Living The Godly Life

Living The Godly Life:

Is Godly Life Practical? Isaiah Timothy, 2015-02-26 Is it really possible to live a godly life This book considers the most imposing query of many young Christians Jesus Christ in His Sermon on the Mount emphasized the necessity of a holy or nobler life than that of the sanctimonious people He said Except your righteousness shall exceed the righteousness of the Scribes and Pharisees ye shall in no case enter in to the kingdom of heaven Moreover Jesus said Be ye perfect even as your father is perfect Any inquisitive person may wonder Is it possible to live a life of such perfection as God is demanding Youth and the young in Christ may wonder if such godly life as necessitated by Christ is a reality Many people though outwardly appearing to be still may be struggling with contradiction inwardly Some might have even come to the conclusion that godly life is humanly impossible Most appallingly some may even be thinking that all believers in Jesus Christ are hypocrites This book demonstrates through the important truths from the Holy Bible that godly living is a reality and it is possible even in these days to live a godly life

Ward Beecher, 1874 **A Concordance to the Canonical Books of the Old and New Testament: to which are Added, a Concordance to the Books Called Apocrypha; and a Concordance to the Psalter, Contained in the Book of Common Prayer**, 1859 Galatians Mark J. Keown, 2024-03-11 This commentary of Galatians is a thorough examination of the text of the letter by Mark J. Keown. It includes an introduction to the letter and a verse by verse analysis of Paul's letter. It is designed to be a readable thorough exploration of Galatians without being overly laden with engagement with secondary literature. The Greek of Galatians is transliterated throughout the commentary including in the translations making the Greek accessible to all readers. The real emphasis is engagement with the text the meaning of the Greek especially in regards to primary sources and the flow of Paul's argument against the Judaizers challenging his churches. Yet as is usual in Mark Keown's work it is all presented in an easily understandable and readable way. At points the author pauses to share a personal story or two adding flavor to the commentary. While it is comprehensive and thorough it is ideal for preachers who are looking to really grapple with the meaning of Galatians for Christians today. Special emphasis is given to Paul's summons in the letter that readers live by faith and not works and embrace God's call in the gospel to lay aside all forms of prejudice under God's reign. In the discussion of Galatians 5 in depth consideration is given to the ethical issues it raises a helpful tool for Christians grappling with how to live by the Spirit in a twenty first century world full of challenges.
