Carsten Berkau, Keabetswe Sylvia Berkau, Mohd Ridzuan Darun, 2018 Management Accounting A. Nishimura, 2003-01-10 This book examines present management accounting issues in the light of Japanese experiences. This is particularly important in the study of management accounting since Japanese management not only learnt from the West but also grew out of it. The book describes the importance and meaning of feed forward management accounting, compares Asian and Japanese management accounting with the Western approach and examines the philosophy behind them. It ends by looking into the future of management accounting science. Management Accounting Research, 1998 **Managerial ACCT** Roby Sawyers, Steve Jackson, Gregory J. Jenkins, 2011 The book continues its emphasis on governance, ethics and managerial decision making, the role of managerial accounting information, job costing, process costing and operations costing which are so important in today's business environment. *Asian Perspective*, 2001 Journal of international development
