What Is the Size of Your Brain? Veronique Strohbach,2015-08-07 The brain is one of the vastest organs of the human body yet the most misused Research shows us that only 1 3 of its parts are used The only power on earth that can limit you is YOURSELF Ignorance is one of the strongest powers that keeps you in prison and causes you to fail I have good news for you you possess the key to unlock that power and unleash the infinite potential invested in you it is called self discovery Thus the aim of this book is to demonstrate that after going through all kinds of phases the human brain is far beyond scientific discovery and their sayings more capable in achieving anything any person wishes as long as the person has the willingness to succeed against all odds and is in connection with the Creator The Brain is the lodge of your mind the siege of your thought your words ideas and imagination your thinking process and your decision making The size of your brain is therefore defined by how you view yourself you end up where you are not because of some external forces but rather by the series of choices you make each day You have this burning desire to express something to accomplish something remarkable to be recognized to be valuable do not settle for less Destiny is to be discovered and not to be decided by people around you This book highlights the correlation between brain mind and body interaction and brainheart

Keys for Living Single

Myles Munroe,2007-12-11 In Keys for Living Single Dr Munroe describes how singleness as we define it is a myth He explains the true nature of singleness and how it enables us to become everything God designed us to be If a state of singleness means to be unique and whole then to be totally single should be every Christian s number one goal Develop a wholeness and completeness that will define and guide you for the rest of your life as you fulfill your singular purpose in the world single or married **Purpose for Living** Myles Munroe,2011-07-28 Combining Scripture and best selling books Understanding Your Potential Releasing Your Potential and Maximizing Your Potential gives you a powerful jolt of encouragement to become the best you can be This unique devotional and journal is organized to keep you focused on your goal to develop your God given destiny Themes include Why were you born Dare to believe in your potential What happened to the real you Limiting your unlimited potential The enemies of potential Guard protect and feed your potential Decide now to chart a new course based on the principles of the Kingdom of God that will harness the intellectual resources spiritual virtues and economic industry providing an incubator that encourages the maximization of the potential of this and future generations Everything God created is equipped with the potential or ability to fulfill its God given purpose Maximizing Your Potential Myles Munroe,2011-07-28 This book is a principles centered approach to not only discovering and releasing but also maximizing the God given potential trapped within you With practical integrated and penetrating concepts this book takes you beyond doing good to experiencing your best If you think you ve arrived and have achieved your ultimate in life this book is for you If you are bored with your latest success and frustrated at the prospect of retirement this book is for you It will refire your passion for living and give you a reason to die empty Learn how to die finished not prematurely Go for the max In Pursuit of Purpose Myles Munroe,1992-11-28 Best selling author Myles Munroe reveals in this book the key to personal fulfillment purpose We must pursue purpose because our fulfillment in life depends upon our becoming what we were born to be and do In Pursuit of Purpose will guide you on that path to finding God s purpose for your life
