Logic Rhetoric And Legal Reasoning In The Quran Gods Arguments Routledgecurzon Studies In The Quran:

Logic, Rhetoric and Legal Reasoning in the Qur'an Rosalind Ward Gwynne, 2014-04-08 This book provides a new key to both the Qur'an and Islamic intellectual history *The Oxford Handbook of Qur'anic Studies*, 2020-04-28 Traditionally revered as the literal word of God the Qur'an serves as Islam's sacred book of revelation Accordingly its statements and pronouncements rest at the core of the beliefs and teachings that have inexorably defined expressions of the Islamic faith Indeed over the centuries engaging with and poring over the contents of the Qur'an inspired an impressive range of traditional scholarship Notwithstanding its religious pre-eminence the Qur'an is also considered to be the matchless masterpiece of the Arabic language and its impact as a text can be discerned in all aspects of the Arabic literary tradition Presenting contributions from leading experts in the field *The Oxford Handbook of Qur'anic Studies* offers an authoritative collection of chapters that guide readers through the gamut of themes subjects and debates that have dominated the academic study of the Qur'an and its literary heritage These range from chapters that explore the text's language vocabulary style and structure to detailed surveys of its contents concepts transmission literary influence historical significance commentary tradition and even the scholarship devoted to translations With the aim of serving as an indispensable reference resource the Handbook assesses the implications of research discourses and discussions shaping the study of the Qur'an today There exists no single volume devoted to such a broad review of the scholarship on the Qur'an and its rich commentary tradition **The Penguin Dictionary of Islam** Azim Nanji, 2008-04-24 Islam today is a truly global faith yet it remains somewhat of an enigma to many of us Each and every day our newspapers are saturated with references to Islam Quran Taliban Hijab Fatwa Allah Sunni Jihad Shia the list goes on But how much do we really understand Are we in fact misunderstanding *The Penguin Dictionary of Islam* provides complete impartial answers It includes extensive coverage of the historical formations of the worldwide Muslim community and highlights key modern Muslim figures and events Understanding Islam is vital to understanding our world and this text is the definitive authority designed for both general and academic readers *The Wiley Blackwell Companion to the Qur'an* Andrew Rippin, Jawid Mojaddedi, 2017-03-14 Fully revised and updated the second edition of *The Wiley Blackwell Companion to the Qur'an* offers an ideal resource for anyone who wishes to read and understand the Qur'an as a text and as a vital component of Muslim life While retaining the literary approach to the subject this new edition extends both the theological and philosophical approaches to the Qur'an Edited by the noted authority on the Qur'an Andrew Rippin and Islamic Studies scholar Jawid Mojaddedi and with contributions from other internationally renowned scholars the book is comprehensive in scope and written in clear and accessible language New to this edition is material on modern exegesis the study of the Qur'an in the West the relationship between the Qur'an and religions prior to Islam and much more *The Wiley Blackwell Companion to the Qur'an* is a rich and wide-ranging resource exploring the Qur'an as both a religious text and as a work of literature **Islam and Its Past** Michael Cook, Carol

Bakhos,2017 An edited collection on the historical religious and cultural contexts of the origins of the Qur'an The Routledge Companion to Islamic Philosophy Richard C. Taylor,Luis Xavier López-Farjeat,2015-08-20 This valuable reference work synthesizes and elucidates traditional themes and issues in Islamic philosophy as well as prominent topics emerging from the last twenty years of scholarship Written for a wide readership of students and scholars The Routledge Companion to Islamic Philosophy is unique in including coverage of both perennial philosophical issues in an Islamic context and also distinct concerns that emerge from Islamic religious thought This work constitutes a substantial affirmation that Islamic philosophy is an integral part of the Western philosophical tradition Featuring 33 chapters divided into seven thematic sections this volume explores the major areas of philosophy Logic Metaphysics Philosophy in the Sciences Philosophy of Mind Epistemology and Ethics Politics as well as philosophical issues salient in Islamic revelation theology prophecy and mysticism Other features include A focus on both the classical and post classical periods A contributing body that includes both widely respected scholars from around the world and a handful of the very best younger scholars Reference and Further Reading sections for each chapter and a comprehensive index for the whole volume The result is a work that captures Islamic philosophy as philosophy In this way it serves students and scholars of philosophy and religious studies and at the same time provides valuable essays relevant to the study of Islamic thought and theology

Philosophy and Language in the Islamic World Nadja Germann,Mostafa Najafi,2020-11-23 What is language How did it originate and how does it work What is its relation to thought and beyond thought to reality Questions like these have been at the center of lively debate ever since the rise of scholarly activities in the Islamic world during the 8th 9th century However in contrast to contemporary philosophy they were not tackled by scholars adhering to only one specific discipline Rather they were addressed across multiple fields and domains no less by linguists legal theorists and theologians than by Aristotelian philosophers In response to the different challenges faced by these disciplines highly sophisticated and more specialized areas emerged comparable to what nowadays would be referred to as semantics pragmatics and hermeneutics to name but a few fields of research that are pursued to this day and still flourish in some of the traditional schools Philosophy of language thus has been a major theme throughout Islamic intellectual culture in general a theme which probably due to its trans disciplinary nature has largely been neglected by modern research This book brings together for the first time experts from the various fields involved in order to explore the riches of this tradition and make them accessible to a broader public interested both in philosophy and the history of ideas more generally

The Blackwell Companion to the Qur'an Andrew Rippin,2008-09-22 The Blackwell Companion to the Qur'an is a reader's guide a true companion for anyone who wishes to read and understand the Qur'an as a text and as a vital piece of Muslim life Comprises over 30 original essays by leading scholars Provides exceptionally broad coverage considering the structure content and rhetoric of the Qur'an how Muslims have interpreted the text and how they interact with it and the Qur'an's place in Islam Features notes an extensive bibliography indexes of names Qur'an citations

topics and technical terms **The Prophet's Whistle** George Archer,2024-05-27 The Prophet s Whistle is a study of the ancient nonliterary features of the Quran George Archer uses observations from the anthropologies of living oral cultures the cognitive sciences of literacy and the study of other dead oral cultures When the Quran appeared in the seventh century it was a vocal recital performed by an unlettered man named Muhammad The Prophet s Whistle shows that the thought systems of the Quran are oral through and through but by the end of the life of its Prophet the Quran likewise hints at a personal and cultural embrace of writing and the mindsets of literate people Rethinking Quranic Studies William Al-Sharif,2010-06-11 The book proposes a critical methodology in Quranic studies based on human and social studies It suggests that a rational rethinking of the Quran is a prerequisite for the liberation of Muslim societies from closed dogmatism **Jerusalem in Memory and Eschatology** Emma O'Donnell Polyakov,2025-06-12 Investigating a range of eschatological ideologies this volume explores the connection between notions of sacred space and time in Jewish Christian and Muslim understandings of Jerusalem The recognition of Jerusalem as a holy city both unites and divides Judaism Christianity and Islam While these three religious traditions share a reverence for the same ancient city this veneration leads more often to tension and violence than to commonality and cooperation Each of these religions draws heavily from religious memory and eschatological prophecies and sees Jerusalem as a site of past and future upheaval however the distinctions in their visions imbue Jerusalem with meanings that reinforce conflicting and contested ideologies Offering multiple analyses of religious interpretations of the city and its sacred sites this volume explores these divergent visions of the remembered and anticipated Jerusalem **The Crucifixion and the Qur'an** Todd Lawson,2014-10-01 The first book to examine the controversial Qur'anic phrase which divides Christianity and Islam According to the majority of modern Muslims and Christians the Qur'an denies the crucifixion of Jesus and with it one of the most sacred beliefs of Christianity However it is only mentioned in one verse They did not kill him and they did not crucify him rather it only appeared so to them and contrary to popular belief its translation has been the subject of fierce debate among Muslims for centuries This innovative work is the first book devoted to the issue delving deeply into largely ignored Arabic sources which suggest that the origins of the conventional translation may lie within the Christian Church Arranged along historical lines and covering various Muslim schools of thought from Sunni to Sufi The Crucifixion and the Qur'an unravels the crucial dispute that separates the World's two principal faiths **Tuhan, Manusia & Alam Dalam Al-Quran Pandangan Toshihiko Izutsu (Penerbit USM)** Ahmad Sahibah Rahem,2014 Buku ini membincangkan hubungan antara Tuhan manusia dan alam di dalam al Qur'an Perbincangan ini dikhususkan kepada idea Toshihiko Izutsu seorang sarjana Asia bukan Islam dari Jepun yang terkemuka dalam bidang kajian Islam yang menyatakan bahawa analisis semantik dapat digunakan untuk mengkaji al Qur'an berkenaan isu tersebut Mengikut pandangan Izutsu perbezaan pendekatannya terletak terutama pada kaedah analitik yang beliau terapkan pada data al Qur'an dengan tujuan untuk membiarkan al Qur'an mentafsirkan konsepnya sendiri dan berbicara

untuk dirinya sendiri Melalui kajiannya juga sarjana Jepun ini berkeyakinan bahawa al Qur an itu berasal daripada Allah S W T dan bukan buatan Nabi Muhammad S A W Justeru satu satunya buku dalam bahasa Melayu yang membincangkan pemikiran Toshihiko Izutsu berkenaan tuhan manusia dan alam di dalam al Qur an ini adalah rujukan wajib untuk pelajar universiti dan pengkaji dalam bidang ini Universiti Sains Malaysia Penerbit Universiti Sains Malaysia **The Qur'ān** Arthur J. Droge, 2013 This new annotated translation of the Qur n affords readers not only a better sense of what the Qur n says but how it says it in a rendition that strives to remain faithful to the way it was originally expressed Accompanying the translation is an extensive set of annotations The annotations offer a wealth of linguistic and historical detail to enhance the understanding and appreciation of the text They also contain abundant references to parallel passages within the Qur n as well as comparatively among the scriptures of Judaism and Christianity With an introduction map timeline guide to further reading and comprehensive index *Argumentation und Apologetik* Serkan Ince, 2023-04-25 Der Radd ist eine apologetische Textgattung die die eigene theologische Position argumentativ verteidigt beziehungsweise die Fragwürdigkeit einer anderen religiösen Position aufzudecken versucht Eines der argumentativ dichtesten Radd Werke ist das al Radd al l Na r des al Ja far 581 1185 668 1270 In dieser Studie unternimmt Serkan Ince in zweifacher Hinsicht einen ersten Schritt er f llt eine eklatante Lücke in der Erforschung von al Ja far s Werk und betrachtet die Radd Literatur erstmals aus moderner argumentationstheoretischer Perspektive Der Autor stellt zunächst den islamischen Radd in seinen Grundzügen vor und verfolgt seine Entwicklung bis al Ja far Nach einer Darstellung der argumentationstheoretischen Analyse methode folgt eine eingehende Untersuchung zentraler Argumente al Ja far s Die Studie enthält eine vollständige Übersetzung des Hauptteils von al Ja far s Radd The British National Bibliography Arthur James Wells, 2006 **Index Islamicus** , 2006 **Logic, Rhetoric and Legal Reasoning in the Qur'ān** Rosalind Ward Gwynne, 2004 **Will You Not Reason?** Mirza, 2022-03 *Qur'anic Hermeneutics* Bruce Fudge, 2012-08-06 The work of the twelfth century Shi'ite scholar al Tabrisi Majma al bayan is one of the most important works of medieval commentary on the Qur an and is still in use today This work is an in depth case study of Islamic exegetical methods and an exploration of the nature of scriptural interpretation in Islam Drawing on a wide variety of sources including unpublished manuscripts the author examines how exegesis serves to construct maintain and defend the status of the Qur an as scripture and to uphold certain ideological agendas among them the notion of the literary and rhetorical supremacy of God's revelation in Arabic Focusing on the genre and process of Qur anic exegesis itself he treats Qur an interpretation as part of a category of religious practice recognizable from the history and comparative study of religion Written in clear and accessible style Qur anic Hermeneutics makes Qur anic exegesis intelligible to specialists in Islam as well as those interested in scripture and its interpretation in general As such it will be a valuable reference to scholars of Islamic studies religion and scripture
