The present volume provides a comprehensive introduction to the teaching of English at primary school. Following a task based and learner oriented approach the volume focuses on the German teaching context while taking relevant international research into account. Starting from the diverse lived experience of today's primary school children and the complexity of the foreign language classroom the 13 chapters illustrate how theory and classroom practice relate to each other. Topics include learning through tasks, classroom management, the integration of skills, focus on form, working with literature, cultural learning, the use of media and teaching materials, integrating subject matter and the transition to secondary school. The chapters present a variety of classroom examples and suggestions for further reading. The volume is aimed at students, trainee teachers and primary school teachers. It is a helpful resource for both pre-service and in-service teacher education.
