Lovers Sky McCoy,2024-11-29 This book is for mature adults only ages 18 and over M M romance Sabastian Some men are hopeless romantic fools while others are simply misguided I find myself caught in both traps perpetually unaware of what s good for me Once my heart gravitated toward the wrong types of men Take Robbie my ex boyfriend and part time lover he was a master of deception but deep down I recognized his dishonesty yet I kept returning to him captured by his charm and humor I mistakenly believed if Robby kept me laughing I could forget his cheating and laughter was enough to sustain a relationship One day the harsh reality hit me when I discovered he had been juggling two other partners behind my back Now I grapple with the fear of opening my heart to someone who genuinely cares for me He s not the typical younger guy I m accustomed to dating at forty this handsome dude came into my life but he s a decade and a half my senior He s super hot and drop dead gorgeous while I consider myself just average Financially he s well established whereas I m still recovering from the emotional toll Robbie took on me Despite my forty something reputation as a notorious playboy I find myself irresistibly drawn to him and I m determined to pursue him and make him mine This an M M romance with enemies to lovers

Wakeford,2024-07-01 A beautiful romance and a fitting end to this original series Goodreads review A slow burn romance with lots of angst and tension I feel that Ms Wakeford wrote this story with real sensitivity and with a sense of reality of the time Goodreads review From the moment I first met you I have felt an inexplicable attraction I want you Ambrose and I am unashamed to say it Daniel Stanton has been blessed with everything He is charming confident and handsome and heir to the great Stanton fortune At age 24 he has had his fair share of amorous adventures with women as well as one tantalising experience with a man leaving him wondering about his sexual inclinations Those questions are quickly answered when he first meets Ambrose Cranshaw his grandfather's estate manager He wants the man and what he wants he usually gets Not this time though Ambrose Cranshaw is everything that Daniel is not With no fortune to his name and no connections he has had to work hard to support himself and his younger sister climbing his way up in the world to the trusted position of the Earl of Stanton's estate manager He may yearn in secret for other men but he will never risk it all by acting out on his yearnings When he first meets debonair and charming Daniel Stanton he knows at once that the man is dangerous With one flash of those dark torrid eyes Daniel could bring the whole edifice of Ambrose's life crumbling down At all costs Ambrose must hide his true feelings for him *The Viscount's Forbidden Love* is the fourth novel in *The Stanton Legacy* series The series is best read in order although each book does have its own featured hero heroine and HEA Set in Victorian England this is an MM romance with plenty of heart angst and steam and it does have a happy ending that is realistic and in keeping with the time it is set in Search terms complete series MM romance slow burn romance angst historical romance Victorian romance gay romance employer employee romance bisexual hero love triangle opposites attract instalove *The Stanton Legacy* series 1 *The Viscount's Scandalous Affair* 2 *The Vixen's Unlikely Marriage* 3 *The Bluestocking's Secret Obsession* 4 *The Viscount's Forbidden Love* 5 *Miss Stanton Meets her Match* spin off novella 6 *Mr Templeton Finds Himself a Wife* spin off novella
