Fight the Right Warren Kinsella, 2012-10-02 Everywhere you look these days Conservatives are winning elections No matter where you look the story is the same white angry men on the Right are winning power The Left meanwhile is divided and dispirited and rapidly losing ground *Fight the Right* is a handbook on how to survive the nasty brutish and short sighted era in which we find ourselves and is designed to help progressives better understand their conservative adversary and ultimately defeat conservatives wherever the battle is taking shape It s a manual on how conservatives have appropriated language and values and how progressives can take both back Written in a fun accessible style *Fight the Right* will appeal to those about to launch an advocacy effort as well as those who are simply curious about how and if the Right thinks It is chock full of war stories and not so tall tales about winning progressive campaigns from everyone from Jean Chretien to Bobby Kennedy Jr and it will argue forcefully that a United Right can t be defeated until a United Left emerges Wherever conservative power brokers are hurting average citizens and hard working families *Fight the Right* will provide a tested road map on how to beat the bullies Policy & Politics in Nursing and Health Care - E-Book Diana J.
