the author's private collection *Boring Formless Nonsense* Eldritch Priest, 2013-04-11 *Boring Formless Nonsense* intervenes in an aesthetics of failure that has largely been delimited by the visual arts and its avant garde legacies. It focuses on contemporary experimental composition in which failure rubs shoulders with the categories of chance, noise, and obscurity. In these works we hear failure anew. We hear boredom, formlessness, and nonsense in a way that gives new purchase to aesthetic, philosophical, and ethical questions that falter in their negative capability. Reshaping debates on failure as an aesthetic category, Eldritch Priest shows failure to be a highly dubious concept. The book frames recent experimental composition as a deviant kind of sound art whose affective and formal elements reflect on current issues in contemporary culture and offers analyses of musical works and performance practices that are rarely heard, let alone considered as significant cultural phenomena showing the role that obscurity and the esoteric have in articulating current cultural realities. Ambitious in content and experimental in its approach, *Boring Formless Nonsense* will challenge and fracture your views on failure, creativity, and experimental music.

The Music of Your Life John Rowell, 2007-11-01 With a voice that is both sophisticated and deeply Southern, author John Rowell evokes the memory of the great Truman Capote in this wonderful collection of short stories peopled with unforgettable, endearing characters and filled with wry insights. Drawn from the emotional well of a young man who grew up in love with the glittery, glamorous world of music and movies and theater, far removed from his own more prosaic life in North Carolina and informed with honesty and compassion, the seven short stories that comprise *The Music of Your Life* showcase the talent of a remarkably gifted writer. Compulsively readable and always accessible, each story takes the reader into the mind and heart of its central character, whether a young boy suffering from Lawrence Welk damage and teetering precariously on the edge of puberty, *The Music of Your Life*, or a not so young anymore man for whom fantasy and reality have become a terrifying blur and who finds himself slipping over the edge toward total meltdown. Wildlife of Coastal Carolina Nostalgia plays a part in these stories as a somewhat jaded New York film critic looks back on his life and the movies that shaped him. *Spectators in Love* and an aging flower shop owner ruefully assesses the love he found and lost when, as an eighteen-year-old, he embarked on a Hollywood career that never soared but did include one particularly memorable appearance on the *I Love Lucy* television show. *Who Loves You*. These stories all create entire worlds within which the characters live and struggle to find their way. Funny, touching, serious, and tender, the tales within *The Music of Your Life* are sure to appeal to anyone who has ever known the awkwardness of being different and while life is often harsh for the stories' characters, the bold determination with which they persevere offers inspiration to all.
