Matthew Arnold's the Study of Poetry, 2018 Ten Studies in the Poetry of Matthew Arnold Paull Franklin Baum, 1958 There are several reasons which justify a close study of Arnold's Poetry Many of the poems are deceptively simple for when he aimed at the plain severe style the result was sometimes obscure from over condensation and sometimes difficult from failure to achieve complete clarity Such poems demand explication in order to reveal either their full meaning or occasionally the faults of his method of composition Book jacket Matthew Arnold & His Poetry Francis Bickley, 1912

Matthew Arnold: a Survey of His Poetry and Prose Douglas Bush, 1971 The Poems of Matthew Arnold, 1849-1867 Matthew Arnold, 1909 *Selections from Matthew Arnold's Poetry* Matthew Arnold, 1928 The Poetry of Matthew Arnold Matthew Arnold, 1940 **Poetry and Criticism of Matthew Arnold** Matthew Arnold, 1961 **Matthew Arnold** Harold Bloom, 1987 Contains a representative selection of critical essays devoted to the poetry and prose of Matthew Arnold

Matthew Arnold George Robert Stange, 2015-12-08 Arnold is among the most inaccessible of 19th century poets a fact of which he himself was well aware Asking a great deal of his readers he expected them to share his remote excitements and to follow his complicated intellectual processes This study of Arnold's major poetic ideas defines their philosophical backgrounds through close and sustained reading of many individual poems Professor Stange finds that Arnold organized his examination of life around these central ideas poetry nature self and love He also considers Arnold's work in relation to the philosophical and literary events and traditions of the continent particularly Goethe's lyrics and classical humanism Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Matthew Arnold's Poetry--an Appreciation* Atherton Noyes, Charles Christopher Mierow, Elijah Clarence Hills, Roger Henwood Motten, 1915 **Matthew Arnold** Carl Dawson, 2005-08-12 First published in 1995 Routledge is an imprint of Taylor Francis an informal company **Matthew Arnold and the Romantics** Leon Gottfried, 2016-03-31 First published in 1963 Matthew Arnold grew up under the personal as well as literary influence of Wordsworth when Keats Shelley and Byron were dominant poetic forces and Coleridge a seminal thinker on social and religious problems However the great Romantics were not always positive influences This study attempts to provide an examination of Arnold by exploring and evaluating the full range of Arnold's reactions to the major Romantic poets over his whole career This title will be of interest to students of literature **The Poetry of Matthew Arnold** Douglas Allen Mathewson, 1965 **Selections from Matthew Arnold's Poetry** Matthew Arnold, 1966

This is to some extent recognised by writers Of histories and text books of literature and by editors of selections from the works Of our poets for place is always given by them to a certain amount Of biographical material But in the histories and text books the biography of a given writer stands by itself and his work has to be sought elsewhere the student being left to make the connection for himself while even in our current editions Of selections there is little systematic attempt to link biography step by step with production This brings us at once to the chief purpose of the present series In this biography and production will be considered together and in intimate association In other words an endeavour will be made to interest the reader in the lives and personalities of the poets dealt with and at the same time to use biography as an introduction and key to their writings About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
