

The background of the entire cover is an aerial photograph of a city, likely New York City, with a dense, intricate network of yellow lines overlaid. These lines, resembling neural connections or a complex web, crisscross the city's layout, connecting various points across the landscape. The lines are most concentrated in the central urban areas and spread out towards the periphery. The overall color palette is dominated by the yellow of the lines and the dark, muted tones of the city below.
