Dubois, William J. Rothwell, 2004-12-01 Why a focus on jobs is not enough Force fitting employees to job descriptions leads to unhappy people and substandard performance For years HR professionals have struggled with this dilemma But it doesn't have to be that way Competency Based Human Resource Management describes a new model of performance management that matches employee talents to the work that must be done By focusing on the critical competencies that distinguish star performers HR professionals can transform the way they recruit select train develop and compensate top performing employees **Human Resource Management for MBA and Business Masters** Iain Henderson, 2017-01-31 Packed with practical information and offering a solid foundation in HRM theory Human Resource Management for MBA and Business Masters covers all the topics MBA students need to know in a concise accessible way One of the only texts available for HR non specialist students doing a Masters or MBA it looks at the changing world of the line manager and HR professional with regard to key topics such as HRM and strategy employee resourcing human resource development employee relations and performance management Annotated further reading for each chapter and questions for each case study help cement knowledge and understanding Now aimed at a wider readership of management Masters students this fully updated 3rd edition of Human Resource Management for MBA and Business Masters features a greater international and contemporary focus fresh case studies coverage of the impact of new forms of employment and technology on HR and updated online supporting resources With diagrams and models throughout it covers topics such as CSR organizational culture and change performance management and talent management the criticisms of HRM levelled by the Critical Management School and different HRM challenges as they relate to each chapter Online

supporting resources for tutors include an instructor's manual, videos, multiple choice questions and additional case studies. Additional resources for students include multiple choice questions and additional case studies.

International Human Resource Management Dennis R. Briscoe, Randall S. Schuler, 2004. This is an ideal foundation text for anyone studying or working in the International Human Resource Management (IHRM) arena. This text utilizes and incorporates most of what is currently known, researched or experienced in the field. It features data and examples from academic research, international businesses and consulting firms as well as experiences of and interviews with HRM managers in multinational and global firms. This book offers both a theoretical and practical treatment of this important and constantly evolving area. Thoroughly updated and revised, this second edition now includes key terms, learning objectives, discussion questions and an end-of-book integrative case. It has been designed to lead readers through all of the key topics in a highly engaging and approachable way. This book focuses on IHRM within multi-national enterprises (MNEs) and covers topics including MNE and country culture, organizational structure, strategy and design, international joint ventures and cross-border mergers and acquisitions, labour standards, ethics and codes of conduct, selection and management of international assignees, training and management development, compensation and benefits, health and safety and crisis management, IHRM departments and professionals. Uncovering precisely why IHRM is important for success in international business and how IHRM policies and practices function within the multinational enterprise, this outstanding textbook provides an essential foundation for an understanding of the theory and practice of IHRM. This book is essential reading for all students, lecturers and IHRM professionals.

*An Introduction to Human Resource Management* Nick Wilton, 2010-10-04. This exciting new introductory text in human resource management moves beyond a prescriptive approach to provide a holistic overview of the role of HRM in its contemporary context. Acknowledging and reflecting upon key trends in HRM, the labour market and the broader economy, the author offers critical discussion of the theoretical and practical issues surrounding HRM. Includes accessible learning features to help you best explore the material, including research ethics and international insight boxes, chapter summaries and objectives, self-test questions, recommended reading, end-of-chapter case studies. An accompanying companion website [www.sagepub.co.uk/wilton](http://www.sagepub.co.uk/wilton) provides you with full-text journal articles, extended case studies, weblinks and a glossary. The website also provides an instructor's manual, PowerPoint slides and a multiple choice test bank for lecturers. This book is essential reading for undergraduate, postgraduate and MBA students as well as those studying for their CIPD qualifications. Nick Wilton is Senior Lecturer in HRM at Bristol Business School at the University of the West of England. Well researched, well written and is clearly signposted and structured for the reader. The learning objectives at the outset of every chapter act as a clear guide for each topic explored. Additional references and further reading are also offered to the student seeking deeper knowledge. Case studies throughout the book bring the HRM theories to life and demonstrably link these with practice. Wilton's book is an extremely useful core text for students of HRM and a welcome addition to HRM resources.

Denise Bagley, Principal Lecturer

in Human Resource Management London South Bank University

**Human Resource Management** Michael Müller-Camen, Richard Croucher, Susan Rosemary Leigh, 2008-01-31 Human Resource Management A Case Study Approach is ideal for all HR students with limited real life experience of HR in the workplace Covering all the essential HR topics including recruitment reward performance management employment relations health and safety and equality and diversity this book expertly uses case studies of these activities and issues in the real world to truly show HR in practice Closely structured around the changing role of the HR function Human Resource Management A Case Study Approach provides expert guidance on HR processes and practices in the modern workplace while also looking forward to the role of HR professionals in the future Packed with case studies international examples and global research this is an essential resource for all students of HR from the beginning of their studies right through to graduation and into the workplace Online resources include powerpoint slides and lecture notes for tutors and additional case studies and multiple choice questions for students
