Losing My Religion William Lobdell, 2009-03-06 Lobdell's spiritual journey fascinates not least on account of the irony of his trajectory from agnosticism to belief to atheism while covering religion Booklist starred review William Lobdell's journey of faith and doubt may be the most compelling spiritual memoir of our time Lobdell became a born again Christian in his late 20s when personal problems including a failed marriage drove him to his knees in prayer As a newly minted evangelical Lobdell a veteran journalist noticed that religion wasn't covered well in the mainstream media and he prayed for the Lord to put him on the religion beat at a major newspaper In 1998 his prayers were answered when the Los Angeles Times asked him to write about faith Yet what happened over the next eight years was a roller coaster of inspiration confusion doubt and soul searching as his reporting and experiences slowly chipped away at his faith While reporting on hundreds of stories he witnessed a disturbing gap between the tenets of various religions and the behaviors of the faithful and their leaders He investigated religious institutions that acted less ethically than corrupt Wall St firms He found few differences between the morals of Christians and atheists As this evidence piled up he started to fear that God didn't exist He explored every doubt every question until finally his faith collapsed After the paper agreed to reassign him he wrote a personal essay in the summer of 2007 that became an international sensation for its honest exploration of doubt *Losing My Religion* is a book about life's deepest questions that speaks to everyone It is must reading for people of faith and nonbelievers alike

Without any dialogue Bud motioned for me to sit in a chair near him while he pulled a book from his small bookshelf He quietly and solemnly reached for his reading glasses and under the dim light of a lamp he read me a short story The story was about a widow who was raising her small child alone when she contracted a fatal disease She was concerned about leaving the earth and her young dependent child Though she was worried as fate had it someone came forward and offered to raise the child when she died As it turned out it was for the best because that person was better equipped than even the mother to do the job When Bud finished the story I felt mortification Bud removed his glasses set them on a nearby desk with the book leaned back in his chair folded his hands across his chest and offered no further explanation for reading me such a story
