elizabeth Cramer,2015-03-06 Whether you have always dreamed about life in a collar or just discovered a desire to be sexually adventurous there is a place for you in the fetish world of submission The culture of kink once thought to be limited to couples who wore leather pants and played slap and tickle in the bedroom has grown into a varied and well defined umbrella for sexual identity Because fetish culture like all cultures grows

and changes with the people who practice it there are distinct roles and categories that developed to help women define their preferences and find like minded people and playmates Women in BDSM relationships no longer have to start with the basic tenets of submission to wrap that skin around their differences Now you can look into the whole spectrum of submissive behavior and find the place you feel most fulfilled and comfortable From women who enjoy the occasional bondage session handcuffed to their headboard to the girls who want to be fed out of a bowl and locked in a crate at night there is a place for everyone In this Submissive Training guide we will look at twelve subcultures of submission including the New Misogyny explaining the overall principles and practices of each one and illustrating the pros and cons inherent in each style of sexual diversity All people are different and you may not find one that covers everything you like or don t like but chances are you ll see something in one of these subcultures that makes you say That s what I want
