Climate Of The Romanian Carpathians Variability And Trends:

Climate of the Romanian Carpathians Dana Magdalena Micu,Alexandru Dumitrescu,Sorin Cheval,Marius-Victor Birsan,2014-10-27 This book is a comprehensive climatic monograph which addresses one of the most complex mountain environments in Europe the Carpathians Chain focusing on the branches that lie over Romania The volume aggregates high quality input data state of the art techniques regional analysis and overview perspectives while addressing the spatial and temporal patterns of the main climatic elements The study covers the period 1961 2010 for the present climate while the perspective is extended up to 2050 The main climatic elements e g air temperature precipitation wind are analyzed but some specific variables like snow depth and snow cover are also examined both in terms of average behaviour and extreme characteristics This is the first synthesis addressing the climate of this mountain region and it provides useful information for scientists mountain stakeholders decision makers and general public **Routledge Handbook of Climate Change**

Impacts on Indigenous Peoples and Local Communities Victoria Reyes-García,2023-12-26 This Handbook examines the diverse ways in which climate change impacts Indigenous Peoples and local communities and considers their response to these changes While there is well established evidence that the climate of the Earth is changing the scarcity of instrumental data oftentimes challenges scientists ability to detect such impacts in remote and marginalized areas of the world or in areas with scarce data Bridging this gap this Handbook draws on field research among Indigenous Peoples and local communities distributed across different climatic zones and relying on different livelihood activities to analyse their reports of and responses to climate change impacts It includes contributions from a range of authors from different nationalities disciplinary backgrounds and positionalities thus reflecting the diversity of approaches in the field The Handbook is organised in two parts Part I examines the diverse ways in which climate change alone or in interaction with other drivers of environmental change affects Indigenous Peoples and local communities Part II examines how Indigenous Peoples and local communities are locally adapting their responses to these impacts Overall this book highlights Indigenous and local knowledge systems as an untapped resource which will be vital in deepening our understanding of the effects of climate change The Routledge Handbook of Climate Change Impacts on Indigenous Peoples and Local Communities will be an essential reference text for students and scholars of climate change anthropology environmental studies ethnobiology and Indigenous studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Witchcraft in Romania** Ioan Pop-Curşeu,Ştefana Pop-Curşeu,2022-11-30 This book provides a history of witchcraft in the territories that compose contemporary Romania with a focus on the sixteenth to nineteenth centuries The first part presents aspects of earthly justice religious and secular analysing the codes of law trials and verdicts and underlining the differences between Transylvania on one hand and Moldavia and Wallachia on the other The second part is concerned with divine justice describing apocalyptic texts that talk

about the pains of witches in hell but also the ensembles of religious painting where in vast compositions of the Last Judgment various punishments for the sin of witchcraft are imagined **Forest Insects and Pathogens in a Changing Environment: Ecology, Monitoring & Genetics (IUFRO Joint Meeting of WP7.03.05 & 7.03.10)** Dimitrios N. Avtzis, Rudolf Wegensteiner, 2019-09-23 After the successful conclusion of the Joint Meeting of IUFRO s 7 03 05 7 03 10 working parties and given the exciting and novel studies that have been presented in the framework of this meeting we decided to present some of these studies in the current Special Issue of Forests To make this issue more appealing and interesting to everyone in the field of Forest Protection studies that cover a wide range of topics were selected ranging from ecology and phylogeography to forest management and protection More importantly as these studies refer to pests and pathogens from different parts of the world it is expected that the knowledge gained can be further used in the protection of natural environment worldwide **Water Resources Management in Romania** Abdelazim M. Negm, Gheorghe

Romanescu, Martina Zelenáková, 2019-11-02 This book discusses water resources management in Romania from a hydrological perspective presenting the latest research developments and state of the art knowledge that can be applied to efficiently solve a variety of problems in integrated water resources management It focuses on a wide range of water resources issues from hydrology and water quantity quality and supply to flood protection hydrological hazards and ecosystems and includes case studies from various watersheds in Romania As such the book appeals to researchers practitioners and graduates as well as to anybody interested in water resources management **Research on the Characteristics and Effects of Climate Extremes on Multi-spatial-temporal Scales in the Mongolian Plateau** Chunlan Li, 2024-03-27 Compared with average climate changes climate extremes which are considered as low probability events have greater impacts on natural and social systems due to their suddenness unpredictability and strong destructiveness Located in the typical arid semiarid climate transition zone the Mongolian Plateau dominated by herbage animal husbandry is greatly affected by climate extremes and its ecosystem is extremely fragile In the context of global warming the spatial temporal variation research about climate extremes and their impacts on vegetation is not only beneficial to the protection of the grassland ecological environment in the Mongolian Plateau but also of great significance to formulate an effective meteorological disaster risk management Based on daily highest temperature daily minimum temperature and daily precipitation dataset of 111 meteorological stations over Mongolian Plateau from 1961 to 2014 Firstly sixteen extreme temperature indices and eleven extreme precipitation indices were calculated Then multi spatial temporal characteristics of climate extremes in the scope of intensity duration and frequency were analyzed At the same time the vegetation variations were analyzed based on GIMMS NDVI3g data Thirdly correlation analysis and multiple stepwise regression analysis were used to analyze the relationships between extreme climate indices and NDVI in different spatial scales from the perspective of single factor and multiple factors respectively Finally the future change of climate extremes in

duration were explored based on the climate model data At the same time the vulnerable areas of grassland and forest were also identified and adaptive options of different scales were proposed Researchers engaged in extreme climate change and managers of government departments are the readership primary audience for the work *Digitalni podatki* Drago Perko, Matija Zorn, 2016-01-01 Knjiga Digitalni podatki je e 13 v zbirki GIS v Sloveniji Tudi namen te knjige je predstaviti najrazli nej a spoznanja raziskovalcev v svetu geografskih informacijskih sistemov na obmo ju Slovenije v zadnjih letih Digitalni podatki so eden izmed osnovnih stebrov geografskih informacijskih sistemov zato v knjigi prikazujemo kak ne so mo nosti njihove uporabe V zadnjem obdobju je predvsem lidarsko snemanje povzro ilo razmah zelo natan nih in raznovrstnih analiz V knjigi so nazorno prikazani rezultati projektov in izsledki raziskav s podro ij kot so geografija hidrologija varovanje pred naravnimi nesre ami arheologija promet poselitev daljinsko zaznavanje in druga Bralec bo v knjigi na el nekatere novosti v uporabnosti GIS ov hkrati pa se bo lahko seznanil tudi z zanimivi rezultati raziskovalnega dela na tevilnih podro jih _ _ _ _ _

_____ Digitalni podatki Digital Data is the thirteenth volume in the series GIS v Sloveniji GIS in Slovenia The goal of this volume is to present the wide variety of research findings on geographical information systems in Slovenia in recent years Digital data is one of the main pillars of geographical information systems and so this volume describes opportunities to put such data to use Recently lidar scanning technology has increased the precision and diversity of analysis The volume clearly presents project results and research in areas such as geography hydrology protection against natural disasters archaeology transport settlement remote sensing and others Readers will discover new features regarding GIS applicability and learn about interesting findings in these areas *Carpathians Environment Outlook* ,2007 **The Carpathians, the Hutsuls, and Ukraine** Anthony J. Amato, 2020-12-02 This book examines the relationship between Ukraine s Galician Hutsuls and the Carpathian landscape between 1848 and 1939 The author analyzes the intersections of ecology and culture in the history of the Carpathian Mountains with a focus on the region s economy and biodiversity

Hydrological, Socioeconomic and Ecological Impacts of the North Atlantic Oscillation in the Mediterranean Region Sergio M. Vicente-Serrano, Ricardo M. Trigo, 2011-06-17 The Mediterranean basin represents one of the most important hot spots of climate change in the world with recent trends towards a hotter and drier climate being related to changes in atmospheric circulation patterns Such changes can have significant impacts in the climate of this region but also on the natural environment and several socioeconomic activities Among these patterns the North Atlantic Oscillation NAO is one of the main forcing factors in the region with impact on extreme events such as droughts severe precipitations or heat and cold waves the availability of water resources the ecological dynamics the quality and quantity of crops the migration and welfare of animal populations the fisheries dynamics the triggering of landslides and the air pollution and human health among others The aim of Hydrological Socioeconomic and Ecological Impacts of the North Atlantic Oscillation in the Mediterranean Region is to serve as an updated reference text that covers the wide range of evidences on the NAO impacts

in the Mediterranean regions and from a multidisciplinary perspective This volume constitutes a unique document to present the state of the art of the numerous studies undertaken on the hydrological socioeconomic and ecological impact of the NAO collecting the expertise of researchers from several complementary earth science fields geography hydrology remote sensing climatology agriculture energy but that have been lacking a common ground

Landform Dynamics and Evolution in Romania Maria Radoane, Alfred Vespremeanu-Stroe, 2016-09-01 New and innovative scientific theories discussion and explanations are presented on landform dynamics and evolution in Romania along with a comprehensive understanding of the geomorphological processes shaping the large variety of Romania's landscape Thematically arranged the book deals with landform dynamics of specific relief types glacial and periglacial denudational fluvio denudational fluvial karst and coasts as well as sediment fluxes geomorphic hazards and risks The authors are key scientists and researchers in the field and offer innovative views on research methods and concepts applied to the topics in question This work will be of interest to students and researchers in geography geomorphology geology environmental science paleoclimatology and soil science as well as policy and decision makers in spatial planning

Environmental change driven by climatic change, tectonism and landslide
Hanchao Jiang, Chong Xu, Xingqi Liu, Basanta Raj Adhikari, Xibin Tan, R. M. Yuan, 2023-02-27

Climate Change Adaptation in Eastern Europe Walter Leal Filho, Goran Trbic, Dejan Filipovic, 2018-12-15 This book focuses on managing risks and building resilience to climate change showcasing experiences from research field projects and best practices to foster climate change adaptation in Eastern Europe that can be implemented elsewhere Climate change affects countries in Eastern Europe i.e. the Western Balkans and Southeast Europe in a variety of ways Apart from severe floods there are reports of decreasing water reserves in the southern regions and of gradual changes in biodiversity and agricultural production In the South Caucasus area for instance climate change models project a decline in precipitation and suggest that it will continue to become drier this century Many Eastern European countries especially the non EU ones have weak national climate policies and transboundary collaborations as well as limited public engagement in matters related to climate change As a result climate change poses a serious threat to their economic stability and development and to the sustainable development of the region The above state of affairs illustrates the need for a better understanding of how climate change influences Eastern Europe and for the identification of processes methods and tools that may help the countries and the communities in the region to adapt There is also a perceived need to showcase successful examples of how to cope with the social economic and political problems posed by floods droughts in the region especially ways of increasing the resilience of agriculture systems and of communities Addressing this need the book presents papers written by scholars social practitioners and members of government agencies involved in research and or climate change projects in Eastern Europe

Stable Isotope Studies of the Water Cycle and Terrestrial Environments A-V. Bojar, A. Pelc, C. Lécuyer, 2021-11-09 This volume is devoted to Earth surface environmental reconstructions and environmental changes that may be deciphered

and modelled using stable isotopes along with mineralogical chemical sedimentological palaeontological biological and climatological methodologies The book is divided into two sections both using stable isotopes see www.geolsoc.org.uk/SP507 in various samples and phases as the main research tool The first section is devoted to studies focusing on the distribution of isotopes in precipitation groundwater lakes rivers springs tap water mine water and their relationship with terrestrial environments at regional to continental scale In relation to this the second section includes case studies from a range of continental settings investigating cave deposits stalagmites bat guano animal skeletons dinosaurs alligators turtles bivalves present and past soils palaeosols and limestones The sections focus on the interaction between the surficial water cycle and underground water storage with deposits acting as archives of short to long term climatic and environmental changes Examples from the Early Cretaceous to present time come from Europe Asia Africa North and South America ASLH ,2008

Climate Change 2013 - The Physical Science Basis Intergovernmental Panel on Climate Change (IPCC),2014-03-24 This Fifth Assessment Report of the Intergovernmental Panel on Climate Change IPCC will again form the standard scientific reference for all those concerned with climate change and its consequences including students and researchers in environmental science meteorology climatology biology ecology and atmospheric chemistry It provides invaluable material for decision makers and stakeholders at international national and local level in government businesses and NGOs This volume provides An authoritative and unbiased overview of the physical science basis of climate change A more extensive assessment of changes observed throughout the climate system than ever before New dedicated chapters on sea level change biogeochemical cycles clouds and aerosols and regional climate phenomena Extensive coverage of model projections both near term and long term climate projections A detailed assessment of climate change observations modelling and attribution for every continent A new comprehensive atlas of global and regional climate projections for 35 regions of the world

Climate Change 2013: The Physical Science Basis Intergouvernemental panel on climate change. Working group 1,2014 The report also provides a comprehensive assessment of past and future sea level change in a dedicated chapter

Patterns, functions, and processes of alpine grassland ecosystems under global change Jian Sun,Gao-Lin Wu,Junran Jimmy Li,Shiliang Liu,Nigussie Haregeweyn,Huakun Zhou,2023-08-01 **Quaternary Glaciations - Extent and**

Chronology J. Ehlers,P.L. Gibbard,Philip D. Hughes,2011-06-29 The book presents an up to date detailed overview of the Quaternary glaciations all over the world not only with regard to stratigraphy but also with regard to major glacial landforms and the extent of the respective ice sheets The locations of key sites are included The information is presented in digital uniformly prepared maps which can be used in a Geographical Information System GIS such as ArcView or ArcGIS The accompanying text supplies the information on how the data were obtained geomorphology geological mapping air photograph evaluation satellite imagery how the features were dated ¹⁴C TL relative stratigraphy and how reliable they are supposed to be All references to the underlying basic publications are included Where controversial interpretations are

possible e.g. in Siberia or Tibet this is pointed out. As a result the information on Quaternary glaciations worldwide will be much improved and supplied in a uniform digital format. The information on the glacial limits is compiled in digital form by the coordinators of the project and is available for download at <http://booksite.elsevier.com/9780444534477>. Completely updated detailed coverage of worldwide Quaternary glaciations. Information in digital uniformly prepared maps which can be used in a GIS such as ArcView or ArcGis. Step by step guideline how to open and use ArcGis files. Possibility to convert the shapefiles into GoogleEarth kmz files. Availability of chronological controls.

The Danube River and The Western Black Sea Coast Jürg Bloesch, Bernd Cyffka, Thomas Hein, Cristina Sandu, Nike Sommerwerk, 2025-06-27. The Danube River and The Western Black Sea Coast Complex Transboundary Management is a brand new volume in the Elsevier Ecohydrology from Catchment to Coast series. The book focuses on the second largest river in Europe and the most transboundary river basin that encompasses 19 countries. Chapters focus on changes to the area in the past decade and a way forward. Made up of three parts the book starts with an overview covers The Danube River and its recipient the Black Sea including sediment balance water quality hydromorphology and aquatic biodiversity. Section two covers the key pressures and implementation of transboundary water management such as aquatic resources invasive species climate change and stakeholder participation. Section three assesses visions for a sustainable future in the Danube River Basin with a look to applicable sustainability ecosystems human interaction and improving biodiversity through floodplains. The book concludes with a summary and outlook. Presents spatial maps tables and easy to follow figures in each chapter aiding in a foundational understanding of the topic. Provides a fully comprehensive overview including biogeochemistry ecology productivity livelihood socio-economic aspects and governance of the river and seacoast. Includes specific cases of ecohydrology in the river basin and seacoast.

Getting the books **Climate Of The Romanian Carpathians Variability And Trends** now is not type of inspiring means. You could not unaccompanied going similar to ebook amassing or library or borrowing from your contacts to retrieve them. This is an certainly easy means to specifically get guide by on-line. This online revelation Climate Of The Romanian Carpathians Variability And Trends can be one of the options to accompany you once having further time.

It will not waste your time. take on me, the e-book will categorically tone you supplementary matter to read. Just invest little period to read this on-line notice **Climate Of The Romanian Carpathians Variability And Trends** as competently as review them wherever you are now.

Climate Of The Romanian Carpathians Variability And Trends Introduction

Climate Of The Romanian Carpathians Variability And Trends Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Climate Of The Romanian Carpathians Variability And Trends Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Climate Of The Romanian Carpathians Variability And Trends : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Climate Of The Romanian Carpathians Variability And Trends : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Climate Of The Romanian Carpathians Variability And Trends Offers a diverse range of free eBooks across various genres. Climate Of The Romanian Carpathians Variability And Trends Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Climate Of The Romanian Carpathians Variability And Trends Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Climate Of The Romanian Carpathians Variability And Trends, especially related to Climate Of The Romanian Carpathians Variability And Trends, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Climate Of The Romanian Carpathians Variability And Trends, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Climate Of The Romanian Carpathians Variability And Trends books or magazines might include. Look for these in online stores or libraries. Remember that while Climate Of The Romanian Carpathians Variability And Trends, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Climate Of The Romanian Carpathians Variability And Trends eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google

Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Climate Of The Romanian Carpathians Variability And Trends full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Climate Of The Romanian Carpathians Variability And Trends eBooks, including some popular titles.

FAQs About Climate Of The Romanian Carpathians Variability And Trends Books

What is a Climate Of The Romanian Carpathians Variability And Trends PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Climate Of The Romanian Carpathians Variability And Trends PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Climate Of The Romanian Carpathians Variability And Trends PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Climate Of The Romanian Carpathians Variability And Trends PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Climate Of The Romanian Carpathians Variability And Trends PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions

when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
