BIM Design Richard Garber, 2014-08-11 Building information modelling BIM is revolutionising building design and construction For architects BIM has the potential to optimise their creativity while reducing risk in the design and construction process thus giving them a more significant role in the building process This book demonstrates how innovative firms are using BIM technologies to move design away from the utilitarian problems of construction engaging them in a stunning new future in the built environment Whereas recent books about BIM have tended to favour case study analyses or instruction on the use of specific software BIM Design

highlights how day to day design operations are shaped by the increasingly generative and collaborative aspects of these new tools BIM strategies are described as operations that can enhance design rather than simply make it more efficient Thus this book focuses on the specific creative uses of information modelling at the operational level including the creative development of parametric geometries and generative design the evaluation of environmental performance and the simulation and scheduling of construction fabrication operations This book also engages BIM s pragmatic efficiencies such as the conflict checking of building systems and the creation of bills of quantities for costing and in so doing it demonstrates how BIM can make such activities collaborative Throughout projects are used to illustrate the creative application of BIM at a variety of scales These buildings showcase work by firms executing projects all over the world SHoP Architects and Construction New York Morphosis Los Angeles Populous London GRO Architects New York Reiser Umemoto New York Gensler Shanghai and UNStudio Amsterdam

Cruising World ,1979-01 *Pete Culler on Wooden Boats* John G. Burke,2007-11-09 The insights and wisdom of the late great boat designer and builder Renowned as one of the last and best of the old time boatbuilders Captain R D Pete Culler provided a guiding light for the wooden boat revival in the 1970s His designs are classic melds of elegance and utility his workmanship was akin to artistry and his teaching and writing a blend of clarity good sense insight and humor This book brings together the complete texts of Culler s classic works Boats Oars and Rowing and Skiffs Schooners along with articles from The Mariner s Catalogs and a selection of his timeless boat designs

Loft Island Richard Wright,2018-07-26 A story of tragedy resilience friendship and emotions Loft Island is set in the 1950 s that near forgotten time between the war and the swinging 60s Rescued from a flood Mary comes to live with the father and his 13 year old son who saved her The land they farmed is now an island In getting help with the practical side of life the family faces a variety of attitudes from authorities and friends The existing friendship between the children develops slowly innocently with neither girl nor boy realising Gradually their life becomes more stable only to be ripped apart again

The Organ Loft Murders David Baker,2022-03-23 The year is 1879 The prestigious post of Organist and Master of the Choristers at Hartley Parish Church West Yorkshire has become vacant because of the sudden death in suspicious circumstances of Dr Thomas Burchill Burchill was renowned the length and breadth of Britain and the Empire for the choir so much so that Queen Victoria summoned the singers to Windsor Castle on more than one occasion Burchill s

position is now up for grabs and there is a long list of contenders for the role this will be a once in a lifetime opportunity for the successful applicant for they will dominate music making of every kind throughout Hartleydale More to the point Hartley Parish Church is on the verge of becoming a Cathedral subject to passing stringent tests including the standard of the music making Seven applicants are shortlisted by the ambitious Vicar Dr Percy G Banks assisted by his long time friend and mentor Charleton Mann of Yorbridge Cathedral The day of the auditions arrives Candidates fail to appear or deliberately play badly apart from Dr Algernon Burford who is about to steal the show when he is brutally killed at the organ console Thus begins a story of murder betrayal passion poisoned relationships and much more Victorian Hartleydale is rocked to its foundations as the truth behind its prim and proper establishment emerges Detective Chief Inspector Wright Watson Head of the newly formed Hartley CID together with Detective Sergeant Harry Makepeace will have to disentangle a complex web of lies deceit double dealing and downright hypocrisy in order to cleanse the town its parish church its political class and its governing society once and for all He will nearly die himself in the process all because of one person's ruthless and murderous ambition to wreak revenge on the world of the church organ loft

The Loft Generation Edith Schloss, 2021-11-16 A bristling and brilliant memoir of the mid twentieth century New York School of painters and their times by the renowned artist and critic Edith Schloss who from the early years was a member of the group that shifted the center of the art world from Paris to New York The Loft Generation From the de Koonings to Twombly Portraits and Sketches 1942 2011 is an invaluable account by an artist at the center of a landmark era in American art Edith Schloss writes about the painters poets and musicians who were part of the postwar movements and about her life as an artist in New York and later in Italy where she continued to paint and write until her death in 2011 Schloss was born in Germany and moved to New York City during World War II She became part of a thriving community of artists and intellectuals that included Elaine and Willem de Kooning Larry Rivers John Cage and Frank O Hara She married the photographer and filmmaker Rudy Burckhardt She was both a working artist and an incisive critic and was a candid and gimlet eyed witness of the close knit community that was redefining the world of art In Italy she spent time with Giorgio Morandi Cy Twombly Meret Oppenheim and Francesca Woodman In The Loft Generation Schloss creates a rare and irreplaceable up close record of an era of artistic innovation and the colorful characters who made it happen There is no other book like it Her canny observations are indispensable reading for all critics and researchers of this vital period in American art
