Close To Shore:

Close to Shore Michael Capuzzo, 2002-06-25 Combining rich historical detail and a harrowing pulse pounding narrative Close to Shore brilliantly re creates the summer of 1916 when a rogue Great White shark attacked swimmers along the New Jersey shore triggering mass hysteria and launching the most extensive shark hunt in history In July 1916 a lone Great White left its usual deep ocean habitat and headed in the direction of the New Jersey shoreline There near the towns of Beach Haven and Spring Lake and incredibly a farming community eleven miles inland the most ferocious and unpredictable of predators began a deadly rampage the first shark attacks on swimmers in U S history Capuzzo interweaves a vivid portrait of the era and meticulously drawn characters with chilling accounts of the shark s five attacks and the frenzied hunt that ensued From the unnerving inevitability of the first attack on the esteemed son of a prosperous Philadelphia physician to the spine tingling moment when a farm boy swimming in Matawan Creek feels the sandpaper like skin of the passing shark Close to Shore is an undeniably gripping saga Heightening the drama are stories of the resulting panic in the citizenry press and politicians and of colorful personalities such as Herman Oelrichs a flamboyant millionaire who made a bet that a shark was no match for a man and set out to prove it Museum of Natural History ichthyologist John Treadwell Nichols faced with the challenge of stopping a mythic sea creature about which little was known and most memorable the rogue Great White itself moving through a world that couldn t conceive of either its destructive power or its moral right to destroy Scrupulously researched and superbly written Close to Shore brings to life a breathtaking pivotal moment in American history Masterfully written and suffused with fascinating period detail and insights into the science and behavior of sharks Close to Shore recounts a breathtaking pivotal moment in American history with startling immediacy **Close to Shore** Michael Capuzzo, Mike Capuzzo, 2003 Details the first documented cases in American history of sharks attacking swimmers which occurred along the Atlantic coast of New Jersey in 1916 **Close to Shore** Michael Capuzzo, Mike Capuzzo, 2001 Describes how in the summer of 1916 a lone great white shark headed for the New Jersey shoreline and a farming community eleven miles inland attacking five people and igniting the most extensive shark hunt in history **Close to Shore** Michael Capuzzo, 2002-05 A nonfiction historical thriller about the summer of 1916 describes how a lone great white shark left its usual deep ocean habitat and headed for the New Jersey shoreline and a farming community eleven miles inland attacking five people and igniting **Summary of Michael Capuzzo's Close to Shore** Everest Media, 2022-05-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The shark attacks in 1916 were the result of a mystery that has baffled scientists for nearly a century I have tried to make the individuals who play a role in this story come to life through the use of numerous historical and contemporary sources 2 The Engleside Hotel was a grand lodge off the southern coast of New Jersey at the edge of the vast and desolate pinelands It was a temperance house but guests enjoyed the pleasures of reading dining dancing in the starlit evening and waiting for the return mail 3 On the first day of July the

Engleside and the ocean were reunited by the bright gold band of beach The young men and women in the hotel spent their days reading the Philadelphia Public Ledger and smoking Turkish cigarettes on the porches and discussing the German march to Paris and the fall of the Philadelphia A s to last place 4 The Engleside hotel which was founded by Robert Barclay Engle was experiencing a boom period The hotel had never experienced such a boom before **Close to Shore** Mike Capuzzo,2002 Combining rich historical detail and harrowing pulse pounding narative the author re creates the summer of 1916 when a rogue great white shark attacked swimmers along the New Jersey shore *The Isle of Man official guide, map, and list of hotels, boarding & lodging, and farm houses, where visitors are accommodated [afterw.] Isle of Man [1897]-* Man Isle of tourist board,1897 *Outing* ,1917 Western New York All-Outdoors Atlas & Field Guide Sportsman's Connection,2016-08-27 Sportsman s Connection s Western New York All Outdoors Atlas Field Guide contains maps created at twice the scale of other road atlases which means double the detail And while the maps are sure to be the finest quality you have ever used the thing that makes this book unique is all the additional information Your favorite outdoor activities including fishing lakes and streams hunting camping hiking and biking snowmobiling and off roading paddeling skiing golfing and wildlife viewing are covered in great depth with helpful editorial and extensive tables which are all cross referenced and indexed to the map pages in a way that s fun and easy to use **Numbered Discourses** Bhikkhu Sujato,SuttaCentral, SuttaCentral has published an entirely new translation of the four Pali Nik yas by Bhikkhu Sujato which is the first complete and consistent English translation of these core texts This is an ebook version of Bhikkhu Sujato s translation of the A guttara Nik ya which can also be read at SuttaCentral website The Numbered or Numerical Discourses are usually known as A guttara Nik ya in Pali abbreviated AN However the Pali tradition also knows the form Ekottara one up or incremental and this is the form usually found in the northern collections These collections organize texts in numbered sets from one to eleven Compared to the other nik yas they are more oriented to the lay community The Ekottarik gama EA in Chinese is a highly unusual text which features a range of variations within itself when it comes even to basic doctrines It shares considerably less in common with the Pali A guttara than the other collections do with their counterparts In addition there is a partial Ekottarik gama in Chinese as well as a variety of individual discourses and fragments in Chinese and Sanskrit This translation of A guttara Nik ya was updated on March 6th 2023 北京市疾病预防控制中心 (Beijing, China),1924 Annual Report of the United States Life-saving Service for the Years 1880-.
