Citizen An American Lyric:

Citizen Claudia Rankine, 2014-10-07 Finalist for the National Book Award in Poetry Winner of the National Book Critics Circle Award in Poetry Finalist for the National Book Critics Circle Award in Criticism Winner of the NAACP Image Award Winner of the L A Times Book Prize Winner of the PEN Open Book Award ONE OF THE BEST BOOKS OF THE YEAR The New Yorker Boston Globe The Atlantic BuzzFeed NPR Los Angeles Times Publishers Weekly Slate Time Out New York Vulture Refinery 29 and many more A provocative meditation on race Claudia Rankine's long awaited follow up to her groundbreaking book *Don't Let Me Be Lonely* An American Lyric Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty first century daily life and in the media Some of these encounters are slights seeming slips of the tongue and some are intentional offensives in the classroom at the supermarket at home on the tennis court with Serena Williams and the soccer field with Zinedine Zidane online on TV everywhere all the time The accumulative stresses come to bear on a person's ability to speak perform and stay alive Our addressability is tied to the state of our belonging Rankine argues as are our assumptions and expectations of citizenship In essay image and poetry *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary often named post race society

Citizen: An American Lyric Stephen Sachs, Claudia Rankine, 2018-12-06 A searing poetic riff on race in America fusing prose poetry movement music and the visual image Snapshots vignettes on the acts of everyday racism Some of these encounters are slights seeming slips of the tongue and some are intentional offensives in the classroom at the supermarket at home on the tennis court with Serena Williams online on TV everywhere all the time Those did that really just happen did they really just say that slurs that happen every day and enrage in the moment and later steep poisonously in the mind And of course those larger incidents that become national or international firestorms As Rankine writes This is how you are a citizen

Don't Let Me Be Lonely Claudia Rankine, 2014-07-09 A brilliant and unsparing examination of America in the early twenty first century Claudia Rankine's *Don't Let Me Be Lonely* invents a new genre to confront the particular loneliness and rapacious assault on selfhood that our media have inflicted upon our lives Fusing the lyric the essay and the visual Rankine negotiates the enduring anxieties of medicated depression race riots divisive elections terrorist attacks and ongoing wars doom scrolling through the daily news feeds that keep us glued to our screens and that have come to define our age First published in 2004 *Don't Let Me Be Lonely* is a hauntingly prescient work one that has secured a permanent place in American literature This new edition is presented in full color with updated visuals and text including a new preface by the author and matches the composition of Rankine's best selling and award winning *Citizen* and *Just Us* as the first book in her acclaimed American trilogy *Don't Let Me Be Lonely* is a crucial guide to surviving a fractured and fracturing American consciousness a book of rare and vital honesty complexity and presence *Citizens Respond*, 2018 *Just Us* Claudia Rankine, 2020-09-08 FINALIST FOR THE 2021 ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN NONFICTION Claudia

Rankine's *Citizen* changed the conversation. *Just Us* urges all of us into it. As everyday white supremacy becomes increasingly vocalized with no clear answers at hand, how best might we approach one another? Claudia Rankine, without telling us what to do, urges us to begin the discussions that might open pathways through this divisive and stuck moment in American history. *Just Us* is an invitation to discover what it takes to stay in the room together, even and especially in breaching the silence, guilt, and violence that follow direct addresses of whiteness. Rankine's questions disrupt the false comfort of our culture's liminal and private spaces: the airport, the theater, the dinner party, the voting booth, where neutrality and politeness live on the surface of differing commitments, beliefs, and prejudices as our public and private lives intersect. This brilliant arrangement of essays, poems, and images includes the voices and rebuttals of others: white men in first class responding to and with their white male privilege; a friend's explanation of her infuriating behavior at a play; and women confronting the political currency of dying their hair blond. All running alongside fact-checked notes and commentary that complements Rankine's own text, complicating notions of authority and who gets the last word. Sometimes wry, often vulnerable, and always prescient, *Just Us* is Rankine's most intimate work, less interested in being right than in being true, being together.

The End of the Alphabet Claudia Rankine, 1998. Claudia Rankine's second poetry collection. *The End of the Alphabet* is an inquiry into despair and recovery, selfhood, and alienation.

A Companion to American Poetry Mary McAleer Balkun, Jeffrey Gray, Paul Jaussen, 2022-04-11. *A COMPANION TO AMERICAN POETRY*. A Companion to American Poetry brings together original essays by both established scholars and emerging critical voices to explore the latest topics and debates in American poetry and its study. Highlighting the diverse nature of poetic practice and scholarship, this comprehensive volume addresses a broad range of individual poets, movements, genres, and concepts from the seventeenth century to the present day. Organized thematically, the Companion's thirty-seven chapters address a variety of emerging trends in American poetry, providing historical context and new perspectives on topics such as poetics and identity, poetry and the arts, early and late experimentalisms, poetry and the transcendent, transnational poetics, poetry of engagement, poetry in cinema and popular music, Queer and Trans poetics, poetry and politics in the 21st century, and African American, Asian American, Latinx, and Indigenous poetries. Both a nuanced survey of American poetry and a catalyst for future scholarship, *A Companion to American Poetry* is essential reading for advanced undergraduate and graduate students, academic researchers, and scholars, and general readers with interest in current trends in American poetry.

Revisiting the Elegy in the Black Lives Matter Era Tiffany Austin, Sequoia Maner, Emily Rutter, Darlene Scott, 2019-12-09. *Revisiting the Elegy in the Black Lives Matter Era* is an edited collection of critical essays and poetry that investigates contemporary elegy within the Black diaspora. Scores of contemporary writers have turned to elegiac poetry and prose in order to militate against the white supremacist logic that has led to recent deaths of unarmed Black men, women, and children. This volume combines scholarly and creative understandings of the elegy in order to discern how mourning feeds our political awareness in this dystopian time as writers

attempt to see hear and say something in relation to the bodies of the dead as well as to living readers Moreover this book provides a model for how to productively interweave theoretical and deeply personal accounts to encourage discussions about art and activism that transgress disciplinary boundaries as well as lines of race gender class and nation The Rights War in Literature and Culture Jennifer Rickel,2025-07-31 Rights War tracks how the human rights framework is weaponized against the oppressed and it makes the case for the central place of literature in understanding this seizure of narrative control While literary humanitarianism depoliticizes suffering and positions the reader as a savior to traumatized Others Rights War shows how contemporary fiction by women of color and queer writers across the African diaspora engage innovative narrative paradigms to address structural inequities It analyzes strategies set out in this literature for disarming savior victimism which it identifies as a pernicious cultural phenomenon in which the powerful proclaim themselves saviors to and victims of those they marginalize As the disassociation of national rights from international human rights and the disconnection of civil and political rights from social and economic rights provoke a contest of victimhood this book offers a renewed argument for the indivisibility of rights and the social justice function of literature Nothing in Nature is Private Claudia Rankine,1994 Poetry African American Studies Claudia Rankine is a fiercely gifted young poet Intelligence a curiosity and hunger for understanding like some worrying interior physical pain a gift for being alert in the world She knows when to bless and to curse to wonder and to judge and she doesn't flinch NOTHING IN NATURE IS PRIVATE is an arrival It's the kind of book that makes you hopeful for American poetry Robert Hass I am excited by Claudia Rankine's poems their elegance their emotional force their scrupulous intimation of multiple identities Representing brilliantly the prismatic vision of a Jamaican middle class intellectual black woman living in America they address the widest constituency of readers This is a richly rewarding collection Mervyn Morris *The Bloomsbury Handbook of Contemporary American Poetry* Craig Svonkin,Steven Gould Axelrod,2023-01-12 With chapters written by leading scholars such as Steven Gould Axelrod Cary Nelson and Marjorie Perloff this comprehensive Handbook explores the full range and diversity of poetry and criticism in 21st century America The Bloomsbury Handbook of Contemporary American Poetry covers such topics as Major histories and genealogies of post war poetry from the language poets and the Black Arts Movement to New York school and the Beats Poetry identity and community from African American Chicana o and Native American poetry to Queer verse and the poetics of disability Key genres and forms including digital visual documentary and children's poetry Central critical themes economics publishing popular culture ecopoetics translation and biography The book also includes an interview section in which major contemporary poets such as Rae Armantrout and Claudia Rankine reflect on the craft and value of poetry today *Literary Journalism and Social Justice* Robert Alexander,Willa McDonald,2022-08-04 This book examines the prominent place a commitment to social justice and equity has occupied in the global history of literary journalism With international case studies it explores and theorizes the way literary journalists have addressed inequality and its consequences in their

practice In the process this volume focuses on the critical attitude the writers of this genre bring to their stories the immersive reporting they use to gain detailed and intimate knowledge of their subjects and the array of innovative rhetorical strategies through which they represent those encounters The contributors explain how these strategies encourage readers to respond to injustices of class race indigeneity gender mobility and access to knowledge Together they make the case that throughout its history literary journalism has proven uniquely well adapted to fusing facts with feeling in a way which makes it a compelling force for social change

Forms of a World Walt Hunter, 2019-01-08 What happens when we think of poetry as a global literary form while also thinking the global in poetic terms *Forms of a World* shows how the innovations of contemporary poetics have been forged through the transformations of globalization across five decades Sensing the changes wrought by neoliberalism before they are made fully present poets from around the world have creatively intervened in global processes by remaking poetry's formal repertoire In experimental reinventions of the ballad the prospect poem and the ode Hunter excavates a new globalized interpretation of the ethical and political relevance of forms *Forms of a World* contends that poetry's role is not only to make visible thematically the violence of global disposessions but to renew performatively the missing conditions for intervening within these processes Poetic acts the rhetoric of possessing belonging exhorting and prospecting address contemporary conditions that render social life ever more precarious Examining an eclectic group of Anglophone poets from Seamus Heaney and Claudia Rankine to Natasha Trethewey and Kofi Awoonor Hunter elaborates the range of ways that contemporary poets exhort us to imagine forms of social life and enable political intervention unique to but beyond the horizon of the contemporary global situation

Plot Claudia Rankine, 2007-12-01 This poetry collection by the acclaimed author of *Citizen* presents an inexhaustibly complex varied and grimly inventive meditation on maternity Verse In Claudia Rankine's *Plot* an expectant mother Liv and her husband Erland find themselves propelled into one of our most basic plots boy loves girl girl gets pregnant Liv's respect for life however makes her reluctant to bring a new life into the world The couple's electrifying journey is charted through dreams conversations and reflections A text like no other it crosses genres existing at times in poetry at times in dialogue and prose in order to arrive at new life and baby Ersatz This stunning avant garde performance enacts what it means to be human and to invest in humanity *Plot* moves as in a picaresque novel in which the body schemes and frightens accompanied by Claudia Rankine's instinct for poetic surprise Barbara Guest poet and author of *Herself Defined*

The American Citizen, 1912 **The Georgia Review**, 2021

The White Card Claudia Rankine, 2019-03-19 A play about the imagined fault line between black and white lives by Claudia Rankine the author of *Citizen* *The White Card* stages a conversation that is both informed and derailed by the black white American drama The scenes in this one act play for all the characters disagreements stalemates and seeming impasses explore what happens if one is willing to stay in the room when it is painful to bear the pressure to listen and the obligation to respond from the introduction by Claudia Rankine Claudia Rankine's first published play *The White Card* poses the

essential question Can American society progress if whiteness remains invisible Composed of two scenes the play opens with a dinner party thrown by Virginia and Charles an influential Manhattan couple for the up and coming artist Charlotte Their conversation about art and representations of race spirals toward the devastation of Virginia and Charles s intentions One year later the second scene brings Charlotte and Charles into the artist s studio and their confrontation raises both the stakes and the questions of what and who is actually on display Rankine s *The White Card* is a moving and revelatory distillation of racial divisions as experienced in the white spaces of the living room the art gallery the theater and the imagination itself

Lyric and Liberalism in the Age of American Empire Hugh Foley, 2022 Lyric and Liberalism in the Age of American Empire re examines the work of Elizabeth Bishop Robert Lowell Amiri Baraka John Ashbery and Jorie Graham changing our understanding of their writing and the field of post war American poetry *CLA Journal* ,2016 **The Citizen** ,1763
