Prentice-Hall Accounting Faculty Directory
 ,1995 Management Accounting S/M Sup Anthony A. Atkinson,2001-01 **Power** Reinoud Bosch,2021-12-26 Power plays a central role in business and management But what is power exactly and what are key elements of this concept Defining power as relative ability this book discusses structures of power individual power the exercise of power strategy and collective power While discussing these key components ideas of important thinkers about power from Plato to Foucault Weber to Lukes Machiavelli to Kahneman Sun to Kotter and Barnard to Clegg are discussed and interpretively categorized into a toolbox of conceptual elements what Blumer referred to as sensitizing concepts This toolbox of sensitizing concepts allows the selection of those elements of the concept of power that provide the most constructive and effective practical understanding in particular situations The core message behind the discussion is that knowledge of key components of the concept of power is empowering It is empowering to learn about aspects of structures of power individual power the exercise of power strategy and collective power Understanding such conceptual components empowers students researchers practitioners and other readers to use their understanding in interpreting theorizing about and dealing with the complexities of power in their particular situations without tying them to any preconceived general theories about power *Business Cases in Organisation Behaviour and HRM* Gopal P. Mahapatra,2023-12-09 This book provides perspectives on various dimensions of organizational behavior OB and human resource management HRM in an ever changing world The world has been experiencing disruptions and technological changes at an unprecedented level in the last two decades This book is a collection of handpicked cases and teaching notes on the various critical dimensions of OB such as organization transformation leadership organization culture training and development innovation CSR competencies for enhancing entrepreneurship and women leadership These dimensions have been covered extensively with an emphasis on COVID 19 pandemic in a few cases While academicians can use this book to cover the critical concepts and dimensions of change leadership and innovation they can highlight its relevance for young professionals in their journey of growth and development Through these cases the postgraduate students are likely to benefit enormously from the recent changes in various industries MNCs and Indian organizations operating during changing times Overall this book of OB HRM cases is a great value addition to the management field equally for the teachers practitioners and students It is a valuable supplement

to popular OB HRM textbooks *Financial Management for Hospitality Decision Makers* Chris Guilding, 2007-08-22

Financial Management for Hospitality Decision Makers is written specifically for those decision makers in the industry who need to be able to decipher accountant speak and reports in order to use this information to its best advantage and achieve maximum profits. The area of accounting and finance is a vital but often inaccessible part of the hospitality business. However, having the knowledge and the ability to use it properly makes all the difference to the turnover and success of a business. *Financial Management for Hospitality Decision Makers* is written specifically for those industry executives who need to be able to decipher, appreciate and utilise valuable financial management tools and techniques in order to realise maximum profits. Highly practical in its scope and approach, this book outlines the procedure and purpose behind various financial activities including budgeting, year-end financial statement analysis, double entry accounting, managing and analysing costs, working capital management and investment decision making. Demonstrates how an appropriate analysis of financial reports can drive your business strategy forward from a well-informed base. Clearly highlights the key financial issues you need to consider in a host of decision-making situations. Includes a range of problems to help readers appraise their understanding of concepts with solutions provided for lecturers at <http://textbooks.elsevier.com>. At all times the book rigorously applies itself to the specific needs of the hospitality decision maker, contextualising and explaining financial decision making and control in this light. Combining a user-friendly structure with frequent international cases, worked examples and sample reports to illuminate the theory. *Financial Management for Hospitality Decision Makers* is ideal for all students of hospitality as well as being a vital source of information for practitioners already in the industry.

Green Accounting Peter Bartelmus, E.K. Seifert, 2018-01-12. This title was first published in 2003. Our cherished economic indicators of income, product consumption and capital fail in taking a long-term view of social progress. They do not account for environmental deterioration which impairs the quality of life of present and future generations and hence the sustainability of development. Greening the conventional national and corporate accounts introduces environmental impacts and costs into these accounts and balances. The result is a new compass for steering the economy towards sustainability which may change not only our main measures of economic performance but also the basic tenets of environmental and resource policies. This book presents methodological advances and case studies of environmental accounting and discusses their use in environmental management and policies. In their introduction, the editors provide a critical perspective of historical developments and current debates.

The Vocational-technical Library Collection Bruce Reinhart, 1970 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975 *Handbook of Management Accounting Research* Christopher S. Chapman, Anthony G. Hopwood, Michael D. Shields, 2011-09-14. Volume two of the *Handbooks of Management Accounting Research* consists of two groups of chapters. The first draw together research that has focussed on particular management accounting practices. The second set synthesise contributions to the literature that have been focussed within particular organisational contexts.

Volume two concludes with a review of research on how management accounting practice and research varies around the world. Special pricing available if purchased as a set with Volume 1. Documents the scholarly management accounting literature. Publishing both in print and online through Science Direct International in scope. **Ibss: Economics: 1999**

Compiled by the British Library of Political and Economic Science, 2000-12-07. IBSS is the essential tool for librarians, university departments, research institutions, and any public or private institution whose work requires access to up-to-date and comprehensive knowledge of the social sciences. **Subject Guide to Books in Print**, 2001. **An Innovative Performance Measurement System & Sustainability** Habib Zaman Khan, 2024-09-17. This book assesses the architecture of performance measurement systems (PMS) in emerging countries utilizing a mix of theoretical frameworks and empirical evidence with Bangladesh as a case context. It examines the evolution and improvement of performance measurement over time with the introduction of new tools such as multiple dimensional measures and the balanced scorecard (BSC). The book explores the historical and cultural roots of PMS within the context of developing countries and its latest developments in the context of sustainability practices and sustainable development. Additionally, this book provides empirical evidence from the banking sector in Bangladesh, highlighting the factors driving firms to adopt new PMS. This book is an invaluable resource for researchers and policymakers interested in performance measurement systems in developing countries, offering a foundation for future research and policy initiatives. **Solutions Manual, Chapters 14-24 Financial & Managerial Accounting, 6e Or Managerial Accounting, 6e** Carl S. Warren, 1999. Measuring Supply Management's Budget Effects Anna Quitt, 2010-09-24. Based on practice-oriented and practice-relevant research methods, Anna Quitt designs an integrated process for measuring supply management's budget effects and develops Return on Spend as an innovative financial effectiveness indicator. *Managing Projects in Research and Development* Ron Basu, 2016-03-09. Research and Development is the vehicle by which organizations and economies create opportunity, innovation, and secure a stream of future products and services. These outcomes are all critically important sources of sustainability in a world that is changing faster than most companies can keep up. The challenge behind them is the fundamental unpredictability of R, which is why effective project management is so important. Ron Basu's *Managing Projects in Research and Development* explains how and why project management can provide a means of helping to plan, organize, and control multi-disciplinary research activities without stifling innovation. Combining research with practical examples and experience from a career that has included blue chip organizations such as GSK, GlaxoWellcome, and Unilever, Ron Basu offers a rigorous guide to the fundamentals of R D project management, including project lifecycle management, risk management, cost, time, quality, and other success measures, as well as the keys to operational excellence in this complicated world. Managerial Accounting Irvin N. Gleim, Terry L. Campbell, 1992. *Cumulated Index Medicus*, 1992.
