Hotelier Indonesia Hery Sudrajat, Indonesia now is on alert many events canceled and some are postpone due to the COVID 19 Outbreak Governor has announced to closed all Jakarta Tour destination to protect people from the covid 19 spreads And suggest to closed all schools and start recommend to avoid gathering amid the outbreak Therefore please check all events schedules before you make hotel and flight reservations This outbreak has hit Hospitality Industry in every aspects This global outbreak has announced by WHO as pandemic and everyone has ordered to be ready and avoid the spreads Please take care yourself and family Rachel Grier IDEaS Area Vice President Asia Pacific Concerns relating to the spread of the COVID 19 and largescale travel restrictions put in place are having a direct impact on hoteliers across the Asia Pacific APAC region So what should hoteliers consider when seeking to address the business challenges posed by the emergence of COVID 19 Read on Page 14 Check out what Yuki Hu Eva Liu and George Yu advice regarding COVID 19 and the global hotel industry A roadmap to recovery start on Page 44 Not to miss Bali Brand Residence March 2020 Report from Horwarth HTL in this edition plus Many many more to read again always protect yourself and be safe Mega-Urbanization in the Global South Ayona Datta, Abdul Shaban, 2016-11-03 The global south is entering an Urban Age where for the first time in history more people will be living in cities than in the countryside The logics of this prediction have a dominant framing rapid urbanization uncontrolled migration resource depletion severe fuel shortages and the breakdown of law and order We are told that we must be prepared The solution is simple they say Mega urbanization is an opportunity for economic growth and prosperity Therefore we must build big build new and build fast With contributions from an international range of established and emerging scholars drawing upon real world examples Mega Urbanization in the Global South is the first to use the lens of speed to examine the postcolonial urban revolution From the mega urbanization of Lusaka to the production of satellite cities in Jakarta to new cities built from scratch in Masdar Songdo and Rajarhat this book argues that speed is now the persistent feature of a range of utopian visions that seek to expedite the production of new cities These fast cities are the enduring images of postcolonial urbanism which bypass actually existing urbanisms through new power knowledge coalitions of producing knowing and governing the city The book explores three main themes Part I examines fast cities as new urban utopias which propagate the illusion that they are quick fix sustainable solutions to insulate us from future crises Part II discusses the role of the entrepreneurial state that despite its neoliberalisation is playing a key role in shaping mega urbanization through laws policies and brute force Part III finally delves into how fast cities built by entrepreneurial states actually materialise at the scale of regional urbanization rather than as metropolitan growth This book explores the contradictions between intended and unintended outcomes of fast cities and points to their fault lines between state sovereignty capital accumulation and citizenship It concludes with a vision and manifesto for slow and decelerated urbanism This timely and original book presents urban scholars with the theoretical empirical and methodological challenges of mega

urbanization in the global south as well as highlighting new theoretical agendas and empirical analyses that these new forms of city making bring to the fore

Knowledge Governance in an Industrial Cluster Farah Purwaningrum, 2014 This dissertation explains why there persists a divergence of academia industry government inter linkage in the Indonesian science system This divergence constrains the capacity of the science system in localizing knowledge from the supply chain linkage and demonstrates the centralized character of the Indonesian science system Additionally the book shows that the Jababeka Industrial Cluster is shaped by the supply chain linkage and thus lacks the capacity of a knowledge cluster Therefore horizontal collaboration between academia industry is restricted and limited Dissertation Series ZEF Development Studies Vol 27
