Sustainability Reporting, Ethics, and Strategic Management Strategies for Modern Organizations Oncioiu, Ionica, Căpușneanu, Sorinel, Topor, Dan Ioan, Constantin, Dana Maria (Oprea), 2020-07-24 Current modern companies which are also the key factors of a global economy are subject to increasing pressures to conduct their business in an environmentally responsible manner due to social and environmental problems Improving long term environmental performance can bring economic benefits to those companies that are innovative and environmentally sensitive especially by integrating environmental information into their business strategies Considering all the changes sustainability reporting management and financial accounting becomes a powerful information tool for executives managers and employee teams to gain insights and make better decisions Along with concepts such as ethical controlling auditing management and financial accounting reporting provides value with the decision making process All these debates underline the major responsibility of users when configuring accounting and finance models and thereby in modelling business information Sustainability Reporting Ethics and Strategic Management Strategies for Modern Organizations proposes an interdisciplinary perspective and explores various theoretical and practical approaches of ethical standards management accounting and their impact in the 21st century on different areas of activity It contrasts external financial accounting for government regulators and the investment community with internal management accounting for managers to leverage for decision making In addition the book examines the role of management accounting and sustainability reporting from other points of view such as ethical standards corporate social responsibility creative accounting green accounting environmental indicators e accounting KPI lean accounting controlling auditing reporting etc offering a number of new insights into management accounting It is intended for chief financial officers financial controllers business analysts financial planners financial analysts budgeting managers executives managers academicians researchers and students *Handbook of Management Accounting Research* Christopher S. Chapman, Anthony G. Hopwood, Michael D. Shields, 2011-09-14 Volume two of the Handbooks of Management Accounting Research consists of two groups of chapters The first draw together research that has focussed on particular management accounting practices The second set synthesise contributions to the literature that have been focussed within particular organisational contexts Volume two concludes with a review of research on how management accounting practice and research varies around the world Special pricing available if purchased as a set with Volume 1 Documents the scholarly management accounting literature Publishing both in print and online through Science Direct International in scope An Innovative Performance Measurement System & Sustainability Habib Zaman Khan, 2024-09-17 This book assesses the architecture of performance measurement systems PMS in emerging countries utilizing a mix of theoretical frameworks and empirical evidence with Bangladesh as a case context It examines the evolution and improvement of performance measurement over time with the introduction of new tools such as multiple dimensional measures and the balanced

scorecard BSC The book explores the historical and cultural roots of PMS within the context of developing countries and its latest developments in the context of sustainability practices and sustainable development Additionally this book provides empirical evidence from the banking sector in Bangladesh highlighting the factors driving firms to adopt new PMS This book is an invaluable resource for researchers and policymakers interested in performance measurement systems in developing countries offering a foundation for future research and policy initiatives **Digitization of the Management Accounting Function**

Oliver Holtkemper,2020-10-27 This book analyzes the impact of digitization on management accounting in five manufacturing companies It is one of the first in depth empirical studies on the intersection of management accounting and digitization The study suggests that there are two archetypes of digitization of the management accounting function The first archetype emphasizes top down driven changes that aim to enhance efficiency such as conducting tasks with a higher degree of automation in a leaner structure with fewer resources The second archetype is strongly driven and initiated by employees in the management accounting function bottom up The focus is on improving the use of data by applying innovative analytics methods integrating additional sources of data and benefiting from new technologies like artificial intelligence The results of the study also indicate that digitization of the management accounting function is mostly in line with the overall company strategy **EBOOK Management Accounting**

Kim Langfield-Smith,David Smith,Paul Andon,Ronald Hilton,Helen Thorne,2021-10-28 Developed for an Australian and New Zealand audience Management Accounting 9e explains the contemporary role of managementaccounting It takes a broad perspective in viewing managementaccounting as the efficient and effective use of resources demonstrating howit creates and enhances value for customers and shareholders as well as thewider aspects of business The text has been developed using cases based on realAustralian and international businesses and includes numerous Real Life illustrations of current management accounting practices In keeping with the need to be industry focused the newedition includes coverage of key contemporary topics including data analytics big data and business ethics Highlights include Coverage of contemporary topicsincluding data analytics big data and business ethics Real Life cases thatreflect the growing global nature of business and Australia s role in ourregion End of Chapter exercises and problems including algorithmic questions and comprehensive Instructor Resource Manual Management Accounting Research ,2000 **International Books in Print** ,1990 Australian National Bibliography ,1995 *Innovative*

Management Accounting Maria Barbera,Jane Baxter,William P. Birkett,1999 This is a practical report which will enable practitioners to consider the state of their organisations and assess how their management accounting corresponds or differs from the profiles of practice documented in this book From there they may ask whether the adoption of these innovations would enable more effective resource management practices within their organisations **Management Accounting, 6e** Will Seal,Carsten Rohde,Ray Garrison,Eric Noreen,2018-10-30 Management Accounting 6e **Australian Books in Print 1998** Bowker,1998-04 excellent coverage essential to worldwide bibliographic coverage AMERICAN REFERENCE BOOKS

ANNUAL This comprehensive reference provides current finding ordering information on more than 75 000 in print books published in or about Australia or written by Australian authors organized by title author keyword You ll also find brief profiles of more than 7 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more From D W Thorpe *Management Accounting* Helen Thorne,Ronald W.
