Cockroach Rawi Hage:

Cockroach: A Novel Rawi Hage, 2010-10-25 Funny and sharp playful and erotic New York Times Book Review In Montreal's restless immigrant community our unnamed narrator is living in despair Forced to visit a therapist after a suicide attempt he brings us back to his childhood in a war torn country forward into his current life in the smoky migr caf s where everyone has a tale and out into the frozen nighttime streets of Montreal where he imagines himself to be a cockroach invading the lives of the privileged but willfully blind citizens who surround him *Cockroach* is a carnivalesque philosophical novel that weaves dark humor with an accusatory satirical voice spawning from the subsurface to challenge humanity and its downfall

cockroach , **Notes on Vermin** Caroline Hovanec, 2025-01-28 Vermin rats cockroaches pigeons mosquitoes and other pests are to most people objects of disgust And vermin metaphors likening human beings to these loathed creatures appear in the ugliest forms of political rhetoric Indeed vermin imagery has often been used to denigrate poor foreign or racialized people Yet many writers have reclaimed vermin giving new meaning to creeping rodents swarming insects and wriggling worms *Notes on Vermin* is an atlas of the literary vermin that appear in modern and contemporary literature from Franz Kafka's gigantic insect to Richard Wright's city rats to Namwali Serpell's storytelling mosquitoes As parasites trespassers and collectives vermin animals prove useful to writers who seek to represent life in the margins of power Drawing on psychoanalysis cultural studies eco Marxism and biopolitics this book explores four uses for literary vermin as figures for the repressed thought the uncommitted fugitive the freeloading parasite and the surplus life In a series of short accessible interlinked essays *Notes on Vermin* explores what animal pests can show us about our cultures our environments and ourselves

Edinburgh Companion to the Arab Novel in English Nouri Gana, 2015-04-17 Opening up the field of diasporic Anglo Arab literature to critical debate this companion spans from the first Arab novel in 1911 to the resurgence of the Anglo Arabic novel in the last 20 years There are chapters on authors such as Ameen Rihani Ahdaf *The Muslim Quest Between Integration and Provocation in Contemporary Canadian Writing. A Close Analysis of Rawi Hage's "Cockroach"* Matthias Dickert, 2017-05-04 Document from the year 2017 in the subject English Literature Works Comenius University in Bratislava language English abstract This essay is about Rawi Hage's novel *Cockroach* which at first sight is according to the Daily Telegraph A tale of murder intrigue and sex from the exuberantly talented Hage However *Cockroach* embodies more than this negative one sighted approach It is also a novel of migration exile diaspora and being unwanted because of being a foreigner of migrant background and Hage like Rushdie explores the hinterland between fantasy trauma and realism The unnamed narrator of the novel takes the reader by the hand and exposes this immigrant life in a chilly surrounding Chilly because people are cold and chilly because the climate is cold too The fact that Hage as a Lebanese born person uses a Canadian setting as the place of action already hints at two conditions of contemporary Muslim writing in general This refers to the autobiographical basis which many novels have and the use of the city as the background of the narration two

presuppositions of Muslim writing since Rushdie and Kureishi Hage in *Cockroach* explores Montreal and presents it as an alien and hostile topography of menial jobs hidden or open xenophobia a mix of foreigners insect behaviours and class hostilities This narrator an exotic foreigner himself despises the world around him and takes the reader through a nightmare of Canadian reality on the basis of his violent childhood the death of his sister his exile situation and the helplessness of Canada which fails in the person of a court mandated psychiatrist His traumatic past and his inability as a man to protect the female members of his family are also symbols for a failed integration and the personal crisis of the narrator who seeks to find identity and a life at the border of physical and psychological death

Diaspora and Literary Studies Angela Naimou,2023-08-10 Diaspora is an ancient term that gained broad new significance in the twentieth century At its simplest diaspora refers to the geographic dispersion of a people from a common originary space to other sites It pulls together ideas of people movement memory and home but also troubles them In this volume established and newer scholars provide fresh explorations of diaspora for twenty first century literary studies The volume re examines major diaspora origin stories theorizes diaspora through its conceptual intimacies and entanglements and analyzes literary and visual cultural texts to reimagine the genres genders and genealogies of diaspora Literary mappings move across Africa the Americas Middle East Asia Europe and Pacific Islands and through Atlantic Pacific Mediterranean Gulf and Indian waters Chapters reflect on diaspora as a key concept for migration postcolonial global comparative race environmental gender and queer studies The volume is thus an accessible and provocative account of diaspora as a vital resource for literary studies in a bordered world

Neoliberalism and the Novel Emily Johansen,Alissa Karl,2017-12-22 The novel form has long been connected to modern capitalism and is arguably the literary genre most prominently enmeshed in contemporary global markets Yet as many critics have suggested about capital something has changed in the last forty years With the rise of neoliberalism as the dominant global economic rationality and mode of governance the experience of capital has produced new ways of seeing and relating to the world

leading as David Harvey observes to the financialization of everything The novel indexed to capital in myriad ways then must similarly have been transformed Neoliberalism and the Novel investigates both those changes wrought to the novel form by changing arrangements of capital and the novel's broader engagement with neoliberalism itself The chapters in this book consider these questions from a variety of angles attending to the way in which the neoliberal novel deploys familiar generic patterns as a site from which to offer critique examining the changing operation of labour and time under neoliberalism and its effect on novel form and offering a broader call for new reading and interpretative practices to respond to changing socio economic realities This book was originally published as a special issue of *Textual Practice* **Quill & Quire**, 2010
