Managerial Economics: Applications, Strategy and Tactics James R. McGuigan, R. Charles Moyer, Frederick H. deB. Harris, 2010-08-03 Packed with managerially oriented applications MANAGERIAL ECONOMICS 12th edition illustrates how managers apply theories and techniques to solve real world problems while teaching future business leaders how to think analytically and make better decisions Extremely user friendly the text caters to a variety of learning styles as it presents key analytical concepts in several ways including tabular analysis graphical analysis and algebraic analysis Students learn in a format with which they are comfortable making difficult material more accessible and easier to understand The new 12th edition is concise current and cutting edge with an exciting and extremely relevant new focus on green businesses and business developments in the examples and applications The seasoned author team balances traditional neoclassical micro theory with extensive coverage of the latest analytical tools in managerial economics such as game theoretic tactics information economics and organizational architecture Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

Managerial Economics S. Charles Maurice, Christopher R. Thomas, 2015-09-22 The goal of Thomas and Maurice's Managerial Economics is to teach students the economic way of thinking about business decision and strategy This edition continues to develop critical thinking skills and provides students with a logical way of analysing both the routine decisions of managing the daily operations of a business as well as the longer run strategic plans that seek to manipulate the actions and reactions of rival firms Managerial Economics is a self contained textbook that requires no previous training in economics While maintaining a rigorous style this book is designed to be one of the most accessible books in managerial economics from which to teach and learn because of its clarity of presentation and strong end of chapter problems Rather than parading students quickly through every interesting or new topic in microeconomics and industrial organization this 12th edition instead carefully develops and applies the most useful concepts for business decision making and strategic planning

Managerial Economics K Rama Mohana, Chandra Sekhar Patro, 2023-08-08 Managerial Economics involves an analysis of the allocation of the resources available to a firm or a unit of management among the activities of that unit It makes use of concepts and theories of economics and assists managers to make rational decision The present book emphasizes on conceptual clarity and simplified presentation The book comprehensively covers all the aspects that impinge upon economic decision making of modern business units Thus allowing a great deal of flexibility in the choice of topics that any teacher or student may wish to cover This text would be helpful for the students of Commerce Management Economics Engineering Law and other social sciences disciplines It is also useful to the practicing managers of various business units within and outside the country The book integrates various concepts and ideas from the fields of economics and other subjects which have bearing on managerial decision making and policy formulation within the business unit It provides a number of suitable examples including large
