

Christian Ethics and Contemporary Moral Problems

Michael Banner

Christian Ethics And Contemporary Moral Problems

Patricia Beattie Jung, Shannon Jung

Christian Ethics And Contemporary Moral Problems:

Christian Ethics and Contemporary Moral Problems Michael C. Banner, 1999-09-28 This book addresses such key ethical issues as euthanasia the environment biotechnology abortion the family sexual ethics and the distribution of health care resources Michael Banner argues that the task of Christian ethics is to understand the world and humankind in the light of the credal affirmations of the Christian faith and to explicate this understanding in its significance for human action through a critical engagement with the concerns claims and problems of other ethics He illustrates both the distinctiveness of Christian convictions in relation to the above issues and also the critical dialogue with practices based on other convictions which this sense of distinctiveness motivates but does not prevent The book's importance lies in its attempt to show the crucial difference which Christian belief makes to an understanding of these issues whilst at the same time demonstrating some of the weaknesses and confusions of certain popular approaches to them *Christian Morality* Geoffrey W.

Sutton, Brandon Schmidly, 2016-08-08 Should society care about Christian morality Are Christians out of touch with complex moral decision making *Christian Morality An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues First readers learn of the theological and philosophical foundations of Christian ethics Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues abortion same sex relationships equal treatment of men and women in the workplace sex education and racial bias in incarceration policies

Christian Ethics Norman L. Geisler, 2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective **Christian Ethics** Michael Banner, 2009-04-20 This enlightening book steers readers through the challenges and moral issues providing a clear and decisive history of the main figures and texts in Christian ethics A short and lively history of Christian ethics exploring how Christianity has always had to grapple with complex moral problems from questions about the status of early Christians who renounced their religion under Roman torture through to current debates about euthanasia Engages with the main texts and figures in Christian ethics including Augustine Benedict Aquinas Luther and Barth Considers questions such as human will the proper form of Christian life natural law and whether human nature is at odds with Christian ethics Concludes with a thought provoking chapter considering the role that Christian ethics can play in contemporary moral debates and ethical dilemmas *Moral Issues and Christian Responses* Patricia Beattie Jung, L. Shannon Jung, 2012-09-01 Previously published by Cengage Wadsworth this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of the

ethical issue Among the classic issues considered are sexuality and reproductive rights prejudice biomedical ethics the environment immigration terrorism war and globalization New issues include development ethics personal finance and consumerism workplace ethics health care and citizenship *Moral Issues and Christian Responses* Patricia Beattie Jung, Shannon Jung, 2003 The intention in this book is to provide an introduction to contemporary moral issues an introduction that combines an overview of current events with Christian moral interpretations This text is for undergraduate courses in ethics moral problems church and society and comparative religious ethics The perspectives of both men and women of faith are represented Evangelical Roman Catholic Reformed Lutheran Radical Reformation and other Protestant church perspectives are included Pref Contemporary Moral Issues Joe Jenkins, 2002 The 4th edition of Contemporary Moral Issues includes up to date examples of religion in context encourages students to engage in discussion and learn what is involved in giving a reasoned argument covers problems such as poverty and racism as well as newer issues including medical ethics and biotechnology **An Introduction to Christian Ethics** Roger H. Crook, 2002 This introductory text presents a Christian method for making decisions and applies it to some of the major ethical issues of today Author Roger H Crook effectively integrates both historical and sociological material throughout the book Focusing on value rather than duty in moral decision making An Introduction to Christian Ethics Fourth Edition emphasizes a continuing respect for scripture tradition and the Christian community as resources in the consideration of contemporary moral issues Topics include An Overview of Ethics Alternatives to Christian Ethics Alternatives within Christian Ethics Sources of Guidance Biblical Ethics Faith Working through Love Human Sexuality and the Marriage Relationship Life and Death Issues in Biomedical Ethics Christian Ethics and Ethnicity The Status of Women Citizenship in a Democracy Punishment for Crime War and the Quest for Peace Work Property and Community Ecology and Moral Responsibility New material in the Fourth Edition includes Updated statistics and illustrative materials New approaches to Alternatives to Christian Ethics Human Sexuality Biomedical Ethics and Ethnicity Updated Bibliography The Ethics of Everyday Life Michael Banner, 2014-10-23 The moments in Christ's human life noted in the creeds his conception birth suffering death and burial are events which would likely appear in a syllabus for a course in social anthropology for they are of special interest and concern in human life and also sites of contention and controversy where what it is to be human is discovered constructed and contested In other words these are the occasions for profound and continuing questioning regarding the meaning of human life as controversies to do with IVF abortion euthanasia and the use of bodies or body parts post mortem plainly indicate Thus the following questions arise how do the instances in Christ's life represent human life and how do these representations relate to present day cultural norms expectations and newly emerging modes of relationship themselves shaping and framing human life How does the Christian imagination of human life which dwells on and draws from the life of Christ not only articulate its own but also come into conversation with and engage other moral imaginaries of the human Michael Banner argues that consideration of these

questions requires study of moral theology therefore he reconceives its nature and tasks and in particular its engagement with social anthropology Drawing from social anthropology and Christian thought and practice from many periods and influenced especially by his engagement in public policy matters including as a member of the UK's Human Tissue Authority Banner aims to develop the outlines of an everyday ethics stretching from before the cradle to after the grave *Christian Ethics and Contemporary Philosophy* Ian T. Ramsey, 2011-06-07 In a time when more and more people are discovering they can have a rational morality without an orthodox God these twenty four essays reappraise the whole character of Christian ethics and criticize the traditional underpinning of morality by religion Edited by Ian T Ramsey professor of philosophy at Oxford University the volume is a valuable sequel to the well known *New Essays in Philosophical Theology* The contributors include atheists agnostics and Christians Among them are Ninian Smart R B Braithwaite Ronald Hepburn and Iris Murdoch The essays do not attempt to examine specific Christian questions in any sort of theological detail rather their primary concern is with problems that arise principally in a philosophical context But they are concerned with issues that lie behind the present bewilderment in Christian morality Stressing the diversity of moral situations the papers show that these are far from being homogeneous and rule determined Moral decision demands personal involvement activating the possibility of good and bad reasons for making such a decision The essays point out the character of moral disagreements and also remind us that morality is not only of individual but also of social significance The last section of the book examines the present concept of natural law its possible erosion by developments in anthropology psychology and philosophy and whether the possibility exists for a theory of morality that unites both natural law theory and Christian ethics *Contemporary Moral Issues* Lawrence M. Hinman, 2016-07-01 *Contemporary Moral Issues* is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer's *Eating Animals* Eva Feder Kittay's *On the Ethics of Selective Abortion for Disability* and Susan M Wolf's *Confronting Assisted Suicide and Euthanasia* My Father's Death Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions *Understanding Christian Ethics* William Tillman, 1988-05-25 The student church staff person layperson or professional ethicist searching for an introduction to contemporary ethical issues that is substantive enough for class room use yet functionally oriented toward the local church will find *Understanding Christian Ethics* invaluable **Kierkegaard and Issues in Contemporary Ethics** Mélissa Fox-Muraton, 2020-10-26 While Kierkegaard's philosophy focuses on concrete human existence his thought has rarely been challenged regarding concrete and contemporary moral issues This volume offers an overview of contemporary ethical issues from a Kierkegaardian perspective deliberately taking him out of the sphere of Theology and Christian Ethics and examining

the ways in which his works can provide fruitful insight into questions which Kierkegaard certainly never himself envisaged such as accepting refugees into our communities understanding how we relate to social media issues of identity with regard to bioengineering or transgender identity or problems of interreligious dialogue The contributions in this volume by international scholars seek to address both the challenges and insights of Kierkegaard's existential ethics for our contemporary societies and its relation to topics of current interest in the field of moral philosophy The volume is organized into three major sections the first focusing on the relation between ethics and religion a topic of primary importance with regard to the development of religious foundationalism and the challenges of dealing with diverse belief systems within our communities the second on our understandings of ourselves and our relations to others with regard to issues of media and community and the third targeting more specifically questions of identity and the ways in which the developments of modern science impact identity construction This work offers new paths for critically engaging with the moral issues of our times from an existential perspective

The Meaning of Sex Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world

Christian Ethics and Moral Philosophy Craig A. Boyd, Don Thorsen, 2018-11-06 This introductory textbook presents Christian philosophical and theological approaches to ethics Combining their expertise in philosophy and theology the authors explain the beliefs values and practices of various Christian ethical viewpoints addressing biblical teachings as well as traditional ethical theories that contribute to informed moral decision making Each chapter begins with Words to Watch and includes a relevant case study on a vexing ethical issue such as caring for the environment human sexuality abortion capital punishment war and euthanasia End of chapter reflection questions illustrations and additional information tables are also included

Ethics Arthur Frank Holmes, 1984 Arthur F Holmes outlines a Christian ethic contrasts it with other ethical systems and applies it to contemporary moral problems A Contours of Christian Philosophy book

[EVIST Resource Directory](#) American Association for the Advancement of Science. Office of Science Education, 1978

[Modern Moral Problems](#) William Smith, 2012-10-08 Modern Moral Problems addresses moral quandaries that can beguile and confuse faithful Catholics Written in a question and answer format the book covers questions regarding sexuality medical ethics business practices civic responsibilities and the sacramental life of the Church The extraordinary assortment of issues forming a single organized collection is a valuable reference for anyone seeking clear and concise answers to tough moral

questions Written in a conversational tone often spliced with humor this work by a highly respected moral theologian will be read with fascination for its clarity of argument and fundamental good sense Originally published as a monthly question and answer column in a magazine for priests these selections by Msgr William B Smith retain a striking current topicality Msgr Smith often tackled matters of controversy in the Catholic Church ones which continue to draw conflicting opinions Interesting informative and eminently practical this book conveys an overall impression that sound thinking about morality is rooted in a tradition within the Catholic Church even when the answers to particular moral questions cannot be found in catechisms or Vatican documents Msgr Smith offers a clear headed approach to the quandaries of our time precisely because of his training in traditional moral principles and his fidelity to the Catholic magisterium This book should be in the possession of all seminarians and priests who are bound to confront moral matters that are not so easily decided at first glance But lay people too will find here rich responses to the challenging and sometimes unresolved moral questions they encounter in their own lives

Contemporary Moral Problems James E. White, 1997 Carefully selected articles produce a balanced discussion of issues This edition includes expanded coverage of ethical theory affirmative action and corporate responsibility Womens issues are now integrated throughout the book instead of in a single chapter A separate casebook with over 100 additional problem cases is also available shrink wrapped with the text

Christian Ethics And Contemporary Moral Problems Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Christian Ethics And Contemporary Moral Problems free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Christian Ethics And Contemporary Moral Problems free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Christian Ethics And Contemporary Moral Problems free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Christian Ethics And Contemporary Moral Problems. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Christian Ethics And Contemporary Moral Problems any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Christian Ethics And Contemporary Moral Problems Books

1. Where can I buy Christian Ethics And Contemporary Moral Problems books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Christian Ethics And Contemporary Moral Problems book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
