Clockwork Philip Pullman:

Clockwork, Or, All Wound Up Philip Pullman, 2004 Gothic tale featuring a clockwork maker a knight and a prince

Clockwork Or All Wound Up Philip Pullman, 1999-10 Long ago in Germany a storyteller's story and an apprentice clockwork maker's nightmare meet in a menacing lifelike figure created by the strange Dr Kalmenius *Philip Pullman* Catherine Butler, Tommy Halsdorf, 2017-09-16 Philip Pullman's His Dark Materials trilogy is a worldwide classic of modern literature for both children and adults Challenging in its intellectual scope ambitious scale and range of literary reference it is also hugely controversial due to its critique of organised religion This collection of original essays by an international team of distinguished scholars assesses Pullman's achievement and introduces readers to some of the key debates surrounding His Dark Materials Covering topics such as religion gender childhood and scientific enquiry the volume also discusses the Hollywood film of the first book and features a new interview with Pullman himself *Introducing Children's Literature* Deborah Cogan Thacker, Jean Webb, 2005-06-29 Introducing Children's Literature is an ideal guide to reading children's literature through the perspective of literary history Focusing on the major literary movements from Romanticism to Postmodernism Thacker and Webb examine the concerns of each period and the ways in which these concerns influence and are influenced by the children's literature of the time Each section begins with a general chapter which explains the relationship between the major issues of each literary period and the formal and thematic qualities of children's texts Close readings of selected texts follow to demonstrate the key defining characteristics of the form of writing and the literary movements Original in its approach this book sets children's literature within the context of literary movements and adult literature It is essential reading for students studying writing for children Books discussed include Louisa May Alcott's Little Women Charles Kingsley's The Water Babies Lewis Carroll's Alice in Wonderland Frank Baum's The Wizard of Oz Frances Hodgson Burnett's The Secret Garden P L Travers Mary Poppins E B White's Charlotte's Web Philip Pullman's Clockwork

Photocopiable Activities Based on Clockwork by Philip Pullman Angel Scott, 1999 *Philip Pullman* Margaret Speaker Yuan, 2013-11 **Philip Pullman, Master Storyteller** Claire Squires, 2006-10-20 Squires conducts a tour of the His Dark Materials worlds of Philip Pullman and also considers the British author's entire oeuvre **Teaching Children's Literature** Diane Duncan, 2013-01-11 Drawing on a series of recently conducted classroom workshops and live interviews with the authors this inspiring book examines five popular children's authors Philip Pullman J K Rowling Michael Morpurgo Anthony Browne Jacqueline Wilson and the genre of comic books Four genres are explored in detail the picture book written narrative film narrative and comic books Teaching Children's Literature provides detailed literary knowledge about the chosen authors and genres alongside clear structured guidelines and creative ideas to help teachers student teachers and classroom assistants make some immensely popular children's books come alive in the classroom This accessible and inspiring text for teachers parents student teachers and students of children's literature includes a variety of discussion

drama writing and drawing activities with ideas for Social and Emotional Aspects of Learning which can be used to plan a unit of work or series of interrelated lessons for pupils aged between seven and fourteen years provides detailed literary knowledge about the authors their works language plot and characterisation including exclusive transcripts of interviews with three contemporary children's book authors shows teachers how pupils can be encouraged to become more critical and knowledgeable about screen picture and comic narratives as well as written narratives demonstrates how reading stories can help connect pupils and teachers to a broader pedagogy in ways which promote deeper thinking learning and engagement This lively informative and practical book will enable teachers students and classroom assistants to plan inspiring and enjoyable lessons which will encourage them to teach children's literature in an entirely different and inventive way

Children's Literature and Learner Empowerment Janice Bland, 2013-08-29 Children's literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature This text provides a comprehensive introduction to children's and young adult literature in EFL teaching It demonstrates the complexity of children's literature and how it can encourage an active community of second language readers with multilayered picturebooks fairy tales graphic novels and radical young adult fiction It examines the opportunities of children's literature in EFL teacher education including the intertextuality of children's literature as a gate opener for canonised adult literature the rich patterning of children's literature supporting Creative Writing the potential of interactive drama projects Close readings of texts at the centre of contemporary literary scholarship yet largely unknown in the EFL world provide an invaluable guide for teacher educators and student teachers including works by David Almond Anthony Browne Philip Pullman and J K Rowling Introducing a range of genres and their significance for EFL teaching this study makes an important new approach accessible for EFL teachers student teachers and teacher educators [The Firework-maker's Daughter](#) Philip Pullman, 2001-06 In a country far to the east Chulak and his talking white elephant Hamlet help their friend Lila seek the Royal Sulphur from the sacred volcano so that she can become a master maker of fireworks like her father *The World's Best Thin Books, Revised* Joni Richards Bodart, 2000-05-09 The book report is due and panic sets in A THIN book is the ticket But perhaps a THINNER book Or the THINNEST book of all And how to pick one quickly that will be interesting Students teachers and librarians will love this handy little volume that describes 100 titles recommended for middle and high school students Readable attention grabbing all are less than 200 pages Each entry lists title and author provides information on characters plot and action and even suggests topics to cover in a book report Librarians and teachers will appreciate the inclusion of curricular areas and readability indexes and students will find the appendix on approaches to writing a book report or booktalk a real gold mine Five indexes make locating the perfect title a breeze The genre index guides you to the kind of book you want to read The subject index lists dozens of subjects from adoption to writing divorce to time travel The readability index guides you to the quick reads or thoughtful novels If you have a favorite author or already know of a novel

you want to read there is the author or title index Finally the curriculum index allows you to look for a book for a particular class

Technology and Identity in Young Adult Fiction V. Flanagan, 2014-12-16 Technology and Identity in Young Adult Fiction is not a historical study or a survey of narrative plots but takes a more conceptual approach that engages with the central ideas of posthumanism the fragmented nature of posthuman identity the concept of agency as distributed and collective and the role of embodiment in understandings of selfhood

Crusader Edward Bloor, 2001 After a violent virtual reality game arrives at the mall arcade where she works fifteen year old Roberta finds the courage to search out the person who murdered her mother

The Last Book in the Universe (Scholastic Gold) Rodman Philbrick, 2013-03-01 This fast paced action novel is set in a future where the world has been almost destroyed Like the award winning novel Freak the Mighty this is Philbrick at his very best It s the story of an epileptic teenager nicknamed Spaz who begins the heroic fight to bring human intelligence back to the planet In a world where most people are plugged into brain drain entertainment systems Spaz is the rare human being who can see life as it really is When he meets an old man called Ryter he begins to learn about Earth and its past With Ryter as his companion Spaz sets off an unlikely quest to save his dying sister and in the process perhaps the world

Connecting Children with Classics Meagan Lacy, Pauline Dewan, shady radical, 2018-03-14 This guide identifies hundreds of books that can help children develop into engaged readers Children s librarians collection development specialists in public libraries as well as K 8 school librarians and teachers will choose from the best in children s titles This unique readers advisory and collection development guide for librarians and others who work with children focuses on readers and their needs rather than simply categorizing books by their characteristics and features as traditional literature guides do Taking this unusual perspective brings forth powerful new tools and curricular ideas on how to promote the classics and how to best engage with young readers and meet their personal

and emotional needs to boost interest and engagement The guide identifies seven reader driven appeals or themes that are essential to successful readers advisory awakening new perspectives providing models for identity offering reassurance comfort strength and confirmation of self worth connecting with others giving courage to make a change facilitating acceptance and building a disinterested understanding of the world By becoming aware of and tapping into these seven themes librarians and other educators can help children more deeply connect with books thereby increasing the odds of becoming lifelong readers The detailed descriptions of each book provide plot summaries as well as notes on themes subjects reading interest levels adaptations and alternative formats translations and read alike This informative guide will also aid librarians in collection development and bibliotherapy services

Promoting Reading for Pleasure in the Primary School Michael Lockwood, 2008-06-24 Winner of the UKLA Author Award 2009 Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood's work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author's own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and consultants as well as teacher educators and researchers

Exploring Philip Pullman's His Dark Materials Lois H. Gresh, 2007-10-30 His Dark Materials is one of the most popular award winning fantasies of all time a bestselling trilogy hailed as a modern classic by The New York Times Now for the first time ever Lois H Gresh helps young

readers examine Pullman's intricate universe with *Exploring His Dark Materials* the ultimate companion guide Gresh's fun interactive book explores the complex science religion and fantastic elements of *His Dark Materials* in a way that's both informative and fun for younger readers *Exploring His Dark Materials* is filled with sidebars history facts and an in depth analysis of the books answering questions like What are daemons Why is dust important to the series Is Dark Material real and how does it relate to our universe What are the origins of ghosts and shapeshifters And much more *Exploring His Dark Materials* is a thrilling and essential guide for young adults to help them explore this fantastic and challenging fantasy world

Philip Pullman and the Historical Imagination Kristen Poole, 2025-03-15 *Philip Pullman and the Historical Imagination* takes the general reader on a fascinating tour of seventeenth century thought exploring how this time period shaped Pullman's extraordinary trilogies *His Dark Materials* and *The Book of Dust* In Part One readers are taken into the mysteries of Renaissance allegory and hieroglyphics tracing how the alethiometer and Lyra's way of reading the device emerged from these traditions Part Two enters the exciting and revolutionary world of seventeenth century science We see how the amber spyglass imitates Galileo's telescope how early modern fantasies of space travel led to ideas of multiple worlds how alchemy entered Lyra's later adventures in Oxford and Prague and how the concept of Dust shares in the physics and philosophies of early scientists like Margaret Cavendish Part Three invites readers into the thrilling epic poem *Paradise Lost* John Milton's dramatic account of the creation of the world following a violent war in Heaven that was Pullman's inspiration for *His Dark Materials* Pullman's vibrant re telling of this core story brings us rebel angels recasts Satan as a brooding Lord Asriel and presents Lyra as the new Eve Written by an eminent scholar of seventeenth century literature and history *Philip Pullman and the Historical Imagination* is crafted in an engaging and accessible style aimed at popular readers and fans of Pullman's work It enlivens a historical period that has long attracted Pullman himself bringing to life intriguing figures and the richly complex ideas of the time This book is an exploration of history through the worlds and characters Pullman has invented Ultimately it not only reveals how seventeenth century history helps readers better understand Pullman's novels but shows how reading history through the lens of Pullman's imagination offers new ways of thinking about the past
