Library Services for Immigrants and New Americans Jennifer Koerber, 2018-05-09 Wondering what your library can do for your community's immigrant population This book is replete with resources tips and suggestions providing valuable guidance to librarians who want to better serve this still growing part of America's population This up to date guide to developing and implementing a wide variety of services to immigrants and new Americans focuses on the practical steps of creating and promoting programs Illustrated by success stories in libraries throughout the country the book discusses both traditional ESOL and citizenship classes and transformative legal aid and workforce development programs and services in terms of size type and local political climate e g sanctuary cities at a variety of public libraries as well as in select school libraries As changes unfold in regard to how the federal government and local communities view and treat immigrants and new Americans in their midst this topic deserves a fresh take from the profession The author meets that need providing practical ideas that range from creating more accessible websites and improving wayfinding and customer service in order to overcome cultural roadblocks to dealing with backlash in communities as libraries extend outreach and partnership building goals

Interrogating Muslims Schirin Amir-Moazami, 2022-06-30 This book interrogates the patterns and discursive structures that have generated the seeming urgency of Muslims integration Focusing on Germany it problematizes the grounds on which politics of integration are justified and reasoned upon and thereby investigates divergent operations of power vis vis Muslims and Islam in a formally liberal secular society The integration paradigm in Germany has been predicated on an imperial knowledge regime in which Islam figures as the external friend or enemy of an imagined Christian secular This book analyzes three kinds of integration practices as symptomatic sites for the multifaceted dimensions of power in this paradigm the scientific measurement of Muslims degrees of integration which are correlated with their degrees of religiosity the politics of recognition promoted by state organized dialogue with Muslims and the threat of sanction found in the regulations of citizenship and explicitly in citizenship tests Centrally the book argues that the paradigm of integration navigates between

universalist claims and particularistic racial and religious re enactments of a secular nation state framework at moments in which this very framework is crumbling

Hollywood or History? Starlynn R. Nance, 2022-05-01 Teaching with film is not a new approach in the social studies classroom Different publications such as Hollywood or History have bridged the gap with challenges attached to using historical film and engage students through inquiry not entertainment To continue with the Hollywood or History strategy this text uses television shows sitcoms to brings issue centered curriculum to middle and high school classrooms By exploring issues in specific episodes students can learn the history behind an issue relate it to their lives and develop an informed decision associated with the issue The College Career and Civic Life C3 framework is an integral part to the exploration of issue centered curriculum In each chapter the students will work through the four dimensions and develop critical thinking reading and writing skills My hope is that this text can play a small role in walking practicing teachers through the C3 framework while allowing students to learn about issues that affect society and the communities where they live
