Christ Mercyland Deliverance Ministries:

The Future Shape of Christian Proclamation Cleophus J. LaRue, Luiz C. Nascimento, 2020-08-03 Christianity is turning brown and moving south The Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty first century Well over half of the world s Christians now live in the Global South Africa Asia and Latin America They are according to Aberdeen missiologist Andrew Walls the new Representative Christians What they think about Christianity will matter more and more and what North America thinks about Christianity will matter less and less This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future The Future Shape of Christian Proclamation seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian preaching in the coming years Religion, Public Health and Human Security in Nigeria Abiodun Alao, 2022-12-28 This book critically examines the intersection of religion public health and human security in Nigeria Focusing on Christianity Islam traditional religions and intra religious doctrinal divergencies the book explores the impact faith has on health related decisions and how this affects security in Nigeria The book assesses the connection between religion and five contemporary major health and medical issues in the country This includes the issue of epidemics and pandemics such as the Covid 19 pandemic vaccines contraception blood transfusion and the controversies associated with miracle healing In particular this book explores situations where individuals have the power of choice but instead embraces faith and religious positions that contradict science in the management of their health and in the process expose themselves and others to personal health insecurity It investigates aspects of human security including the wider international ramifications of health issues approaches to cures and the interpretation of causes of diseases as well as the ethno religious connotations of such interpretations Exploring key issues that have brought religion into the politics of health and human security in Nigeria this book will be of interest to students and scholars in the field of African Religion African Politics African Studies public health security and Sociology **Religion and Migration** Andrea Bieler, Isolde Karle, HyeRan Kim-Cragg, Ilona Nord, 2019-10-31 This volume explores religious discourses and practices of hospitality in the context of migration It articulates the implied ambivalences and even contradictions as well as the potential to contribute to a more just world through social interconnection with others The book features contributors from diverse national denominational cultural and racial backgrounds Their essays reveal a dichotomy of hospitality between guest and host while tackling the meaning of home or the loss of it interrogating both the peril and promise of the relationship between religion chiefly Christianity and hospitality and focusing on the role of migrants vulnerability and agency by drawing from empirical theological sociological and anthropological insights emerged from postcolonial migration contexts With contributions by Andrea Bieler Jione Havea Claudia Hoffmann HyeRan Kim Cragg Claudia Jahnell Isolde Karle Buhle Mpofu Armin Nassehi Ilona Nord Henrietta Nyamnjoh Regina Polak Ludger Pries Thomas

More than half a century has passed since the first monographs on African Christian prophetism were published The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing sometimes even to the neglect of the use of biomedical resources The developments have been interrogated in religious studies theology and the sociology and psychology of religion showing how important these churches have been in the African public sphere **Time to Set the Captives Free** Kathy DeGraw, 2011-02-03 Where do I go for deliverance How should I do a prayer session Where can I receive this kind of training Can you recommend a deliverance ministry to me These are common questions Kathy got asked too many times Passionate about setting the captives free Kathy felt there had to be a way to establish more deliverance ministries around the world In this book get the facts of how to equip yourself to Lead a successful deliverance prayer session Overcome roadblocks of deliverance and blockages during a session Find and equip a spirit led team to stand alongside you as you defeat the enemy Know when someone might be under demonic influence Discern the spiritual realm Filled with details of everything you will need to start your own ministry including How do I minister to the person coming for freedom How do I stay spiritually strong and protected What kind of spiritual covering do I need What supplies and reference materials are needed It is time to quit thinking I want to do this someday and take action Jesus came to Set the Captives Free Through this ministry equipping book learn how to be an extension of Jesus in a hurting world Start bringing people out of captivity so they can experience the fullness of God and be equipped to their full potential for advancing the Kingdom of God Rain of Fire Frequency Revelator, 2019-11-16 It is of paramount significance to point out the truth that in many Charismatic circles across the globe the doctrine of deliverance is one of the most controversial and confusing subjects that Christians have ever encountered This is a typical scenario especially in today's modern era whereby deliverance ministers and ministries are mushrooming across the globe with many assuming titles as Specialists of Deliverance The most overworked Christian vocabulary in the

Body of Christ across the globe today is the word Deliverance as it is trending and shaping every sphere of spiritual endeavour for many churches. It appears that the idea of deliverance has created a lot of hype in which some believers have branded their churches as deliverance ministries while others have opted to advertising their ministries on television and other forms of media inviting the masses to come to their special deliverance classes. As a consequence many at times venture into the deliverance ministry with barely any knowledge of what they are doing culminating in unsuccessful deliverances, disappointments and frustrations as people walk away still in bondage because the deliverance minister did not understand the root problem of the person in need of deliverance. Extremes of both doctrine and practices in deliverance are highly attributable to a lack of revelation knowledge of the Word of God on the subject as many are completely lost at sea as to how to effectively conduct deliverance. This book is therefore a means to dispel the myths and misconceptions centred on the doctrine of deliverance and to point out errors in current practices among the so called deliverance ministers so that you have a deeper revelation of how to conduct Bible Based deliverance. It suffices to mention that contrary to current practice the ministry of deliverance was never intended to be a separate entity in the Body of Christ by itself. Nor was it initially designed for those who have somehow attained a stratospheric pinnacle of enlightenment in matters of the spirit. Instead it was designed to flow hand in hand with all the other aspects of the teaching, prophetic and healing ministry. Its isolation as a super special ministry has led to imbalance and sometimes demonic consciousness resulting in people opening themselves up to more demonic attacks as opposed to freedom. Through this book we seek to restore the consciousness of God and of the authority that God has given us as believers in conducting deliverance. This topical compendium is a buffet of divine truths served up with a dish of provocative revelations of God's word which are seasoned with barbs of prophetic spices and delicacies of revelatory flow on spiritual warfare. The title of the book *The Rain Of Fire* is derived from the character of manifestation of God as a Consuming Fire that burns, melts and infiltrates the demonic realm with flashes of lightning coupled with a pounding, booming and rumbling sound of thunder exploding in the atmosphere and shaking the demonic kingdom. In John the Revelator's apocalyptic vision there are three unusual sounds coupled with fire proceeding out of the throne of God. It is for this reason that this book has been titled *The Rain Of Fire* as it befits the manner in which we deal severely with demonic spirits. Against this backdrop this treatise will furnish you with insight, tools and weapons to wage an effective tactical and strategic warfare against forces of darkness as you pursue your God designed and God intended destiny. This book is therefore a deliverance weapon in your hand that will equip and empower you with revelation knowledge on the art of spiritual warfare so that you are able to decisively deal with the whims and vagaries of the enemy and set the masses free from the debilitating life circumstances of poverty, sickness and limitation in progress that have imprisoned God's people for ages.

suffered died and rose again for the complete deliverance and healing you long for Soul wounds affect each of us and leave broken places in our lives that need healing When we seek inner healing but don't also close demonic doorways to the enemy we simply mask the issue temporarily and may find ourselves in more bondage than we experienced previously A respected minister of deliverance Kathy DeGraw will show you through biblical insights real life examples and practical instruction how you can discern and destroy the root of fear anger addictions rejection and other strongholds that just won't go away use repentance forgiveness and robust spiritual warfare prayers and declarations to possess freedom minister deliverance and inner healing to others and more The Holy Spirit wants to open your eyes to the strongholds that have kept you stuck It's time to be unshackled and free
