birth he seems the last holy writer and the supreme fabulist of modern man's cosmic predicament from the Foreword by John Updike

The Complete Short Novels of Anton Chekhov Anton Chekhov, 2004-08-03 Anton Chekhov widely hailed as the supreme master of the short story also wrote five works long enough to be called short novels here brought together in one volume for the first time in a masterly new translation by the award winning translators Richard Pevear and Larissa Volokhonsky The Steppe the most lyrical of the five is an account of a nine year old boy's frightening journey by wagon train across the steppe of southern Russia The Duel sets two decadent figures a fanatical rationalist and a man of literary sensibility on a collision course that ends in a series of surprising reversals In The Story of an Unknown Man a political radical spying on an important official by serving as valet to his son gradually discovers that his own terminal illness has changed his long held priorities in startling ways Three Years recounts a complex series of ironies in the personal life of a rich but passive Moscow merchant In My Life a man renounces wealth and social position for a life of manual labor The resulting conflict between the moral simplicity of his ideals and the complex realities of human nature culminates in a brief apocalyptic vision that is unique in Chekhov's work

Collected Stories Franz Kafka, Gabriel Josipovici, 1993 Kafka was an obsessive writer who produced a huge volume of stories novels diaries and letters in his brief lifetime The present volume includes all his available shorter fiction in a new collection edited and introduced by Gabriel Josipovici The stories which range from tiny fragments to substantial narratives have been arranged both to illuminate one another and to illustrate Kafka's evolution as a writer which as Professor Josipovici shows is more complex and radical than often thought The extensive prefatory essay is an introduction not only to the stories but also to Kafka's work as a whole

The Collected Tales of Nikolai Gogol Nikolai Gogol, 2008-10-07 Collected here are Gogol's finest tales stories that combine the wide eyed credulous imagination of the peasant with the sardonic social criticism of the city dweller allowing readers to experience anew the unmistakable genius of a writer who paved the way for Dostoevsky and Kafka All of Gogol's most memorable creations are here the minor official who misplaces his nose the downtrodden clerk whose life is changed by the acquisition of a splendid new overcoat the wily madman who becomes convinced that a dog can tell him everything he needs to know The wholly unique blend of the mundane and the supernatural that Gogol crafted established his reputation as one of the most daring and inventive writers of his time From the acclaimed translators of War and Peace Crime and Punishment and The Brothers Karamazov a brilliant translation of Nikolai Gogol's short fiction

The Postmodern Humanism of Philip K. Dick Jason P. Vest, 2009-02-17 From his 1952 short story Roog to the novels The Divine Invasion and VALIS few authors have had as great of an impact in the latter half of the 20th century as Philip K Dick In The Postmodern Humanism of Philip K Dick Jason Vest explores the work of this prolific subversive and mordantly funny science fiction writer He examines how Dick adapted the conventions of science fiction and

postmodernism to reflect humanist concerns about the difficulties of maintaining identity agency and autonomy in the latter half of the 20th century In addition to an extensive analysis of the novel *Now Wait for Last Year* Vest makes intellectually provocative comparisons between Dick and the works of Franz Kafka Jorge Luis Borges and Italo Calvino He offers a detailed examination of Dick's literary relationship to all three authors illuminating similarities between Dick and Kafka that have not previously been discussed as well as similarities between Dick and Borges that scholars frequently note but fail to explore in detail Like Kafka Borges and Calvino Dick employs fantastic unreal and visionary fiction to reflect the disruptions dislocations and depressing realities of twentieth century life By comparing him to these other writers Vest demonstrates that Dick's fiction is a fascinating barometer of postmodern American life even as it participates in an international tradition of visionary literature

Franz Kafka Nahum Norbert Glatzer, 1971 **Jewish Science Fiction and Fantasy through 1945** Valerie Estelle Frankel, 2021-06-17 Science fiction first emerged in the Industrial Age and continued to develop into its current form during the twentieth century This book analyses the role Jewish writers played in the process of its creation and development The author provides a comprehensive overview bridging such seemingly disparate themes and figures as the ghetto legends of the golem and their influence on both Frankenstein and robots the role of Jewish authors and publishers in developing the first science fiction magazine in New York in the 1930s and their later contributions to new and developing medial forms like comics and film Drawing on the historical context and the positions Jews held in the larger cultural environment the author illustrates how themes and tropes in science fiction and fantasy relate back to the realities of Jewish life in the face of global anti-Semitism the struggle to assimilate in America and the hope that was inspired by the founding of Israel

Franz Kafka's Letter to his Father Franz Kafka, 2024-10-23 Dearest Father You asked me recently why I maintain that I am afraid of you As usual I was unable to think of any answer to your question partly for the very reason that I am afraid of you and partly because an explanation of the grounds for this fear would mean going into far more details than I could even approximately keep in mind while talking And if I now try to give you an answer in writing it will still be very incomplete because even in writing this fear and its consequences hamper me in relation to you and because the magnitude of the subject goes far beyond the scope of my memory and power of reasoning to you the matter always seemed very simple at least in so far as you talked about it in front of me and indiscriminately in front of many other people It looked to you more or less as follows you have worked hard all your life have sacrificed everything for your children above all for me consequently I have lived high and handsome have been completely at liberty to learn whatever I wanted and have had no cause for material worries which means worries of any kind at all You have not expected any gratitude for this knowing what children's gratitude is like but have expected at least some sort of obligingness some sign of sympathy Instead I have always hidden from you in my room among my books with crazy friends or with crackpot ideas I have never talked to you frankly I have never come to you when you were in the synagogue never visited you at Franzensbad nor indeed ever shown any family

feeling I have never taken any interest in the business or your other concerns I saddled you with the factory and walked off I encouraged Ottla in her obstinacy and never lifted a finger for you never even got you a theater ticket while I do everything for my friends If you sum up your judgment of me the result you get is that although you don't charge me with anything downright improper or wicked with the exception perhaps of my latest marriage plan you do charge me with coldness estrangements and ingratitude And what is more you charge me with it in such a way as to make it seem my fault as though I might have been able with something like a touch on the steering wheel to make everything quite different while you aren't in the slightest to blame unless it be for having been too good to me The Leopard Giuseppe Tomasi Di
