Duramazwi :

Duramazwi Desmond Dale,1981 The companion volume to A Basic English Shona Dictionary is now widely available for the first time outside Africa It contains some 6 000 main entries and an additional 700 words derived or borrowed from other languages For each entry definitions in Shona and English translations are given Some introduction on the structure of the Shona language is provided **Duramazwi redudziramutauro nouvaranomwe** Herbert Chimhundu,Emmanuel

Chabata,2007 Dictionary of terms used in language and literature studies giving phonological and grammatical information as well as definitions variants and synonyms in Shona An English language listing of terms with their Shona equivalents is provided in the second part *Duramazwi ReChishona* Herbert Chimhundu,1996 A Shona dictionary *Language Matters in Contemporary Zimbabwe* Collen Sabao,Esther Mavengano,2024-06-17

Speaking to a broader global preoccupation with the state of languages and language development this book considers issues surrounding the diverse languages linguistic communities and cultures of Zimbabwe Reflecting on Shona Xitsonga Sotho Xhosa Tjwao Nambya IsiNdebele Nyanja Tshivenda English and Braille the book uncovers both the internal and external factors that impact language structures language use and language ideologies across the country The book considers how colonial legacies and contemporary language domination and minoritisation have led to language endangerment It considers the fate of communities whose languages are marginalised and in the process poses questions on what can and should be done to preserve Zimbabwean languages The authors offerings range across subjects as diverse as music linguistic innovation education human rights literature language politics and language policy in order to build a rich and nuanced picture of language matters in the country Coming at a critical moment of increasing mobility migration cultural plurality and globalisation this book will be an important resource for researchers across African literature linguistics communication policy and politics **Languages and Education in Africa** Birgit Brock-Utne,Ingse Skattum,2009-05-11

The theme of this book cuts across disciplines Contributors to this volume are specialized in education and especially classroom research as well as in linguistics most being transdisciplinary themselves Around 65 sub Saharan languages figure in this volume as research objects as means of instruction in connection with teacher training language policy lexical development harmonization efforts information technology oral literature and deaf communities The co existence of these African languages with English French and Arabic is examined as well This wide range of languages and subjects builds on recent field work giving new empirical evidence from 17 countries Botswana Ethiopia Ghana Kenya Madagascar Malawi Mali Mozambique Niger Nigeria Senegal South Africa Swaziland Tanzania Uganda Zambia and Zimbabwe as well as to transnational matters like the harmonization of African transborder languages As the Editors a Norwegian social scientist and a Norwegian linguist both working in Africa have wanted to give room for African voices the majority of contributions to this volume come from Africa *Dictionaries. An International Encyclopedia of Lexicography* Rufus Gouws,Ulrich Heid,Wolfgang Schweickard,Herbert Ernst

Wiegand,2013-12-18 The basis for this additional volume are the three volumes of the handbooks Dictionaries An International Encyclopedia of Lexicography HSK 5 1 5 3 published between 1989 and 1991 An updating has been perceived as an important desideratum for a considerable time In the present Supplementary Volume the premises and subjects of HSK 5 1 5 3 are complemented by new articles that take account of the practice internal and theoretical developments of the last 15 years Special attention has been given to the following topics the status and function of lexicographic reference works the history of lexicography the theory of lexicography lexicographic processes lexicographic training and lexicographic institutions new metalexicographic methods electronic and especially computer assisted lexicography **Festschrift Rufus**
